PART II—PANCHAYAT UNION COUNCILS.

CHAPTER I—CONSTITUTION AND CONTROL.

A. General.

(1) *Date of coming into force of the various provisions of the Madras Panchayat Act, 1958 in different areas.*—Sections 1 and 106 of the Madras Panchayats Act, 1958, were brought into force in all the areas of the State except the Kanyakumari district and the Smeettah taluk of Tirunelveli district with effect from 31st January 1959.

(G. O. Ms. No. 188, L.A., dated 30th January 1959.)

The other provisions of the Act were brought into force in the said areas with effect from 1st January 1960.

(G.O. Ms. No. 2182, L.A., dated 29th December 1959.)

(2) *Date of bringing into force of Madras Act 28 of 1961.*—The Madras District Development Councils and Panchayats (Extension to Added Territory) Act, 1961 (Madras Act 28 of 1961) extending the provisions of the Madras Panchayats Act, 1958 and the Madras District Development Councils Act, 1958, to the areas transferred from the Andhra Pradesh i.e., the territories specified in the Second Schedule to the Andhra Pradesh and Madras (Alteration of Boundaries) Act, 1959 (Central Act 86 of 1959) was brought into force with effect from the 2nd day of October 1961.

(G.O. Ms. No. 2683, R.D. & L.A., dated 30th September 1961.)

(G.O. Ms. No. 2884, R.D. & L.A., dated 30th September 1961.)

(3) *Date of bringing into force of Madras Act 27 of 1961.*—The Madras Panchayats (Extension to Transferred Territory) and Panchayat Union Councils (Special Provisions for First Constitution) Amendment Act, 1961 (Madras Act 27 of 1961) was brought into force with effect from the 1st April 1962.

(G.O. Ms. No. 683, R.D. & L.A., dated 21st March 1962.)

(4) *Redelimitation of Blocks.*—The orders of the Government redelimiting blocks had been issued in most cases prior to the issue of notifications under section 7 (3) of the Madras Panchayats Act, 1958, constituting Panchayat Union Councils. It is observed that in some cases there are variations between the areas included in the delimitation orders and the areas published in the notifications. The Collectors have generally maintained that the details sent by them for purposes of notifications may be taken as correct. The question has been raised whether the redelimitation orders should be re-issued incorporating the corrections arising out of the issue of the notifications. It has been pointed out that the notifications issued by virtue of powers vested under the Madras Panchayats Act, 1958 have the force of law and should be taken as final and conclusive until it is amended by another notification following the procedure laid down in the Act. It has also been pointed out that these notifications, will, therefore, prevail over the delimitation orders and where any change is called for in the notification, a fresh notification will have to be issued by following the procedure prescribed in the Act. The Government accordingly consider that there is no need to issue fresh re-delimitation orders to correspond with the detail published in the notifications and that the notifications should be taken as final for purposes of territorial jurisdiction of Blocks.

(7) In exercise of the powers conferred under the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958), the Governor of Madras hereby directs that all notifications, and orders issued under the said Act before the 2nd October 1961, and in force, shall, in so far as may be, also apply to the territories specified in the Second Schedule to the Andhra Pradesh and Madras (Alteration of Boundaries) Act, 1959 (Central Act 56 of 1959).

(G.O. Ms. No. 2355, R.D. & L.A., dated 30th October 1962.)

(8) Constitution of Panchayat Union Councils in the Added Territories.—Panchayat union councils were constituted in the Tirutani, Tiruvengadam, Pallipet and Ramakrishnarajupet blocks in the Added Territory with effect from the date of coming into force of Madras Act 28 of 1961, namely, the 2nd October 1961.

Panchayat Union Councils were constituted in the nine blocks of Kanyakumari district and the Shencottah block of Tirunelveli district with effect from 1st April 1962, i.e., the date of coming into force of Madras Act 27 of 1961.

(3) *Instructions regarding conduct of inaugural meeting and election of Chairman and Vice-Chairman of the First batch of Panchayat Union Councils.*—A notification will be issued under section 11 (1) of the Madras Panchayats Act, 1958, specifying the 2nd October 1960 as the date from which panchayat union councils shall be constituted for each of the panchayat unions notified under section 7 (3) of the Act. The members of the panchayat union councils will enter upon their offices on 2nd October 1960. The attention of the Revenue Divisional Officers concerned is invited to section 37 (2) of the Act and they are informed that on the 2nd day of October 1960 they will become ex-officio members and chairmen of the panchayat union councils in their respective jurisdiction. They should convene a meeting for the election of a chairman after giving notice of not less than seven clear days to the members. The meeting for the election of the chairman should be presided over by the Revenue Divisional Officer in his capacity as ex-officio chairman.

The Collectors and the Revenue Divisional Officers are informed that a meeting of the members of the panchayat union council should be convened by the Revenue Divisional Officer for 2nd October 1960. This meeting should be considered as the inaugural meeting. The oldest person among the members of the panchayat union council present shall preside over this meeting. He will take the oath of allegiance himself first. The other members attending the meeting should be required to make an oath or affirmation of allegiance in the following form:—

" I, A.B. having been an elected
having become an ex-officio
member of this Council do swear in the name of God that I will bear true faith
solemnly affirm

and allegiance to the Constitution of India as by law established and that I will faithfully discharge the duty upon which I am about to enter."

As soon as the oath taking ceremony is over, the presiding officer at the meeting should in consultation with the members present at the meeting select a suitable date which should allow time for the issue of notice by the Revenue Divisional Officer (ex-officio Chairman) and also for the period of seven clear days specified in the Act for giving notice to the members for holding the meeting for the election of the chairman. In cases where there are more than one panchayat union council in the revenue division, different dates should be fixed for the election of the chairman. With reference to the date so fixed, the Revenue Divisional Officers should issue the statutory notice to all the members of the panchayat union councils at least seven clear days previous to the date of the meeting—vide section 37 (2) of the Act.

The Block Development Officers concerned should communicate the names and addresses of the members of the panchayat union councils to the Revenue Divisional Officers concerned for necessary action.

(G.O. Ms. No. 1556, L.A., dated 19th September 1960.)

(10) *Tamil version of Oath of allegiance.*—In paragraph 2 of G.O. Ms. No. 1556, I.A., dated 19th September 1960, the form of the oath or affirmation of allegiance to be made by the members of the panchayat union councils at the inaugural meeting has been prescribed. It has been suggested that as most of the members of the panchayat union councils are not well conversant in English, the oath of allegiance may be administered in Tamil to the members. The Government accept the suggestion. A Tamil version of the oath of allegiance is annexed and is communicated to Revenue Divisional Officers for use at the inaugural meeting of the second and third batches of panchayat union councils.

(G.O. Me. No. 1754, L.A., dated 27th October 1960.)

(11) *Election of M.L.As. and M.L.Os. as Chairman or Vice-Chairman of Panchayat Union Councils.*—According to the provisions contained in Madras Panchayat Union Councils (Special Provisions for First Constitution) Act, 1960, only persons who, on the date specified in section 11 (1) of Madras Act XXXV of 1958 constituting the panchayat union council are holding office as presidents of panchayats will be members of a panchayat union council constituted for any panchayat for the first time under the Madras Panchayats Act, 1958. Thus the presidents of the panchayats in the panchayat unions will become members of the panchayat union council concerned constituted for the first time under Madras Act XXXV of 1958 and there will therefore be no need for the panchayats to elect persons under section 12 (1) of the 1958 Act as members of the panchayat union council.

Section 36 (2) of the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958), provides that the Chairman and the Vice-Chairman of a panchayat union council shall be elected by it from among its members in accordance with such procedure as may be prescribed.

A question has been raised whether a Member of the Legislative Assembly or a Member of the Legislative Council can be elected as the chairman or vice-chairman of a panchayat union council. The Madras Panchayats Act, 1958 (Madras Act XXXV of 1958) does not prohibit a Member of the Legislature from being elected as a member of a panchayat. So, a Member of the Legislature who has been elected as a member of a panchayat is eligible for election as president of the panchayat. By virtue of his office as president, he will become a member of the panchayat union council concerned under the Madras Panchayat Union Councils (Special Provisions for First Constitution) Act, 1960. As a member of the panchayat union council under section 36 (2) of the Madras Panchayats Act, 1958. Members of the Legislature who are not presidents of panchayats and consequently who are not members of panchayat union councils cannot be elected as chairmen of panchayat union councils. Such members of the Legislature as are not members of the panchayat union councils are, however, entitled to take part in the proceedings of the respective councils but are not entitled to vote or to be elected as chairman or vice-chairman of the council—vide section 12 (2) of the Madras Panchayats Act, 1958. Section 12 (2) will not operate as a bar against members of the Legislature (who are members of panchayat union councils) being elected as the chairman or vice-chairman of the council of which they are members.

(G.O. Ma. No. 1557, L.A., dated the 31st September 1960.)

(12) *Term of office of members of Panchayat Union Councils constituted for the first time.*—Section 2 (1) (b) of the Madras Panchayat Union Councils (Special Provisions for First Constitution) Act, 1960 (Madras Act 17 of 1960) provides that the term of office of members of the Panchayat Union Councils constituted for the first time shall be such as the State Government or any Officer authorised by them in this behalf may, by notification, specify.

2. Questions have been raised, whether the term of office of members of the Panchayat Union Councils under the Madras Act 17 of 1960 has been fixed by the Government and whether the term of office of co-opted members of the Panchayat Union Council will be governed by the provisions in section 19 of the Madras Panchayats Act, 1958.

3. Under section 19 of the Madras Panchayats Act, 1958, the term of office of members of every Panchayat Union Council shall, save as otherwise expressly provided in the Act, be five years beginning on such date as may be notified by the Inspector in the case of each Panchayat Union Council. The intention behind the above provisions fixing the term as five years as in the case of Panchayats is that the elections of members, presidents and vice-presidents of panchayats and the election of the person to be the member of the Panchayat Union Council should be conducted successively in the same year and that their term should expire on the same date. Therefore, the term of office of members of the Panchayat Union Councils constituted for the first time under the Madras Act 17 of 1960 will be fixed some time in 1963 when the term of office of members of Panchayats in several cases will expire.

4. The term of office of the co-opted members of the first constituted Panchayat Union Council will be the same as the term of the members of that council specified by notification under section 2 (1) (b) of the Madras Act 17 of 1960. As the term of the co-opted members will be automatically determined under section 19 of the Madras Panchayats Act, 1958, read with the notification issued under section 2 (1) (b) of the Madras Act 17 of 1960, there is no need either to specify the term of office of the co-opted members as such or to issue any notification separately in that behalf.

1 Government Memo. No. 5306, L-Spl/62-4, dated 27th March 1962.

2 Government Memo. No. 208917, L-Spl/62-4, dated 22nd January 1963.

3 Government Memo. No. 107600, L-Spl/63-2, dated 27th June 1963.

(12-4). *Scope of sections 5 and 6 of Madras Act 27 of 1961.*—Section 3 of the Madras Panchayat Union Councils (Special Provisions for First Constitution) Act, 1960 (Madras Act 17 of 1960) provides that a panchayat union council constituted for a panchayat union for the first time shall consist of persons who are holding office as presidents of panchayats in the union on the date of constitution of the panchayat union council under section 11 (1) of the Madras Panchayats Act, 1958. Thus the qualification for a person to be a member of the first panchayat union council is that he should have been the president of a panchayat on the date of constitution of a Panchayat Union Council for the Panchayat Union.

2. A strict interpretation of the Act has led to certain anomalies as stated below:

(i) In case a person who was the President of a Panchayat on the date of constitution of a Panchayat Union Council; and *ipso facto* a member of that Panchayat Union Council, subsequently ceased to be the President or member of the panchayat concerned, he continued to be a member of the Panchayat Union Council;

(ii) In cases where the office of president of a panchayat in a panchayat union was vacant on the date of the initial constitution of a first panchayat union council that panchayat went without any representation in the Panchayat Union Council even though subsequently a President might have been elected for the Panchayat;

(iii) In cases where panchayats came into existence after the initial constitution of a panchayat union council either on account of bifurcation of the existing panchayat or constitution of a new panchayat for a new area, the panchayat could not send its representative to the panchayat union council.

3. In order to remove the above and similar anomalies, the Madras Panchayat Union Councils (Special Provisions for First Constitution) Act, 1960 (Madras Act 17 of 1960) has since been amended by sections 5 and 6 of the Madras Panchayats (Extension to Transferred Territory) and Panchayat Union Councils (Special Provisions for First Constitution) Amendment Act, 1961 (Madras Act 27 of 1961)—(extracts appended). Under section 2 (1) (a) of Madras Act 17 of 1960 as amended by section 5 of Madras Act 27 of 1961, a panchayat union council constituted for any panchayat union for the first time under the said Act shall consist of the presidents for the time being of the panchayats and the chairmen for the time being of the township committees in the panchayat union. Under

new section 4 (2) of Act 17 of 1960 inserted by section 6 of Act 27 of 1961 any member of a Panchayat union council holding office as such member by virtue of the provisions of Madras Act 17 of 1960 at the commencement of Madras Act 27 of 1961 shall cease to be a member of such Panchayat union council—

(a) on such commencement, in case he has ceased to be the president of any Panchayat in the Panchayat union concerned before such commencement, and

(b) on the date on which he ceases to be such president in other cases, unless he is entitled to continue as a member of a Panchayat union council in any other capacity.

A question has been raised whether the term "the President for the time being of a Panchayat" occurring in section 3 of Madras Act 17 of 1960 as amended, would include the Vice-President, or the temporary President of a Panchayat also, when the functions of the President devolve on the Vice-President or when the functions of the President are devolved on a member under section 34 of the Madras Panchayats Act, 1958; and, if so, whether such Vice-President or temporary President can attend the meetings of the Panchayat Union Council as representatives of the Panchayat concerned.

2. Section 34 (1) of the Madras Panchayats Act, 1958, provides that when the office of the President is vacant, the Vice-President shall exercise the functions of the President until a new President is declared elected and assumes office. A Vice-President is thus in charge of the office of the President and he does not become the President *as such* for the time being. In other words, he continues to be the Vice-President of the Panchayat exercising the functions of the President, whose office is vacant. Hence, it cannot be said that he is the President for the time being within the meaning of section 2 (1) (a) (i) of Madras Act 17 of 1960 as amended by Madras Act 27 of 1961, so as to become a member of the Panchayat Union Council.

3. The position set out in paragraph 2 would hold good in the case of a temporary President.

(Memorandum No. 206417/L.Spl./63-1, dated the 22nd January 1963.)

The presumption that a President of a Panchayat who has been restrained from discharging his duties as such under section 189 (2) of the Madras Panchayats Act, 1958 cannot discharge the duties of a member of a Panchayat Union Council till he is allowed to resume his duties as President is correct.

(Memorandum No. 107600/L. Spl./63-2, dated 27th June 1963.)

1. MODE OF TRANSACTING BUSINESS.

1. (1) Unless the Government by order otherwise direct the office of the Panchayat union council shall be located in the Block Development Office concerned.

(2) No meeting shall be held on any day declared by the Government as holiday and on other local holidays declared by the Collector.

(3) The Panchayat union council shall meet in the office so located for the transaction of its business upon such days and at such times as it may arrange and also at such other times as often as a meeting shall be called by the chairman.

2. (1) No meeting shall be held unless notice of the day and time when the meeting is to be held and of the business to be transacted thereat has been given at least five clear days before the day of the meeting.

(2) In cases of urgency, the chairman may convene a meeting on giving notice of not less than twenty-four hours.

(3) The agenda for the meeting shall be prepared by the Commissioner in consultation with the chairman. The Commissioner may include in the agenda any subject which in his opinion should be considered by the council and shall include therein any subject specified by the chairman. On any subject included in the agenda, the chairman as well as the Commissioner shall have the right of recording his views in a note and such note shall be circulated to the members or placed before the council before or at the time of the consideration of such subject by the council.

3. (1) The chairman shall, on the requisition in writing of not less than one-third of the members then on the council, convene a meeting of the council provided that the requisition specifies the day when and the purpose for which the meeting is to be held. The requisition shall be delivered at the panchayat union office during office hours to the chairman, or any other person who may then be in charge of the office at least ten clear days before the day of the meeting.

(2) If the chairman fails within forty-eight hours from the delivery of such requisition to call a meeting on the day specified therein, or within three days thereafter, the meeting may be called by the members who signed the requisition on giving the notice provided for in sub-rule (1) of rule 2 to the other members of the council.

4. All meetings of the council shall be open to the public provided that the presiding member may and at the request of the council shall in any particular case, for reasons to be recorded in the minute book kept under rule 9 direct that the public generally or any particular person, shall withdraw.

5. All questions which may come before the council at any meeting shall be decided by a majority of the members present and voting at the meeting and, in every case of equality of votes, the presiding member shall have and exercise a second or casting vote.

6. No business shall be transacted at a meeting unless there be present at least one-third of the number of members then on the council.

7. If within half an hour after the time appointed for a meeting a quorum is not present, the meeting shall stand adjourned unless all the members present agree to wait longer.

8. No resolution of the council shall be modified or cancelled within three months after the passing thereof except at a meeting specially convened in that behalf and by a resolution of the council supported by not less than one-half of the sanctioned number of members.

9. Minutes of the proceedings at each meeting of the council shall be drawn up and entered in a book to be kept for that purpose; and shall be signed by the presiding member or in his absence by some one of the members present thereat; and the said minutes shall at all reasonable times and without charge, be open at the panchayat union office to the inspection of any member of the Panchayat Union Council and of any person who pays any tax under this Act to the panchayat union.

10. The Commissioner shall have the custody of the proceedings and records of the council and may grant copies of any such proceedings and records on payment of such fees as the council may by general or special order, determine. Copies shall be certified by the Commissioners as provided in section 76 of the Indian Evidence Act, 1872, and copies so certified may be used to prove the records of the council in the same manner as they may under sub-section (5) of section 78 of the said Act, be used to prove the proceedings of that body.

11. The committees constituted by the council under section 53 shall meet in the office provided by the panchayat union under rule 1.

12. The proceedings of every committee constituted or appointed by the Council under section 53 shall be recorded in writing and submitted to the Council.

(G.O. Ms. No. 1677, L.A., dated 8th October 1960.)

(G.O. Ms. No. 435, R.D. & L.A., dated 22nd February 1962.)

(G.O. Ms. No. 2400, R.D. & L.A., dated 5th November 1962.)

(G.O. Ms. No. 155, R.D. & L.A., dated 21st January 1965.)

(G.O. Ms. No. 2888, R.D. & L.A., dated 25th November 1965.)

(13) *Office Accommodation for Panchayat Union Councils*.—Under section 86 of the Madras Panchayats Act, 1958, the work connected with the National Extension Scheme is to be entrusted to the Panchayat Unions. The Government, therefore, direct that the office of the Panchayat Union and the existing Block Development Office should function as a single office in the same building.

Buildings for the Block Development Offices have been constructed already in a number of blocks. In these blocks, additional buildings will have to be provided for the Panchayat Union Council Hall and for providing office accommodation for the additional staff of the Panchayat Union Offices. Where no buildings have so far been constructed for the block office, entirely new buildings will have to be put up.

(Vide G.O. No. 503, Rural Development, dated 28th June 1960.)

(14) *Payment of rent by Panchayat Union Councils for occupation of Government Buildings*.—The Government direct that no rent need be paid by the panchayat unions for the occupation of Government buildings for office purposes.

(G.O. Ms. No. 1573, Rural Development and Local Administration, dated 3rd June 1961.)

(15) *Construction of compound wall and flag-mast by Panchayat Union Councils.*—Under section 139 (1) of the Madras Panchayats Act, 1958, the purposes for which the funds of the Panchayat Union Council may be applied include all objects expressly declared obligatory or discretionary by the Act or rules made thereunder or by any other law or rules and the funds shall be applicable thereto within the Panchayat Development Block. In view of this, the sanction of Government is not necessary to incur the expenditure on the construction of the compound wall and flag-mast from the Panchayat Union Council Funds.

(Memo. No. 107842/P-0/61-1, dated 3rd July 1961.)

(16) *Telegraphic address of Panchayat Union Councils.*—The Government have directed that the term 'Panchsam' be registered as telegraphic address for the Panchayat Union Blocks.

The expenditure on registration should be debited to "Contingencies—Recurring" of the respective Panchayat Union Councils.

(G.O. No. 798, Rural Development and Local Administration, dated 16th March 1961.)

(17) *Ordinary General Meetings—Panchayat Union Councils.*—The Madras Panchayats Act, 1958, provides that the panchayat union council shall meet at such times as may be prescribed provided that not more than sixty days elapse between two meetings of the Council. In view of the very large responsibilities entrusted to the Panchayat Union, especially under section 66 of the Madras Panchayats Act, 1958, Government feel that every Panchayat Union should meet regularly once in a month. The date for the meeting will be fixed by the Chairman of the Council. The Chairman of every Panchayat Union Council will be present at the meeting of the District Development Council to report to the District Development Council the progress of work in his block and to bring before the Council any difficulties and problems which are faced in the block in the implementation of various programmes. In order to enable the Chairman to do this efficiently and successfully, the Government feel that it is desirable that the ordinary general meeting of every Panchayat Union Council should be held between the 11th and 20th of each month.

(G.O. Ms. No. 1694, Rural Development and Local Administration, dated 16th June 1961.)

(18) *Continuance of the Meeting adjourned by Chairman.*—A question has been raised whether a meeting which has been adjourned by the Chairman could continue its session and demand the minutes book from the Commissioner, and whether it is not necessary to follow the procedure of asking for a meeting with the due notice if a further meeting is convened.

2. The rules relating to the mode of transaction of business at meetings of Panchayat Union Councils issued in Notification No. 10 of G.O. Ms. No. 1677, L.A., dated the 8th October 1960, do not contain any provision for the adjournment of meetings by the Chairman except for want of quorum. In the case of Municipal Councils, the Government have framed a set of Model Regulations for the conduct of business at meetings of Municipal Councils and recommended them to Municipal Councils for adoption. Under Regulation 3 of the Model Regulations referred to above, any meeting of the municipal council may be adjourned by the Chairman for valid reasons to be recorded in writing in the minutes book. Though these Model Regulations will not apply to meetings of panchayat union councils, it is considered that the Chairman of a Panchayat Union Council can adjourn any meeting of a panchayat union council for valid reasons to be recorded in writing in the minutes book. As such, when once a meeting is adjourned by the Chairman for valid reasons to be recorded in writing it cannot continue its session. If a further meeting is to be convened, it is necessary to follow the procedure prescribed in the rules relating to the mode of transaction of business issued under the Madras Panchayats Act, 1958. The above instructions may be followed for the conduct of meetings of panchayat union councils in future.

(G.O. Ms. No. 2292, Rural Development and Local Administration, dated 19th August 1961.)

(19) *Attendance of meetings of Panchayat Union Councils of Block Engineers and Assistant Engineers (Highways and Rural Works).*—The Government direct that (i) the Block Engineers should attend the panchayat development staff meetings; and (ii) that the Revenue Divisional Officer should send intimation of the meeting to the Assistant Engineers (Highways and Rural Works) concerned also who should attend as many staff meetings as possible.

(G.O. Ms. No. 2709, Rural Development and Local Administration, dated 4th October 1961.)

(20) *Village Meetings.*—During the conference of the Chairman of the Panchayat Union Councils of the first batch held in November-December 1961 it was gathered that in some of the panchayat unions it was the practice for the Chairman, the Commissioner and the Extension Officers to hold meetings in different villages at periodic intervals. During these meetings an opportunity is given to the residents of the village concerned and the neighbouring villages to represent their difficulties to the Chairman of the Panchayat Union Councils and the staff of the panchayat union. Such village meetings are found to have a salient effect in securing intensive village participation in the development programmes and in ensuring speedy redressal of local grievances. Government commend this system of village meetings to all the panchayat union councils.

(Memo. No. 2009/L-Spl./62-1, dated 16th January 1962.)

(21) *Attendance of meeting of panchayat union councils by Commissioners and Extension Officers.*—In order to promote the effective transaction of business at the meetings of the Panchayat Union Council and of the Committees of the Council, Government consider it desirable that the Commissioner should attend, as far as possible, even such of the meetings of the Council and of the Committees of the Council which he is not specifically required by the Chairman to attend.

It is the responsibility of the Panchayat Union Commissioner, as the administrative head of the Union, to make available at the meetings of the Panchayat Union Council and of the Committees thereof all information that will be required at such meetings. The Commissioner has to discharge this function irrespective of the fact whether he attends a particular meeting or not. If the Commissioner considers that the presence of any Extension Officer or all Extension Officers at any of the meetings will be necessary, it is his responsibility to make arrangements for this provided the Council or the Committee, as the case may be, has no objection to the presence of the Extension Officer(s) at the meeting. In these circumstances, there will be no occasion for the Chairman directly to ask any Extension Officer to be present at a meeting of the Panchayat Union Council or of any Committee thereof.

(Memo. No. 249429-B4/61-1, dated 29th January 1962.)

(22) *Supply of Agenda copies to Local Press.*—The Government direct that copies of the meeting notices and agenda of the meeting of the Panchayat Union Councils be supplied to the Local Press representatives.

(G.O. Ms. No. 587, Rural Development and Local Administration, dated 14th March 1962.)

(23) *Submission of Proceedings of Panchayat Union Councils.*—In exercise of the powers conferred by section 49 of the Madras Panchayats Act, 1958, the Additional Development Commissioner directs that the minutes of proceedings of panchayat union councils should be forwarded by the Chairmen of the Panchayat Union Councils to the Secretary of the District Development Council of the Development District concerned who should forward copies of such proceedings to the Collector and the Additional Development Commissioner for information and also forward, with the approval of the Collector, relevant extracts to the Chief District Officers or to the Government where further action is called for at the district level or at Government level, as the case may be.

(Proceedings No. 230314/L. Spl./60-1, dated 17th July 1961.)

(24) In view of the present National Emergency, detailed instructions have been issued from time to time by the Government regarding economy to be effected in the consumption of paper and other articles of stationery. In the light of this instruction, the Additional Development Commissioner directs that the practice of sending a complete copy of the minutes of proceedings of the meetings of panchayat union councils to the Additional Development Commissioner should be discontinued forthwith. Relevant extracts from the proceedings, requiring action at all levels, should continue to be sent to the concerned officers of the Government. The instructions issued in the proceedings of the Additional Development Commissioner, dated the 17th July 1961, accordingly, stand modified to this extent until further orders.

(Proceedings No. 232680/L.-Spl./62-1, dated 16th January 1963.)

(25) The intention in directing the Secretary of the District Development Council to forward one copy of the minutes of proceedings of the meetings of panchayat union councils to the Collector is that the entire proceedings should be brought to the notice of the Collector for his information; no action need ordinarily be taken on this, unless the Collector, *ex officio*, desires to take action on any of the points. If action is necessary on any specific point raised in the proceedings, it is the responsibility of the Secretary to the District Development Council to take up the matter with the District Officer concerned, or the Government, as the case may be, after obtaining the orders of the Collector.

(Memo. No. 148806/L.-Spl./61-1, Rural Development and Local Administration, dated 24th August 1961.)

(26) *Furnishing of Important Government Orders and Memoranda to Panchayat Union Councils.*—In order to ensure the successful participation of the Chairmen and members of the Panchayat Union Councils in the administration of the Panchayat Unions, it is necessary that they are kept regularly and sufficiently informed of the various instructions issued from time to time by Government.

2. Important Government orders and Government Memoranda which should be made known to every member of the District Development Council and/or every member of the Panchayat Union Council will, in future, be specifically marked as addressed to the District Development Councils and/or Panchayat Union Councils. The Collector shall ensure that all such references thus addressed to the District Development Councils, and other references which they may consider as important, are collected from the date of the previous meeting and are read out and explained to the members at the meeting of the District Development Council and formally recorded after this being read. The Commissioners of all Panchayat Unions shall follow a similar procedure with regard to orders addressed to the Panchayat Union Councils.

(Memo. No. 245328/L.-Spl./61-1, Rural Development and Local Administration, dated 20th December 1961.)

(2) *Panchayat Development Staff Meetings.*—Various instructions issued so far in the matter of implementation of the Madras Panchayats Act, 1954, have made the Revenue Divisional Officer fully responsible at the divisional level for the successful administration of Panchayat Development Programmes. Government have examined the necessity for issuing certain further instructions to assist the Revenue Divisional Officers to function effectively in this field. The following instructions are accordingly issued.

2. Orders have already been issued sanctioning expenditure for the construction of additional accommodation for the Divisional Panchayat Officer in the premises of the office of the Revenue Divisional Officer. The combined office should be reorganised in two sections, one as Panchayat Development section and the other as general section. The Divisional Panchayat Officer should in addition to exercising statutory assist functions vested in him serve also as the Personal Assistant to the Revenue Divisional Officer over the whole range of Panchayat Development Administration. The Head Clerk in-charge of the Panchayat Development Work should work under the immediate control of the Divisional Panchayat Officer.

3. All official correspondence from the Panchayat Union Offices addressed to the Collector should be routed through the Revenue Divisional Officer's Office, except in special classes of cases where this is specifically dispensed with by order of the Collector.

4. It is necessary to ensure every Revenue Divisional Officer to acquire and maintain detailed personal knowledge of all specific problems of Panchayat Development Administration in every block in his division. It is further necessary, in this process, to bring together the Block staff and Taluk Revenue staff so that they work together in close co-operation in furtherance of Panchayat Development. In order to secure these two important and related purposes Government direct the institution of a system of "Panchayat Development Staff Meetings" to be held once every month.

5. The Panchayat Development Staff Meeting should be held at the Taluk Headquarters once every month on dates suitably fixed. The meeting should be presided over by the Revenue Divisional Officer and would be attended by the Divisional Panchayat Officer and the Panchayat Development Head Clerk from the Revenue Divisional Officer's Office, the Subsidar and the Sub-Treasurer from the Treasury Office, the Panchayat Union Commissioner, the Panchayat Extension Officer and the Panchayat Union Office Manager of all blocks in the taluk.

6. The business to be transacted regularly at every monthly meeting will be as below:—

(i) *Pass Book and Monthly Financial Returns.*—The pass book should be written up and completed for every block. The prescribed Monthly Financial Returns should be got prepared, tallied (where necessary) between the Sub-Treasurer and the Panchayat Union Office, and approved by the Revenue Divisional Officer for submission to the Collectorate;

(ii) *Administrative Returns.*—Reviews of tour diaries and other prescribed periodical returns relating to Panchayat Development Administration should have been prepared in the blocks and the drafts brought to the meeting. After scrutiny at the meeting, the drafts should be justified for submission to the Collectorate;

(iii) After transaction of routine business as above, questions which may have arisen at the preceding meeting of the District Development Council or which may be expected to be brought up at the succeeding meeting of the District Development Council should be gone over. The Revenue Divisional Officer should keep himself thoroughly informed of the position in every block and give necessary guidance to the officers concerned;

(iv) If any special question has arisen in any matter relating to the collection or other work required to be done by village officers or the relations between them and the panchayats, it should be brought up at this meeting. Similarly any question of public land administration (e.g., acquisition, assignment, alienation or lease, removal of encroachments, etc.), which has cropped up in any village or been raised by any panchayat should be brought up at the meeting. Also any question for which the Revenue staff of the

district is administratively responsible and which may present a problem should be brought up and discussed. (Note.—The importance of this item of work is particularly stressed, Government desire it so be known that the quality of the Revenue Divisional Officer's work should be adjudged with reference to the success achieved by him in solving these day-to-day problems promptly and to the satisfaction of public opinion in the villages, and by his capacity to bring about harmonious co-operation between the Taluk staff, Block staff and village revenue establishments in furtherance of Panchayat Development.)

(v) Detailed record notes of the proceedings of these monthly staff meetings should be drawn up and maintained in the Revenue Divisional Officer's Office. The Divisional Panchayat Officer should be held responsible for ensuring that necessary follow-up action is taken on the record notes.

7. Once every year, a thorough inspection of every Panchayat Union Office in the division should be carried out by the Revenue Divisional Officer.

8. During his tours the Revenue Divisional Officer should pay visits to the Panchayat Union Offices and hold personal discussions with the Panchayat Union Chairman and Panchayat Union Commissioner and Extension Officers. Ordinarily, no Panchayat Union Office should be left unvisited by him for more than three months at a time.

(G.O. Ms. No. 1588, Rural Development and Local Administration, dated 5th June 1961.)

(28) *Term of office of the elected members of the Appointments Committee.*—Under section 53 (1) of the Madras Panchayats Act, 1958, one of the three persons composing the Appointments Committee is a member of the Panchayat Union Council elected annually by that council and hence a member so elected can hold office as a member of the Appointments Committee until another member is elected to the Committee in the next year.

(G.O. Ms. No. 787, Rural Development and Local Administration, dated 16th March 1961.)

(29) *Rights and privileges of co-opted members.*—Co-opted Councillors will have all the rights and privileges of elected members.

Co-opted members may be paid travelling allowances for attending meetings of the Panchayat Union Council at the rates admissible to members of Panchayat Union Council.

(Memo. No. 205684/L2/60-2, Rural Development and Local Administration, dated 4th March 1961.)

(30) *Co-opting of members to Appointments Committee.*—Sub-section (2) of section 53 of the Madras Panchayats Act, 1958, is very general in terms and empowers the panchayat union council to co-opt even outsiders as members of the Appointments Committee but the intention of the Government is, that the power of co-opting conferred by sub-section (2) should apply only to the committees referred to in clause (b) of sub-section (1) of that section, that is, the Education Committee, the General Purpose Committee and other committees referred in clause (b) but not to the Appointments Committee constituted under clause (a). Necessary action will be taken to suitably amend sub-section (2) to bring out this intention clearly. Till the sub-section is so amended, the panchayat union councils are requested to have regard to the position explained above and not to co-opt any person as member of the Appointments Committee.

(G.O. Ms. No. 376, Local Administration, dated 9th February 1961.)

(31) *Election of Member to the Appointments Committee.*—If it is held that a member elected to the Appointments Committee of a panchayat union council would hold office only for a period of one year from the date of his election it would result in the Chairman and the Commissioner functioning as the Appointments Committee without the elected member, when the election for a particular year is not held in time. It is considered desirable to allow the member elected for a particular year to continue to hold office until another is elected rather than to allow two of the three members of the Committee alone to function as the Committee.
(Memo. No. 160076/L-Spl./23-2, dated 23rd October 1962.)

(32) The Government direct that all correspondence between Panchayat Union Commissioners and Collectors, Revenue Divisional Officers and Heads of Departments should pass through the Chairman. The only exception which Government would allow to this general rule is the correspondence between the Commissioner and the Collector in matters involving the maintenance of law and order and other urgent matters which brook no delay and D.O. letters. Such correspondence need not pass through the Chairman.

2. The Commissioners may however discuss personally with Collectors any administrative questions whenever necessary.

(G.O. Ms. No. 333, Local Administration, dated 9th February 1961.)

(33) *Mode of addressing Government and Additional Development Commissioner.*—In Memo. No. 1080 RDP-1/55-1, dated 9th March 1955 instructions were issued to the Block Development Officers that they should not address the Government direct but only through the Collectors except in very urgent cases. The above instructions were once again reiterated in Memo. No. 20558 T1/61-1, dated 15th February 1961 as it was noticed that the Government continued to be addressed direct by the Block Development Officers even in cases where the instructions could have easily been given by the Revenue Divisional Officers or Collectors concerned.

2. In spite of these repeated instructions, references continue to be received direct by Government from Block Development Officers-*cum*-Panchayat Union Commissioners even in very routine matters. Such references were, however, entertained till now by the Government and orders passed thereon because it was noticed that during the period of transition from Block Development stage to Panchayat Union stage, a variety of doubts happened to arise in various quarters on matters of administration and it was considered expedient for Government to clear those doubts with the least possible delay without waiting for reports from Collectors. The procedure in various matters of administration have more or less been settled by now and comprehensive instructions issued. The Panchayat Union Commissioners need not in future approach Government direct for instructions and advice on every occasion since it should now be possible for the Revenue Divisional Officers and the Collectors to guide the Panchayat Unions. In such of those cases where the Revenue Divisional Officers and the Collectors are not in a position to give the advice or instructions sought for, it is open to the Collectors to address Government in the matter.

3. The Block Development Officers-*cum*-Panchayat Union Commissioners are, therefore, informed that in future references addressed by them direct to Government will not be entertained. However, direct references from the Block Development Officers-*cum*-Panchayat Union Commissioners relating to urgent cases like grant sanctions where immediate orders will be required, will continue to be entertained.

(Memo. No. 45817/E4/62-1, dated 7th May 1962.)

(24) In G.O. No. 2147, Rural Development and Local Administration, dated the 28th September 1962, the office of the Inspector of Municipal Councils and Local Boards has been redesignated as the office of the Additional Development Commissioner. The Chief Electoral Officer and ex-officio Deputy Secretary to Government, Rural Development and Local Administration Department working under the Additional Development Commissioner has been placed in overall charge of this office. In G.O. No. 2143, Rural Development and Local Administration, dated the 28th September 1962, the designation of the post of Personal Assistant to the Inspector of Municipal Councils and Local Boards has been changed to Personal Assistant to the Additional Development Commissioner.

2. The following instructions are issued regarding the mode of addressing the office of the Additional Development Commissioner on subjects relating to Municipalities, panchayats and panchayat unions:—

(i) All correspondence relating to municipal administration should be addressed to the Chief Electoral Officer, Office of the Additional Development Commissioner, Old High Court Buildings, Madras-1, as the Chief Electoral Officer has been appointed as the officer to inspect and supervise the operations of all the municipalities in the State and as the branch dealing with municipal administration in the Additional Development Commissioner's Office will be under his control.

(ii) All correspondence relating to the panchayat unions and the panchayats should be addressed to the Additional Development Commissioner, Office of the Additional Development Commissioner, Old High Court Buildings, Madras-1.

3. The Additional Development Commissioner is also ex-officio Additional Secretary to Government in the Rural Development and Local Administration Department. The functions and powers of these two posts are distinct and separate. However, it is noted that this distinction is not being maintained in the correspondence addressed to the Additional Development Commissioner and the Additional Secretary to Government. Correspondence intended for orders of Government in the Rural Development and Local Administration Department are sometimes received as addressed to the Additional Development Commissioner. Similarly, correspondence intended for the Additional Development Commissioner either in his capacity as the Head of the department for Block Development Officers, Extension Extension Officers, Gramasavaks, etc., or in his capacity as the Inspector of Panchayat Union Councils are received as addressed to the Additional Secretary to Government. The distinction may be taken note of and all communications intended for the Additional Development Commissioner addressed to the Office of the Additional Development Commissioner, Old High Court Buildings, Madras-1 and all communications intended for the Additional Secretary to Government in the Rural Development and Local Administration Department addressed to Fort St. George, Madras-9.

(25) Use of postage stamps by Panchayat Union Councils.—The Commissioners of panchayat unions may, use the service postage stamps up to 51st March 1961 and debit the expenditure thereon to Block Schematic budget. With effect from 1st April 1961, Panchayat Union Commissioners should use ordinary postage stamps only with perforation for the correspondence relating to panchayat union offices.

With regard to the supply of a perforating machine to the panchayat union offices, the Commissioners can meet the expenditure from the allotment made under contingencies in the respective panchayat union budgets.

(Memo. No. 185266/L-2, dated 7th December 1961.)

(26) Purchase of perforating machine.—The Government direct that the letters "L.F.D." be perforated on ordinary postage stamps used on all official correspondence of panchayat unions. The Commissioners of Panchayat Unions are requested to adopt the procedure laid down in instruction 324 of the Local Boards Manual for the purchase of postage stamps and keeping accounts.

Panchayat Unions should obtain the perforating machines from Public Works Workshops only.

(Memo. No. 3658/L2/61-9, dated 5th March 1961.)

(27) A conference of the Chairmen of all the Panchayat Union Councils in the State was held at Tiruchirappalli in July 1962 under the auspices of the Madras State Union of Panchayats. The presidents of the Taluk Associations of panchayats also were present at that conference. The conference passed resolutions on important matters affecting the Panchayat Union Administration and appointed an *Ad Hoc* Committee consisting of 21 select Chairmen of panchayat union councils to discuss with the Chief Secretary certain other matters brought by the Chairmen of the Panchayat Union Councils before the conference. The *Ad Hoc* Committee met the Chief Secretary and discussed with him the matters referred to it by the conference. The annexure to this order gives extracts (Section VI, paragraphs 14 to 21, Section X, paragraph 42 and section XV, paragraph 67) from the record note of discussions held by the Chief Secretary with the *Ad Hoc* Committee so far as they relate to General Administration of the panchayat unions. The Government have examined the points which arose during the discussion and proceed to pass the following orders.

2. *Definition of responsibilities of the Chairman and the Commissioner.*—The Government consider that the time has now arrived to define the scheme of the Madras Panchayats Act, 1958, in providing a whole-time officer—Panchayat Union Commissioner—as executive authority for the panchayat union and to issue suitable procedural instructions for establishing good relationship between the Chairman and the Commissioner. As stated at the conference, the scheme of the Madras Panchayats Act, 1958, is as follows:—

(i) The Council is the governing body of the Panchayat Union entitled to give directions to the executive authority.

(ii) The Commissioner is the executive authority in whom the executive functions of the panchayat union are vested and he is expected to carry out all the lawful decisions and directions of the council.

(iii) The Chairman, as the presiding officer of the council, represents the council in the day-to-day administration of the panchayat union and is entitled to be kept continuously informed of the working of the executive authority. It will be consistent with this scheme for Government to prescribe prior consultation by the Commissioner with the Chairman in respect of those matters on which such consultation would be conducive to the smooth working of the scheme by the Commissioner, the Chairman and the council.

The Government wish to impress on all concerned, namely, the Commissioner, the Chairman and the Council, to give effect to the scheme of the Act and the policy of Government as thus set out.

3. *Bi-monthly meeting of Revenue Divisional Officers and Panchayat Union Chairmen.*—Instructions have been issued in G.O. Ma. No. 1588, Rural Development and Local Administration, dated 5th June 1961, that in order to ensure that every Revenue Divisional Officer shall acquire and maintain detailed personal knowledge of all specific problems of Panchayat Development Administration in every Block in his division, and to bring together the Block staff and the Taluk revenue staff, Panchayat Development Staff meetings shall be held by the Revenue Divisional Officer once a month at every Taluk headquarters which shall be attended by the Divisional Panchayat Officer, the Panchayat Development Head Clerk of the Division Office, the Taluk Officer, the Sub-Treasury Officer and Managers of Panchayat Union Office of all the panchayat unions in the taluk. These meetings give an opportunity to the Panchayat Development staff to discuss their problems with the Revenue Divisional Officer. In the light of discussions recorded in paragraph 42 of the Annexure, the Government direct, in addition, that a bi-monthly meeting shall be held at the Revenue Divisional Office which shall be presided over by the Revenue Divisional Officer and at which the chairmen of all panchayat union councils in the division should be invited to be present. These meetings which shall not be open to any one other than panchayat union chairmen shall be held ordinarily in the months of January, March, May, July, September and November. These meetings may be devoted to (i) a preliminary discussion of the topics which are to be brought before the next meeting of the District Development Council; and (ii) such matters relating to the day to day working of Panchayat Unions as may be brought up either by the Revenue Divisional Officer or by any Panchayat Union Chairman.

4. *Panchayat Union Correspondence.*—Under section 36 (4) of the Madras Panchayats Act, 1958, no official correspondence between the panchayat union council (i.e., as represented by its executive authority, viz., the Commissioner) and the Government shall be conducted except through the chairman. In G.O. Ms. No. 232, Rural Development and Local Administration, dated 9th February 1961, Government have also directed that all correspondence between the Panchayat Union Commissioners and the Collectors, the Revenue Divisional Officers and the Heads of Departments should pass through the chairman except those relating to maintenance of law and order and urgent matters which will brook no delay and demi-official letters. The following further instructions are now issued:—

(i) *Incoming tappals.*—All incoming tappals, whether addressed to the commissioner direct, or to the commissioner through the chairman, or to the chairman shall be opened by the commissioner. Communications addressed to the commissioner by name shall be opened only by the commissioner himself. Communications addressed to the chairman by name shall be sent to the chairman unopened. In practice, tappals other than those addressed by name are opened by the Manager of the panchayat union office with reference to paragraph 14 of the Government Memorandum No. 164207/21/59-5, dated the 6th April 1961. The tappals opened by the Manager shall immediately after perusal by the commissioner be sent to the chairman in office, if he is attending office, or, to his residence, for perusal. References received by the Commissioner which are of a strictly confidential character, e.g., those relating to law and order, need not be sent to the chairman. In cases where urgent action is indicated, a copy of the references may be taken and action pursued, and the original sent to the chairman for perusal. It shall be incumbent on the chairman to ensure that tappals are perused by him and returned to the office with the least possible delay, and, in any case, in less than twenty-four hours time.

(ii) *Outgoing tappals.*—As already stated, all correspondence from the Commissioner to the Government, the Collector, the Revenue Divisional Officer and the Heads of Departments have to be routed through the Chairman. A question has been raised in this connection as to whether, while forwarding the reference, the chairman may offer his own remark on the reference. Government recognise this right of the chairman; but consider it more appropriate that in such of those cases where the chairman happens to hold views divergent from those of the commissioner, the prescribed procedure should enable them to discuss the matter and, as far as possible, communicate only an agreed decision to the outside office. In order to facilitate this, Government direct that in cases other than those of a purely routine nature and of the nature of interim replies the commissioner shall put up the signed fair copy of the outgoing letter together with the office copy and connected papers to the chairman who will peruse the same and forward the reference as is even now being done. Where, the chairman disagrees with the commissioner, the chairman and the commissioner shall discuss the matter and endeavour to arrive at an agreement. In cases no agreement is found possible the chairman shall call for the relevant file and record his own views in the matter in the office copy and in the fair copy and forward the fair copy.

There are certain subjects such as sanction of loans which have been entrusted to the panchayat union commissioner in his capacity as a Block Development Officer. These subjects will continue to be dealt with by the Block Development Officer on his own responsibility. But even in regard to those subjects all requests from the chairman for information should be promptly complied with.

(iii) *Weekly index of disposals.*—The Commissioner shall arrange to prepare a weekly index of disposals and communicate it to the chairman for perusal.

5. *Block Jeep.*—The Panchayat Union Chairmen have been empowered to visit panchayat union elementary schools and other institutions. They will also find it necessary to visit the villages in the Block in order to ascertain the progress of development schemes executed to the panchayat union, whether such schemes are implemented directly or through panchayats. To discharge these responsibilities the chairman will, from time to time, require the use of the block jeep. In order to ensure that the block jeep is put to the best use by the chairman and the block staff with the maximum economy, Government direct that the commissioner shall draw up a weekly programme for the jeep in advance, in consultation with the chairman.

6. *Certain questions relating to Panchayat Union Employees.*—In respect of orders issued by the Commissioner relating to the posting, transfer, or punishment of any employee of the panchayat union, Government accept in principle, the need for prior consultation of the chairman by the commissioner and direct that the procedure indicated by the *Ad hoc* Committee in paragraphs 17 and 20 of the Revised Note in the annexure shall be followed by the Commissioner. Government observe that this principle and procedure will not be applicable to the Government employees borne on the Extension Service Establishments whose services are placed at the disposal of panchayat unions.

7. *Quarterly Progress Reports.*—The Panchayat Union Council as the agency which sanctions the expenditure and passes the accounts of the panchayat union has the right and the responsibility to be informed systematically of the progress in the various programmes and the duty of keeping such progress under regular review. The Government direct that the Commissioner of the Panchayat Union should prepare and place before the Council Progress Reports as below:—

(i) *Quarterly Progress Reports on Works Programmes* in the months of January, April, July and October.

(ii) *Quarterly Progress Reports on Production Programmes* in the months of February, May, August and November; and

(iii) *Quarterly Progress Reports on Education, Health and Welfare Programmes* in the months of March, June, September and December.

The forms and contents of these progress reports to be compiled will have to be standardised on a state-wide basis eventually. It is not, however, proposed to undertake such standardisation during the next year. Collectors are, therefore, requested to issue instructions as they may consider suitable in respect of the form and contents of these progress reports.

8. *Quarterly Review of Progress Reports.*—Collectors are also requested to arrange for punctual submission to them of copies of Quarterly Progress Reports placed before Panchayat Union Councils, together with extracts of proceedings of Panchayat Union Councils relating thereto, and to prepare and issue reviews of all such progress reports for all Block of each Development District separately. Copies of these reviews should be made available to the District Development Councils and also to the Government for information.

9. *Pre-Council staff meetings.*—Government consider it necessary that the chairman should be given an opportunity directly to acquaint himself with the work of the Extension Officers. It is now the practice in the panchayat unions to hold a staff meeting once in a fortnight presided over by the commissioner and attended by all the Extension Officers and Gramasavaks in the Block at which the progress of the work and schemes is reviewed. It is desirable that one of these meetings which may be referred to as the "Pre-Council Staff meeting" is presided over by the chairman instead of the commissioner. This will afford an opportunity to the chairman to familiarise himself with the details of the work and schemes in his union and to give suitable advice and guidance to the commissioner and other extension staff. At these meetings which shall be known as the Pre-Council staff meetings; the chairman shall discuss with the commissioner and the Extension Officers concerned the draft of the periodical progress report referred to in the previous paragraph. The draft report to be placed before the next meeting of the panchayat union council should be so placed only after it is finalised at the staff meeting.

Annexure.

SECTION VI.

To establish good relationship between the Panchayat Union Chairman and the Commissioners.

(a) The tappals (post) intended for the Panchayat Union though addressed to the Commissioner, should be sent to the Union Office only after perusal by the Chairman.

(b) The tappals intended for District Officers and all other officers should be sent through the Union Chairman.

(c) The transfers of the Panchayat Union teachers and Union and NRS staff should be effected by the Commissioner only after obtaining the consent of the Union Chairman. In respect of the teachers and staff newly appointed in a Union, the Commissioner should post them to particular places only after obtaining the consent of the Chairman.

(d) The tour programme and the monthly diaries of all the Extension Officers of the Panchayat Union should be put up to the Chairman for perusal and review.

(e) All final orders to be issued by the Union Commissioner, in particular those dealing with punishment of the Union staff the removal of the Union staff from service, the staff promotions and assignments of responsibilities, should be issued only after the approval of the Chairman.

(f) The Jeep in the Panchayat Union Office should be under the control of the Chairman.

14. The Committee made a number of suggestions for establishing good relationship between the Panchayat Union Commissioners and the Chairmen. A few instances were mentioned where Commissioners showed utter disregard to the Chairmen and questioned even the Chairmen's right to know the progress of any developmental activity. Other instances were mentioned of Commissioners canvassing no-confidence motions. It was also suggested that if glaring faults on the part of the Panchayat Union Commissioners are to be avoided, the Collectors should be held personally responsible and should exercise disciplinary control over Panchayat Union Commissioners as effectively as they are now doing in respect of Tahsildars. Extension Officers in the Panchayat Unions should also be under the control of the Collectors. At present, the Collectors pleaded that they cannot even transfer the Commissioners or Extension Officers. Chief Secretary promised to go into the question and issue suitable orders.

15. As concrete proposals for ensuring proper understanding between the Panchayat Union Chairmen and the Commissioners, the Committee made various suggestions of which under (a) and (b) the Committee desired that the Chairman should be kept aware of not only the tappals received in the Panchayat Union Office from all sources but also of all out-going tappals from the Panchayat Union Office to various officers including Collectors and Government. It was agreed that to facilitate or secure those objectives it will be better that the Commissioner opens all tappals whether addressed to him or to Chairman and puts them up to the Chairman for perusal. In respect of urgent tappals which cannot brook even a day's delay, action should be taken by preparing copies of such references, the originals being sent with the rest of the tappals to the Chairman. The Committee also assured that the Chairman would return the tappals immediately after perusal.

16. The question of out-going tappals was raised. The Chief Secretary promised that the whole question of procedure to be followed in Panchayat Union Offices will be reviewed from the point of view of putting the Chairman in possession of full knowledge of what is going on, and of ensuring that he is consulted where such consultation may be prescribed by Government. The Chief Secretary explained that the scheme of the Act is as follows:—

- (i) the Commissioner is the executive authority, not the Chairman;
- (ii) the Council is the Governing Body, entitled to give directions to the executive authority; and
- (iii) the Chairman is the representative of the Council. When the Council is not in session, and, as such, entitled to be kept continuously informed of the working of the Executive Authority.

It would be consistent with this Scheme for Government to prescribe prior consultation with the Chairman in respect of those matters on which such consultation by the Commissioner would be conducive to the smooth working of the scheme by the Commissioner, the Chairman and the Council.

So far no hard and fast rules have been prescribed, because it was necessary to allow some time for gaining experience and for informal conventions to grow up on the basis of experience.

In many Panchayat Unions, sound conventions have, in fact, grown and have helped the Commissioner as well the Chairman. We should now go a step further and issue suitable procedural instructions on the subject.

17. The Committee brought to the notice that transfers of school teachers who'd the Commissioner is authorised to effect causes the Chairmen some embarrassment when representations are made to them by the concerned teachers. Not being aware of the circumstances in which a particular teacher has been transferred, the Chairman is unable to give any reply whatsoever in support of the transfer. The Committee, therefore, represented that the Commissioners should transfer the teachers only after consulting the Chairmen. Chief Secretary stated that this difficulty had come to notice already and was under active consideration. The lines of thinking so far on this subject are as follows:—

A distinction should be made between annual transfers made at the end of the academic year and the other casual transfers of school teachers that are made in the course of the year. The annual transfers could be effected in consultation with a small Committee which might perhaps be the Appointment Committee. Casual transfers which are done during the academic years and when necessity arises (either on public grounds or on personal grounds) might well be done only after consulting the Chairman. The Committee agreed with the Chief Secretary's views. But the crucial or delicate stage would arise when the Chairman did not agree with the Commissioner. There was prolonged discussions of the manner in which provision should be made for his contingency. Eventually the Committee gave out as its unanimous desire that in the case of difference of opinion with the Chairman, the Commissioner should be required to issue order with the prior concurrence of the Revenue Divisional Officer after apprising the latter of the difference of opinion.

18. The Committee suggested that four programmes and monthly diaries of the Extension Officers in the Panchayat Union should be put up to the Chairman for perusal and review. After some discussion Chief Secretary remarked that an effective system of review should be devised. Mere four programmes or diaries will only give an opportunity to the Chairman to make some observations on paper which may or may not have practical effect. On the other hand if out of the two fortnightly staff meetings which are held by Commissioner one is converted into a Chairman's meeting, the Chairman would have an opportunity of reviewing the progress of work done by each of the Extension Officers. The Chairman could offer his suggestions and advice. He can also familiarise himself with the details of matters likely to come up for discussion in the next succeeding meeting of the Council (between the 11th and 20th of the month).

19. Arising out of the foregoing, Chief Secretary referred to the absence under existing arrangements of any progress report being rendered to and being discussed by the Panchayat Union Council. He had raised the subject long ago, but it had not been proceeded with. It is not sufficient that the Panchayat Union Council is merely called upon to sanction expenditure and pass the accounts—important as that function, undoubtedly is. What is necessary is that the entire Council should know what is happening as a result of that expenditure, what progress is being made with the production programme, the works programme and the programme of education and other services. It is only then that the members of the Council—the Panchayat Presidents—would become personally involved and thereby become effective participants in the development of the Block. Failure to prescribe such progress reports is a serious omission. We should rectify this at once. A new system of progress reports to be placed before the Panchayat Union Council, should be worked out and prescribed. It should be the duty of the Chairman to consider each draft progress report, in consultation with the Commissioner or the Extension Officers concerned, and the draft should be finalised after such consultation. It is only when this is done,

the extension services will work efficiently. The Chairman will then find that he is enabled to perform really useful functions as the authorised representative of the Council in its relation with the Executive Authority.

20. The next point raised by the Committee related to final orders issued by the Panchayat Union Commissioners, in particular, those dealing with the punishments on the Union staff, including school teachers. As in the case of transfers, it was agreed that the punishments must be imposed by the Commissioner after consulting the Chairman in all cases. In case of divergence between them the Commissioner should be obliged to act with the prior concurrence of the Revenue Divisional Officer.

21. The Committee desired that the jeep in the Panchayat Union Office should be under the control of the Chairman. A number of instances were brought to notice in which not only the Commissioners denied the use of jeep to the Chairman but even the drivers declined to carry out the Chairman's orders. The discussion then recurred round to the various ways in which Block jeeps are being used at present. Having regard to the use of the jeep by the various District Officers who tour the Block and also its being required occasionally for use in connection with the visits of V.I.Ps., etc. Chief Secretary suggested that the Commissioner must draw up a weekly programme for the jeep in advance in consultation with the Chairman. It would then be possible to take into account not only the needs of the District Officers and Collector in connection with the V.I.Ps. visits but also that of the Chairman and the Extension staff in the Block. The Committee welcomed this suggestion. Orders will be issued accordingly.

SECTION X.

42. The Committee also suggested that the Divisional Officers must hold monthly conferences with the Chairmen in their jurisdiction to facilitate the disposal of pending matters. Chief Secretary felt that these meetings if held by the Revenue Divisional Officers at two monthly intervals, (preferably in the month between two District Development Council meetings) would be very helpful. Circular to issue to all Collectors on these lines.

SECTION XV.

The relationship between the Chairmen and the Extension Officers.

57. This is more less an amplification of point (6-d) pertaining to the relationship between the Chairman and the Extension Officers. It was agreed that the monthly meetings presided over by the Chairman of the Panchayat Union will bring him in close touch with the Extension Officers and thereby the relationship between the two will develop properly.

(38) *Grant of casual leave to Panchayat Union Commissioners.*—The Government direct that Panchayat Union Commissioners should obtain the previous sanction of the Chairman whenever they require casual leave or purpose to avail themselves of holidays and leave the station. In cases of emergency, however, where such previous sanction cannot be obtained in time, the Panchayat Union Commissioners will be permitted to avail themselves of casual leave or holidays and leave the station in anticipation of the sanction of the Chairman, after recording in writing the reasons necessitating such a course. In every case, the Panchayat Union Commissioner should send previous intimation to the Revenue Divisional Officer concerned.

(G.O. Ms. No. 230, L.A., dated 22nd January 1961.)

(39) *Review of the Diaries of Panchayat Union Commissioners.*—The Government direct that a copy of the diary of the Panchayat Union Commissioner should be submitted to the Revenue Divisional Officer for review through the Chairman of the Panchayat Union Council who may add his remarks while forwarding the diary to the Revenue Divisional Officer.

The Government also direct that the Panchayat Union Commissioner should place the diary of the outdoor work done by him each month before the Panchayat Union Council for its information, at its first meeting in the succeeding month.

(G.O. Ms. No. 231, L.A., dated 22nd January 1961.)

(40) *Submission of copy of tour programmes to Chairman.*—The Government direct that the Block Development Officers (Panchayat Union Commissioners) and the Extension Officers should invariably send a copy of their tour programmes in advance to the Chairmen of the Panchayat Union Councils concerned.

(Memo. No. 5432/L1/61-2, dated 13th February 1961.)

It has been represented to Government that some of the District Officers are not visiting the Panchayat Unions regularly and inspecting the works and schemes relating to their departments undertaken in those Unions. Government consider that periodical visits by the district officers and inspection by them of the works and schemes relating to their departments will have a salutary effect on the progress of such works and schemes. Such visits are also necessary for ensuring that the Extension Officers concerned are contributing their best in making the programme a success.

2. Government therefore, direct that the district officers belonging to the Departments of Agriculture, Animal Husbandry, Co-operation, Education, Rural Works, Woman's Welfare and Public Health shall visit all the Panchayat Unions in their jurisdiction at least once in six months, stay in the Panchayat Union at least for two nights, make the necessary inspection and critically review all aspects of developmental work relating to their department. The Director of Agriculture, the Director of Animal Husbandry, the Registrar of Co-operative Societies, the Director of Public Instruction, the Chief Engineer (Highways and Rural Works), the Director of Women's Welfare and the Director of Public Health are requested to issue suitable instructions in this matter to the District Officers under their respective departments.

3. A visitors' book shall be maintained in all the Panchayat Union Offices in which the visiting district officer shall enter his inspection report on the spot. A formal inspection report may not be necessary in such cases. The Panchayat Union Commissioner shall take necessary action on the remarks entered in the visitors' book and enter the fact of having done so in the visitors' book. Collectors and Revenue Divisional Officers during their visits to the Panchayat Union Offices shall examine the visitors' book and see whether prompt action has been taken on the remarks made by the visiting district officers.

The Government observe that in connection with the anniversary celebrations of Panchayat Union Councils, several Panchayat Unions have published souvenirs, most of them containing photographs of leaders, Panchayat Union Councillors and other non-officials, printed on costly paper. Presumably donations are collected from Presidents of Panchayats and other persons and advertisements charges from firms to meet the cost of publishing the souvenir. It is considered desirable that commissioners should not undertake the publication of such souvenirs as their own personal responsibility. If Panchayat Union Councils desire to bring out souvenirs the procedure set out below may be followed—

(i) A Sub-Committee of the Panchayat Union Council may be formed for the purpose consisting of the Chairman of the Panchayat Union Council and such other member of the council as may be considered necessary.

(ii) Money received towards the publication of the souvenir should be handled only by the Chairman or by some other non-official member of the Sub-Committee authorised in this behalf by the Sub-Committee. The Panchayat Union Commissioner should on no account handle the cash.

(iii) Proper account for the amounts collected and spent should be maintained and should be placed before the panchayat union council for information.

2. The Commissioners of Panchayat Unions are requested to follow strictly the instructions contained in this memorandum.

(41) *Change of name boards of institutions.*—The Government direct that the name boards of the institutions so far maintained by the Local Bodies and transferred to the Panchayat Unions for maintenance in all rural districts in the State be changed suitably such as Panchayat Union School, Panchayat Union Dispensary, etc.

2. The expenditure incurred should be met from the Panchayat Union Funds.

(G.O. Ms. No. 1739, R.D. & L.A., dated 22nd June 1961.)

(42) *Purchase of Fort St. George Gazette.*—The Government permit the Panchayat Union Councils to purchase a full copy of the Fort St. George Gazette for their use from the Panchayat Union General Fund.

(G.O. Ms. No. 1114, R.D. & L.A., dated 17th April 1961.)

(43) *Purchase of District Gazette by Panchayat Union Councils.*—The Government permit the Panchayat Union Councils to purchase copies of the District Gazette of their districts concerned for their use, from the Panchayat Union General Fund.

(G.O. Ms. No. 1907, R.D. & L.A., dated 10th July 1961.)

2. ELECTION OF CHAIRMEN AND VICE-CHAIRMEN OF PANCHAYAT UNION COUNCILS.

1. These rules may be called the Madras Panchayat Union Councils (Election of Chairmen and Vice-Chairmen) Rules, 1960.

2. The election of the Chairmen or Vice-Chairmen shall be held in the office of the panchayat union by the members of the panchayat union council at a meeting specially convened for the purpose.

3. (1) The meeting for the election of the chairman of a panchayat union council shall be convened as soon as possible after the occurrence of the vacancy—

(a) in the case where a panchayat union council is newly constituted, or the election is to fill an ordinary vacancy, by the Revenue Divisional Officer; and

(b) in all other cases, by the vice-chairman, and if there is either a vacancy in the office of the vice-chairman or he has been continuously absent from jurisdiction for more than thirty days, or is incapacitated, by the Revenue Divisional Officer.

(2) The meeting for the election of vice-chairman of a panchayat union council shall be convened as soon as possible after the occurrence of the vacancy, by the chairman.

(3) Notice of the day and hour of the meeting shall be given at least seven clear days previous to the date of the meeting.

4. (1) The meeting for the election of the chairman of a panchayat union council shall be presided over—

(i) in the case where a panchayat union council is newly constituted, or the election is to fill an ordinary vacancy, by the Revenue Divisional Officer;

(ii) in all other cases, by the vice-chairman and if there is either a vacancy in the office of the vice-chairman or he has been continuously absent from jurisdiction for more than thirty days or is incapacitated, by the Revenue Divisional Officer; and

(iii) if the vice-chairman himself intends to stand as a candidate at the election or in his absence by a member not intending to stand as a candidate at the election chosen by the members present at the meeting to preside for the occasion.

(2) The meeting for the election of the vice-chairman shall be presided over by the chairman or in his absence by a member not intending to stand as a candidate at the election chosen by the members present at the meeting to preside for the occasion.

(3) In these rules the term "president of the meeting" shall mean the Revenue Divisional Officer, chairman, vice-chairman or the member presiding at the meeting for the election of the chairman or vice-chairman, as the case may be, under these rules.

5. Every candidate for election as chairman or vice-chairman must be nominated in writing and the nomination paper must be signed by two of the members of the panchayat union council as proposer and seconder. The proposer shall, when proposing the name of any candidate, deliver to the president of the meeting a declaration in writing expressing the candidate's willingness to be elected as chairman or vice-chairman, as the case may be, signed by the candidate and by the proposer and the seconder.

6. The names of all the candidates who have been proposed and seconded shall be read out by the president of the meeting to the members present at the meeting.

7. If there is only one candidate duly nominated to the office of chairman or vice-chairman of the panchayat union council, there shall be no ballot and the candidate shall be declared to have been duly elected as chairman or vice-chairman, as the case may be.

8. If the number of candidates is more than one, the votes of the members present at the meeting shall be taken by ballot in the manner laid down in the following rules.

9. The president of the meeting shall provide in the place where the meeting is held a voting compartment in which the members can record their votes screened from observation. The president of the meeting shall also place a ballot box for the receipt of ballot papers in the view of the president of the meeting and the members. The ballot box shall be so constructed that the ballot papers can be introduced therein but cannot be withdrawn therefrom without the box being unlocked or opened.

10. The president of the meeting shall, immediately before the votes are taken show the ballot box empty to such members as may be present so that they may see that it is empty and shall then lock it up, and place a seal upon it in such a manner as to prevent its being opened without breaking such seal.

11. Every member wishing to vote shall be supplied with a ballot paper on which the names of all the candidates and the Panchayats which they represent shall be legibly written in the following form in English and in Tamil:—

BALLOT PAPER.

. PANCHAYAT UNION COUNCIL.

Names of candidates and the Panchayat which they represent duly nominated for election as chairman or vice-chairman of the panchayat union council.

- (1) A (President of X Panchayat)
- (2) B (President of Y Panchayat)

President of the Meeting.

The ballot paper shall be signed by the president of the meeting before being handed over to the member.

12. The member shall, on receiving the ballot paper proceed to the voting compartment for the purpose of recording his vote and put a cross mark on the ballot paper against the name of the candidate for whom he wishes to vote. He shall, before quitting the voting compartment, fold up the ballot paper so as to conceal the mark and put the ballot paper so folded up into the ballot box in the presence of the president of the meeting.

13. The president of the meeting shall cause such arrangements to be made as will ensure the secrecy of the ballot and prevent the members who have already voted from having access to the members who are yet to vote.

14. (1) If, owing to illiteracy or blindness or other physical infirmity, a member is unable to read the ballot paper and make a mark thereon, and applies for assistance in doing so, the president of the meeting shall record the vote in the ballot paper in accordance with the wishes of the member and fold it up so as to conceal the vote.

(2) The member shall then himself or with the assistance of the president of the meeting insert the ballot paper into the ballot box.

(3) While acting under this rule the president of the meeting shall observe as much secrecy as is feasible and shall keep a brief record of each such instance but shall not indicate therein the manner in which any vote has been given.

15. After the voting by members is over, the president of the meeting shall open the ballot box in the presence of the members present, take out the ballot papers therefrom and record the number of votes obtained by each candidate in a statement.

16. A ballot paper shall be invalid on which—

- (a) there is no cross mark ; or
- (b) a cross mark is set opposite the name of more than one candidate or is so placed as to render it doubtful to which candidate it is intended to apply ; or
- (c) a cross mark and some other mark are set opposite the name of the same candidate ; or
- (d) any mark is made by which the member may afterwards be identified.

17. (1) If the number of candidates is two, the candidate who obtains the largest number of votes shall be declared to have been duly elected. In the event of there being an equality of votes between the two candidates, and the addition of one vote to any one of such candidates will entitle him to be declared duly elected, the President of the meeting shall draw lots in the presence of the members and the candidate whose name is first drawn shall be deemed to have secured the additional vote and shall be declared to have been duly elected.

(2) If the number of candidates is three and if anyone of them secures more than one-half of the number of votes, he shall be declared to have been duly elected. If none of them secures more than one-half of the number of votes, the candidate who obtains the smallest number of votes shall be eliminated and a second ballot taken. If there is an equality of votes among all the candidates, the President of the meeting shall draw lots in the presence of the members present and the candidates whose name is first drawn shall be eliminated.

(3) If the number of candidates is more than three and if any of the candidates secures more than one-half of the number of votes, he shall be declared to have been duly elected. If none of the candidates secures more than one-half of the number of votes the first candidate who secures the largest number of votes and the second candidate who secures the next largest number shall be retained and the others eliminated and a second ballot taken. In the event of there being an equality of votes between more than one candidate affecting the determination of which one of them secures the second largest number of votes, the president of the meeting shall draw lots in the presence of the members present and

the candidate whose name is first drawn shall be deemed to have secured the second largest number of votes. The second ballot shall be conducted and the results declared in accordance with the provisions of the said sub-rule (1).

18. Immediately after the meeting, the president of the meeting shall—

(a) prepare a record of the proceedings of the meeting and sign it, attesting with his initials every correction made therein; and also permit any member present at the meeting to affix his signature to such record, if he expresses his desire to do so;

(b) send a report of the result of the election to the Inspector and to such other officer or authority as may be specified by the Government by general or special order; and

(c) publish on the notice board of the office of the panchayat union a notification signed by him stating the name of the person elected as chairman/vice-chairman and also publish the notification in such manner as may be specified by the Government by general or special order.

19. (1) The president of the meeting shall then, make up the ballot papers into a separate packet, seal up the packet and note thereon a description of its contents, the election to which it relates and the date thereof.

(2) These packets shall not be opened and their contents shall not be inspected or produced except under the orders of an election or other competent court.

(3) The packets shall be retained in safe custody in the office of the panchayat union for a year and shall then, unless otherwise directed by the orders of a competent court, be destroyed.

(44) A question has been raised, regarding the procedure to be followed, if two candidates contesting the election for Panchayat Union Chairmanship bear the same name and initials. It is desirable that there should be no room for confusion regarding the identity of the person for whom the votes are being cast. The Government therefore direct that in such cases, the name of the persons contesting the elections and the panchayats which they represent may be written on the ballot paper as shown below :—

(1) V. Raman (President of X Panchayat)

(2) V. Raman (President of Y Panchayat)

2. The Revenue Divisional Officers and Commissioners of all panchayat unions are requested to follow the above instructions.

(Memo. No. 20253—01/66-2 dated 4th March 1966).

(45) *Procedure for the election of chairmen and vice-chairmen.*—The most important formalities connected with the election of chairman of a panchayat union council are as follows:—

(i) The meeting for the election of the chairman should be held in the office of the Panchayat Union—*Vide* rule 2. The block development office building, the temporary building which has been constructed or the building taken on rent for purposes of panchayat Union whichever is suitable for holding the meeting may be deemed to be the office of the panchayat union for this purpose. The meeting should be convened by the Revenue Divisional Officer in his capacity as ex-officio Chairman of the panchayat union council *vide* rule 3 (1) (a).

(ii) Not less than seven clear days notice of the day and hour of the meeting should be given to the members—*Vide* section 37 (2) of the Act and rule 3 (2). If there is more than one panchayat union council in a revenue division, care should be taken to avoid fixing the same date and time for holding the meeting for the election of the chairman. There must be adequate interval for the Revenue Divisional Officer to go round.

(iii) The meeting for the election of the chairman should be presided over by the Revenue Divisional Officer—*Vide* rule 4 (1) (b).

(iv) Every candidate for election as chairman must be duly nominated in writing and the nomination paper must be signed by two of the members of the panchayat union council as proposer and seconder. The Revenue Divisional Officer should see that the declaration expressing the candidate's willingness to be elected as chairman signed by the candidate and by the proposer and the seconder is handed over to him when the name of any candidate is proposed—*Vide* rule 5.

(v) The name or names of the candidate or candidates proposed and seconded should be read out by the Revenue Divisional Officer as the president of the meeting to the members present at the meeting—*Vide* rule 6. If there are more than one candidate and it becomes necessary to take a ballot the Revenue Divisional Officer has to provide a voting compartment in the place where the meeting is held. He should also place a ballot box for the receipt of the ballot papers in his table in full view of the Revenue Divisional Officer and the members—*Vide* rule 8. Therefore a voting compartment and a ballot box should be kept ready in advance of the meeting.

(vi) Sufficient number of ballot papers should be got prepared in the form laid down in rule 11 and kept ready. It should be in English and in Tamil. The ballot paper should be signed by the Revenue Divisional Officer before being handed over to the member voting at the meeting. The ballot papers should be carefully scrutinised by the Revenue Divisional Officer and a ballot paper which infringes any of the conditions laid down in rule 16 should be invalidated. The Revenue Divisional Officer should personally satisfy himself before invalidating a ballot paper. His action is liable to be questioned in an election court.

(vii) The "second ballot principle" prescribed in Rule 17 needs very careful attention. This is explained in the following paragraphs.

(viii) The result of the election should be published on the notice board of the office of the panchayat union. It should also be published in the *Fort St. George Gazette* and the *District Gazette*.

Rule 17 of the Election Rules provides for the holding of a second ballot in certain circumstances. The rule is designed to assure that no one can get elected as the chairman of a panchayat union council on the strength of the votes cast by a minority of members present and voting. This result is sought to be achieved by a process of elimination of certain candidates, when none of them secures an absolute majority; and holding a second ballot to choose between those two candidates who get the largest number of votes at the first ballot. The principles laid down in the sub-rules of Rule 17 are explained below:—

Sub-rule (1) of rule 17.—This sub-rule is clear. It will cover cases where there is a straight contest between two candidates. The candidate who scores the largest number of votes should be declared elected. If there is a tie between the two, lots should be cast and the person whose name is first drawn should be declared as elected.

Sub-rule (2) of rule 17.—This sub-rule introduces the second ballot principle. It will cover cases where there are three candidates. The following illustrations will clearly explain the principle of the rule.

Illustration 1.— Suppose there are 60 members on the council and all of them exercise their franchise and all their votes are found to be in order. The results show that 'A' has secured 35 votes, 'B' 20 votes and 'C' 5 votes. As 'A' has secured more than one-half of the number of votes, he should be declared to have been duly elected.

Illustration 2.— Suppose the results show that 'A' has secured 25 votes, 'B' 20 votes and 'C' 15 votes. None of the three candidates has secured more than one-half of the number of votes. Hence 'C' who has obtained the smallest number of votes should be eliminated and a second ballot taken. If 'A' secures 20 votes and both 'B' and 'C' secure 17 votes each, the Revenue Divisional Officer should ascertain by casting lots which among the two candidates, 'B' and 'C' should be eliminated and then a second ballot should be taken. In case all the three candidates secure 20 votes each, the Revenue Divisional Officer, should ascertain by casting lots which of such candidates should be eliminated and then after eliminating one of the three candidates, a second ballot should be conducted.

Note.—Where there is a tie, the lots determine the candidates to be eliminated and the candidate to be chosen for the second ballot contrast note under paragraph 7 below.

Sub-rule (3) of rule 17.—The sub-rule will cover cases where there are more than three candidates.

Illustration 1.—Suppose there are four candidates and the total number of valid votes is 60. If 'A' secures 35 votes, 'B' 12 votes, 'C' 10 votes and 'D' 3 votes, 'A' who has secured more than one half of the number of votes should be declared to have been duly elected.

Illustration 2.—Suppose 'A' secures 25 votes, 'B' 20 votes, 'C' 10 votes, and 'D' 5 votes, none of them having secured more than one-half of the number of votes, 'A' who has secured the largest number of votes and 'B' who has secured the next largest number of votes should be retained; and 'C' and 'D' should be eliminated and a second ballot should be taken.

Illustration 3.—If 'A' has secured 30 votes, 'B' and 'C' 12 votes each and 'D' 6 votes, there is an equality of votes between more than one candidate affecting the determination of which one of them has secured the second largest number of votes. The Revenue Divisional Officer should in such cases draw lots as between the two candidates 'B' and 'C'. The candidate whose name is first drawn should be deemed to have secured the largest number of votes. The second ballot should then be conducted.

Illustration 4.—If there is an equality of votes among all the four candidates the Revenue Divisional Officer should ascertain by casting lots in the presence of the members present which of the two candidates have secured the largest number of votes and the second largest number of votes and then a second ballot should be taken.

Note.—Where there is a tie, the lot determines the candidates to be chosen for the second ballot; not the candidates to be eliminated—contrast note under paragraph 6 above.

(Memorandum No. 170027, L.L./86, L.A., dated 1st October 1960.)

(46) *Whether Vice-Presidents and temporary Presidents may become members of Panchayats when councils constituted for the first time.*—A question has been raised whether the vice-presidents and temporary presidents who are holding charge as presidents under section 34 (1) or section 34 (2) and section 34 (3) respectively of the Madras Panchayats Act, 1958 are eligible to become members of the panchayat unions, councils constituted for the first time under the Madras Panchayats Act, 1958 and whether they can take part in the election of the chairman and vice-chairman or stand for chairmanship or vice-chairmanship. The word "President" is defined in clause (26) of section 2 of Madras Act XXXV of 1958 to mean the president of a panchayat. Rule 8 of Schedule IV to Madras Act XXXV of 1958 states that the president and the vice-president of a panchayat holding office on the date specified in the notification issued under section 11 (1) shall hold office as such president or vice-president up to the date of expiry of the term of office of member of the panchayat. The word "president" occurring in section 2 (a) of Madras Act 17 of 1960 refers only to the president of the panchayat as such and not to the vice-president or temporary president.

Sub-section (1) of section 34 of Madras Act XXXV of 1958 merely states that the vice-president shall exercise the functions of the president in the circumstances specified in it, until a new president assumes office. The sub-section makes it clear that the vice-president does not automatically become the president by virtue of that sub-section and all that it provides for is the exercise by the vice-president of the functions of the president. The status of the temporary president is much less than that of the vice-president, as temporary president is not elected as such by the members of the panchayat. He is only a nominee of an officer of Government. Sub-section (3) of section 34 does not have the effect of conferring the status of the president as such on the temporary president.

In the circumstances stated, neither the vice-president exercising the functions of the president under sub-section (1) of section 34 of Madras Act XXXV of 1958 nor the temporary president, who is merely the nominee of an officer of Government under sub-section (3) of that section can be deemed to be the president for the purpose of section 2 (a) of Madras Act 17 of 1960.

(G.O. Ms. No. 1602, L.A., dated 11th October 1960.)

(47) *Eligibility of Chairmen to vote at the election of vice-chairman.*—A question has been raised whether the Chairman of a panchayat union council can vote while presiding over a meeting for the election of a vice-chairman. There is no objection to the chairman who is a member of the panchayat union council exercising his vote in the election of a vice-chairman of the panchayat union council.

(G.O. Ms. No. 331, R.D. & L.A., dated 6th February 1961.)

(48) *Eligibility of co-opted members to stand for election as Chairman.*—A question has been raised whether a woman member or a member of a Scheduled Caste co-opted under section 12 (1) of the Madras Panchayats Act, 1954, as a member to the Panchayat Union Council can contest in an election that may be held to fill up a casual vacancy in the office of the Chairman of the Panchayat Union Council.

It has been held that, as co-opted members have all the privileges and rights of elected members, there is no objection to the co-opted woman and Scheduled Caste members contesting in an election to fill up a casual vacancy in the office of Chairman of the Panchayat Union Council.

(Memo. No. 184189/C-2/61-1, dated 22nd November 1961.)

(49) *Election of Chairman Quorum, method of service of notice, etc.*—The Government have issued clarifications on the following points:—

(i) Whether it is necessary to insist on a "Quorum" for the meeting to be convened by the Revenue Divisional Officer for the election of chairman of a Panchayat Union Council;

(ii) In case it is not possible to serve the meeting notice personally on a member of the Panchayat Union Council, whether the notice may be affixed in the residence of the said member or by service on an adult male member in the house, the fact being certified by an endorsement in the Election Notice; and

(iii) Whether a member who proposes or seconds the nomination of another member for election as chairman may allow his name also to be proposed and seconded for the same election by some other members.

Point (i).—Rule 2 of the Rules issued in G.O. Ms. No. 1611, L.A., dated 27th September 1960 regarding the election of chairman and vice-chairman of Panchayat Union Councils provides that the election of the chairman or vice-chairman shall be held in the office of the Panchayat Union by the members of the Panchayat Union Council at a meeting specially convened for the purpose. As the meeting for the election of a chairman or vice-chairman should be deemed to be a meeting of the Panchayat Union Council convened for the specific purpose of electing a chairman or vice-chairman of the Panchayat Union Council, the quorum fixed for the meeting of the Panchayat Union Council in Rule 6 of the Rules regarding the mode of transacting business at meetings of Panchayat Union Councils in Notification No. 10 issued with G.O. Ms. No. 1677, L.A., dated 8th October 1960 will apply in the case of the election of a chairman or vice-chairman of the panchayat union council also.

Point (46).—There is no specific provision in the Madras Panchayats Act, 1953 or in the rules issued in G.O. Ms. No. 1611, L.A., dated 27th September 1960 regarding the mode of giving notice of the meeting to members. Pending provision of the mode of service in the above rules, the Collector is requested to follow the procedure suggested by him, viz., to serve the notice by affixing it in the residence or by service on an adult male member in the house, the facts being certified by an endorsement in the election notice.

Point (46).—There is no express prohibition in the rules relating to the election of chairman and vice-chairman of Panchayat Union Councils, prohibiting a person who has proposed or seconded the nomination of another person for the election from standing for election as chairman or vice-chairman.

(Memo. No. 74701/L.Spl.61-2, R.D. & L.A., dated 25th April 1961.)

(50) Selection of peon to work under Chairman.—Instructions have been issued in Government Memorandum No. 184207 T. 1/50-8, dated 6th April 1961 that one of the peons working in the panchayat union office shall be allotted to work under the Chairman. The Panchayat Union Commissioners are informed that the chairman of the panchayat union council should be given full discretion in the selection of his peon from among the peons working in the panchayat union office. Any change of peon working under the chairman should be made only with the approval of the Chairman.

(Memo. No. 235421, E. 5/81-1, dated 8th December 1961.)

(51) Disqualification of members for failure to attend meeting of Panchayat Union Councils.—A question has been raised whether members of the panchayat union council who fail to attend meetings of the panchayat union council for three consecutive months or three consecutive meetings, if within that period less than three meetings have been held, will, under section 26 (j) of the Madras Panchayats Act, 1953, incur disqualification and cease to hold office as a member of the panchayat union council. Government issue the following clarification in the matter.

2. Under section 2 of the Madras Panchayat Union Councils (Special Provisions for First Constitution) Act, 1960 (Madras Act 17 of 1960) as amended by Madras Act 27 of 1961, the president for the time being, of a panchayat shall be a member of the panchayat union council concerned. Therefore, even if a member of a panchayat union council fails to attend meetings of the panchayat union council as indicated in paragraph 1 above, he will continue to be a member of the panchayat union council so long as he remains to be the president of a panchayat in the union. The provision under section 26 (j) of the Madras Panchayats Act, 1953 should be deemed to have been rendered inoperative and of no consequence so long as section 2 of the Madras Panchayat Union Councils (Special Provisions for First Constitution) Act, 1960 (Madras Act 17 of 1960) as amended by Madras Act 27 of 1961, is in force.

3. A question has also been raised whether a member of a panchayat union council can resign his office as the member of the panchayat union council. Government wish to clarify that by virtue of section 2 of Madras Panchayat Union Councils (Special Provisions for First Constitution) Act, 1960 (Madras Act 17 of 1960) as amended by Madras Act 27 of 1961, the resignation of a person of his membership of the panchayat union council will have no effect so long as he holds office as the president of a panchayat in the union.

(Memo. No. 75236, L. Spl. 62-4, R.D. & L.A., dated 4th July 1962.)

(52) A question has been raised whether the provision in section 26 (j) of the Madras Panchayats Act, 1953 relating to disqualification of members on account of failure to attend meetings, would really apply to members of Panchayat Union Councils. Under section 12 (1) of the said Act, the Presidents of Panchayats in a Panchayat Union area by virtue of their office as such, are members of that Panchayat Union Council. These ex-officio members of Panchayat Union Council are also subject to the disqualification mentioned in section 26 (j) of the Act. If such a member incurs the disqualification specified in section 26 (j) he will cease to be a member of the Panchayat Union Council, but he will continue to hold office as President of the Panchayat concerned. It is of course open to him to apply to the Panchayat Union Council concerned for restoration under section 27 (2) of the said Act, and till such restoration the Panchayat of which he is the President will go unrepresented in the Panchayat Union Council.

(Memo. No. 91229—CI/65-17, dated 13th September 1966.)

(53) *Sanction of Personal Clerk to Chairman.*—Government permit Panchayat Union Councils to sanction the employment of an additional Lower Division Clerk to work as a Personal Clerk to the Chairman if in the opinion of the Council, provision of such clerical assistance at the cost of the Panchayat Union Funds is necessary and justified. The clerk shall be borne on the Panchayat Union establishment and paid out of the Panchayat Union Funds. He shall form part of the regular establishment of the Panchayat Union and be similar to the other members of the office staff in matters like disciplinary control, etc. In selecting the individual to be employed as Personal Clerk, from out of the Lower Division Clerks appointed in the office, the Chairman of the Panchayat Union Council shall exercise his choice. Any change in the incumbent of this post should be made only with the approval of the Chairman.

(G.O. Ms. No. 3223, R.D. & L.A., dated 8th December 1961.)

(54) *Headquarters of personal clerk and peon of Chairman.*—The Government in G.O. Ms. No. 3223, R.D. & L.A., dated 8th December 1961 and Memo. No. 235421 E5/E1-1, dated 8th December 1961, sanctioned the employment of a Lower Division Clerk to work as a Personal Clerk and a Peon to work under the Chairman. Representations have been made by some of the Chairmen of panchayat Union Councils that the Personal Clerk and the Peon should have their headquarters at the residence of the Chairman. The Commissioners of certain Panchayat Union Councils have also requested instructions as to whether the clerk and the peon should work in the office of the Panchayat Union Council or at the residence of the Chairman. The Government have examined the matter.

As the Chairman is not expected to attend office on all days, most of his office work will have to be transacted at his residence. Instructions have also been issued in G.O. No. 2498, R.D. & L.A., dated 16th November 1962 that all tappals after perusal by Commissioner should be sent to the Chairman for his perusal. The Chairman will therefore very much require the assistance of his Personal Clerk to attend to his duties. It is therefore necessary that the Personal Clerk and the peon should be at the residence of the Chairman. The Government therefore direct that the Headquarters of the Personal Clerk and the Peon to the Chairman shall be the place where the Chairman has his residence.

(G.O. Ms. No. 1166, R.D. & L.A., dated 25th May 1963.)

12. In these rules "Chairman" includes the person for the time being in charge of the office of the Chairman under sub-sections (1), (2), (4), (5) or (6) of section 37 of the Madras Panchayats Act, 1958.

(G.O. Ms. No. 1677, L. A., dated 8th October 1960.)

(Memo. No. 21829 4/61, L. Spl., dated 27th November 1961.)

(G.O. Ms. No. 754, R. D. & L. A., dated 3rd April 1963.)

(55) *Moving of resolutions by Members of Legislative Assembly and Members of Legislative Councils.*—Under section 12 (2) of the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958), M.L.As. and M.L.Cs. are entitled to take part in the proceedings of the Panchayat Union Councils but not to vote or to be elected as the chairman or vice-chairman of the Panchayat Union Councils. There is no specific provision in the Act restricting the rights of M.L.As. or M.L.Cs. as members of the Panchayat Union Council in moving resolutions, which is part of the proceedings of the Council. In the absence of any express prohibition in this behalf, the Government have considered that M.L.As. and M.L.Cs. can move resolutions in the Council.

(Memo. No. 20499/L2 61-3, R. D. & L. A., dated 3rd April 1961.)

(56) *Exercise of casting vote by Chairman.*—A question has been raised whether the Chairman of a Panchayat Union Council has the right of a casting vote in case the council is divided in its opinion in the matter of co-option of a particular person as a member and there are equal number of votes for and against the co-option of the particular member.

2. In the absence of any specific provision either in the Madras Panchayats Act, 1958, or in the rules issued thereunder, the co-option of members has to be done at a meeting of the Panchayat Union Council concerned and the rules relating to the mode of transacting business at meetings of Panchayat Union Councils issued under the Act should be followed for such co-option. Under rule 5 of the said rules, all questions coming before the council shall be decided by a majority of the members present and voting at the meeting and in every case of equality of votes, the presiding member shall have and exercise a casting vote. The Chairman of a panchayat union council can, therefore, exercise a casting vote in the cases referred to in paragraph 1 above.

(Memo. No. 26648/L.Spl./61-3, R. D. & L. A., dated 6th July 1961.)

(57) *Cancellation of resolution relating to co-option of members.*—The Collectors are informed that a member who is co-opted to a panchayat under the provisions of the Madras Panchayats Act, 1958 cannot be said to be a member elected to the panchayat. In this view, the proviso to Section 147 (1) of the Act will not stand in the way of the Inspector (Collector) cancelling the resolution of a panchayat regarding the co-option of members.

2. The above clarification will apply also to resolutions of Panchayat Union Councils co-opting members to the Council, in which cases the Additional Development Commissioner, who has been designated as Inspector of Panchayat Union Councils for this purpose, shall be competent to cancel the resolutions under Section 147 (1) of the Act.

(G.O. Ms. No. 1968, R. D. & L. A., dated 10th September 1962.)

(G. O. No. 1677, L. A. dated 8th October 1960.)

6. RESIGNATION OF CHAIRMAN, VICE-CHAIRMAN AND MEMBERS OF PANCHAYAT UNION COUNCILS.

2. The chairman of a Panchayat Union Council may resign his office by giving notice in writing to the Panchayat Union Council. Such resignation shall take effect from the date on which it is placed before the Panchayat Union Council.

(G.O. No. 1677, L.A., dated 8th October 1960.)

7. AUTHORITY FOR TAKING POSSESSION OF PROPERTIES OF PANCHAYAT UNION COUNCILS FROM OUTGOING CHAIRMAN, ETC.

The prescribed authority for the purposes of sub-section (3) of section 182 of the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958), shall be the Divisional Panchayat Officer in respect of Panchayat Union Councils having jurisdiction.

(G. O. No. 1677, L.A., dated 8th October 1960.)

4. The total travelling allowance which may be actually drawn in any one year inclusive of the travelling allowance for journeys to attend meetings shall not, without the special sanction of the Collector of the District exceed—

(a) Five hundred rupees in the case of the Chairman of panchayat union council; and

(b) three hundred rupees in the case of the Vice-Chairman of a panchayat union council:

Provided that the maximum travelling allowance permissible under clause (a) shall not apply in respect of journeys performed within the jurisdiction of the Panchayat Union by the Chairman who is in receipt of a fixed travelling allowance.

(G.O. Ms. No. 754, R. D. & L. A., dated 3rd April 1963.)

(G.O. Ms. No. 2401, R.D. & L. A., dated 11th November 1963.)

(58) *Instruction regarding drawing of travelling allowance by Chairman.*—Under rule 3 (since remembered as rule 4) of the rules issued in G.O. Ms. No. 1677, R. D. & L. A., dated 8th October 1960 for the payment of Travelling Allowance by

Panchayat Union Councils to their Chairman, Vice-Chairmen, members and members of their committees, the total Travelling Allowance which may be drawn in a year by the Chairman, and the Vice-Chairman of a panchayat union council has been limited to Rs. 500 and Rs. 300 respectively, provided that Travelling Allowance exceeding these limits shall be drawn with the special sanction of the Collector. Under the said rules, the purpose for which Travelling Allowance may be drawn by the Chairman may either be—

(i) to attend the meetings of the council or of its committees, or

(ii) to do anything connected with the performance of the functions or doing the duties of the Panchayat Union Council under the Act. One of the purposes of the journeys for which Travelling Allowance is thus admissible in the case of the Chairman would be for visiting to the Elementary Schools under the management of the Panchayat Union Council.

2. Under Rule 5 (since renumbered as rule 6) of the Rules referred to above, the place of residence of the Chairman of a panchayat union council, where such place of residence is different from where the office of the panchayat union is situated, shall be treated as the headquarters of the Chairman for the purpose of calculating his Travelling Allowance. In case the Chairman of a panchayat union council resides in a place outside the jurisdiction of the Panchayat Union of which he is the Chairman, he shall be entitled to draw Travelling Allowance only for journeys performed within the jurisdiction of the Panchayat Union of which he is the Chairman, according to Rule 6 of the rules referred to above.

(G.O. Ms. No. 2901, R. D. & L. A., dated 1st November 1961.)

(59) *Visit of Chairman to Panchayat Union Institutions.*—Under the Madras Panchayats Act, 1958 the responsibility for the maintenance of various institutions like Elementary School, Maternity and Child Welfare Centres, Poor houses, Orphanages, Charities and Public markets classified as Panchayat Union Markets have been vested with the panchayat union. The panchayat union councils have a great responsibility in ensuring that these institutions function properly and that the Panchayat Union Funds set apart for the maintenance of such institutions are utilised for the greatest benefit of the public. In order to achieve these results, it is necessary that the Chairman of the panchayat union council concerned devotes constant attention to these institutions in his jurisdiction and keeps himself fully informed of their day-to-day working through personal visits to the place if necessary. Instructions have been issued separately in G.O. Ms. No. 2901, Rural Development and Local Administration, dated 1st November 1961 regarding the visit of the Panchayat Union Chairman to the Elementary Schools under the management of the panchayat union. The instructions in that Government Order regarding Travelling Allowance will be applicable to the visits to the other institution also.

(Letter No. 217041/L. Spl./61, R.D. & L.A., dated 13th November 1961.)

(60) *Participation of Chairman in Panchayat Functions.*—As regards functions organised by the Panchayats, if the Chairman, panchayat union council participates in any function organised by the panchayats it should be deemed to be in the discharge of "Official duty".

(Memorandum No. 194919/C2/61-3, dated 21st January 1962.)

(61) *Debit of expenditure on payments of travelling allowances.*—The payment of Travelling Allowance to Chairman, Vice-Chairman and members of the panchayat union councils for their journeys to attend the meetings of the committees like Education Committee, General Purpose Committee, etc., should be debited to the relevant head of account under "A. General Account-1. Management—3.—Travelling Allowance of (i) Chairman (ii) Vice-Chairman (iii) Members

(Memorandum No. 103018, R.D., Accts. Spl./61-P, dated 16th June 1962.)

(62) *Special sanction for exceeding maximum limit of travelling allowance.*—Rule 4 of the rules relating to payment of Travelling Allowance by Panchayat Union Councils, to Chairman, Vice-Chairman and Members issued in Notification No. 9, appended to G.O. Ms. No. 1677, Local Administration, dated 8th October 1960, empowers the Collector to accord special sanction for exceeding the limit of total travelling allowance in any one year prescribed under the rules. Collectors may accord special sanction enhancing the limit wherever they consider necessary and no amendment of the rule is necessary for this purpose.

(Memorandum No. 192186/L. Spl./62-1, dated 18th October 1962.)

(63) *Payment of fixed travelling allowance to Chairmen of Panchayat Union Councils.*—Chairmen of Panchayat Union Councils are now eligible to draw travelling allowance from the funds of the Panchayat Union Councils concerned at the rates prescribed in the rules issued by the Government for journeys undertaken by them on Panchayat Union business. The Chairmen have to attend meetings of the council at the headquarters at least once a month, besides attending office on other days to dispose of business. They have also been empowered to visit panchayat union elementary schools as well as other aided elementary schools and other institutions like, maternity and child welfare centres, chooltries, panchayat union markets, etc.

2. In view of the responsibilities cast on the Chairmen of Panchayat Union Councils, the question whether a conveyance allowance may be allowed to the chairmen as in the case of the chairmen of municipal councils was examined. It has been decided that such an allowance is necessary and desirable in the interests of administration. The Government accordingly permit panchayat union councils to pay out of their funds, a Fixed Travelling Allowance, not exceeding Rs. 100 per mensem, to their chairmen for journeys undertaken within the Panchayat Union in lieu of the travelling allowance admissible to them under the rules issued in Notification No. 9, appended to G.O. Ms. No. 1677, L.A., dated the 8th October 1960. In such cases, the maintenance of a vehicle by the Chairman need not be insisted upon as a condition necessary for the grant of the Fixed Travelling Allowance. In respect of journeys outside the panchayat union the chairmen may be permitted to draw travelling allowance admissible to them under the rules. The discretion to decide whether the chairmen should be allowed Fixed Travelling Allowance subject to a maximum allowance of Rs. 100 per mensem in lieu of Travelling Allowance under the rules or whether they should be allowed Travelling Allowance under the rules is left to the Panchayat Union Councils concerned.

(G.O. Ms. No. 73, R.D. & L.A., dated 8th January 1963.)

(5) If the application is granted—

10. Where at an inquiry into an election petition any candidate, other than a returned candidate, claims the seat for himself, the returned candidate or any other party to the proceedings may give evidence to prove that the election of such candidate would have been void if he had been a returned candidate and a petition had been presented complaining of his election.

11. If in the opinion of the election court—

(a) a returned candidate, his agent or any other person with the connivance of such candidate or agent, has committed, or abetted the commission of any election offence falling under Chapter IX-A of the Indian Penal Code, or any law or rule relating to the infringement of the secrecy of an election, or

non-compliance with the provisions of the Act or the rules made thereunder, the election of such returned candidate shall be void :

Provided that if the election court is of opinion that any corrupt practice specified in clause (b) of this rule, which does not amount to any form of bribery other than treating as hereinafter explained has been committed and if the election court is further of opinion that the candidate has satisfied the election court that—

(a) no corrupt practice was committed at such election by the candidate and that any corrupt practices were committed contrary to the orders and without the sanction or connivance of such candidate ; and

(b) such candidate took all reasonable means for preventing the commission of corrupt practices at such election ; and

(c) the corrupt practices committed were of a trivial, unimportant and limited character ; and

(d) in all other respects the election was free from any corrupt practice on the part of such candidate or any of his agents ; then the election court may find that the election of such candidate is not void.

Explanation.—For the purpose of this rule 'treating' means the incurring in whole, or in part by any person of the expense of giving or providing any food, drink, entertainment or provision to any person with the object, directly or indirectly of inducing him or any other person to vote or refrain from voting or as a reward for having voted or refrained from voting.

12. (1) At the conclusion of the inquiry, the election court shall declare whether the election of the returned candidate is void under rule 11.

14. (1) Notwithstanding anything contained in the foregoing rules, where more than one person claims that he has been elected as the Chairman or Vice-Chairman of the Panchayat Union Council, and the election of none of them has been called in question by an election petition presented to the election court within the time specified in sub-rule (1) of rule 2 or where such election petition has, or election petitions have, been presented but subsequently withdrawn, the election authority may, after such inquiry as he considers necessary—

(a) declare one of the claimants to have been duly elected as the chairman or vice-chairman of the panchayat union council, as the case may be, or

(b) if he finds that none of the claimants has been duly elected, order a fresh election.

(2) An order passed under clause (b) of sub-rule (1) shall be final.

(3) Against an order passed under clause (a) of sub-rule (1), an appeal may be preferred by any candidate or elector to the election court as defined by sub-rule (2) of rule 1, within fifteen days of the date of the order.

(4) The provisions of these rules shall, so far as may be, apply to such appeal as if it were an election petition presented under these rules.

(5) An order passed under clause (a) of sub-rule (1) shall, subject to the result of any appeal preferred under sub-rule (3) be final.

15. Notwithstanding anything contained in the foregoing rules where more than one person claims to have been elected as the chairman or vice-chairman of the panchayat union council, and the election of one or more of them has been called in question by an election petition presented in accordance with these rules, the election authority may, after such inquiry as he considers necessary, direct one of the claimants to perform the functions of the chairman or vice-chairman of the panchayat union council as the case may be until orders are passed by the election court on the election petition.

4. Any person may be summoned to produce a document without being summoned to give evidence; and any person summoned merely to produce a document shall be deemed to have complied with the summons if he causes such document to be produced, instead of attending personally to produce the same.

5. When the person whose evidence may be required is unable from sickness or infirmity to attend before the officer issuing the summons, or is a person whom by reason of rank or sex it may not be proper to summon, the officer issuing the summons, may, of his own motion or on the application of the party whose evidence is desired, dispense with the appearance of such person, and order him to be examined by a subordinate deputed by such officer for the purpose.

6. Any person who fails to obey a summons issued under these rules shall be punishable with fine which may extend to one hundred rupees.

7. Nothing contained in these rules shall apply to cases for which provision has otherwise been made by or under the Madras Panchayats Act, 1958.

23. CONTROL OF THE EMERGENCY POWERS OF INSPECTOR AND COLLECTOR.

Every case in which the powers conferred by section 148 of the Madras Panchayats Act, 1958, are exercised shall—

The Commissioner of a panchayat union may, by an order in writing, require the headman or karnam or both of any revenue village comprised within the jurisdiction of the panchayat union council to furnish him with information on any matter falling within the following categories in respect of such village or any part thereof or any person or property therein :—

(1) Particulars of survey number, sub-division, classification, description such as whether the land is dry or wet, extent, assessment and name of the registered holder or occupier or any land within the limits of the panchayat union, available in the village records.

Provided that the information on a matter falling under category (2) shall be called for through the Tahsildar of the taluk concerned.

24. PRODUCTION OF DOCUMENTS BY COMMISSIONER.

The Commissioner shall comply with every requisition of the panchayat union council, to produce any document which is in his custody unless in his opinion immediate compliance therewith would be prejudicial to the interests of the panchayat union or of the public, in which case he shall make a declaration in writing to that

effect and shall, if required by the panchayat union council, refer the question to the Additional Development Commissioner or to any officer empowered by the Additional Development Commissioner in this behalf and the decision of such Additional Development Commissioner/Officer shall be final.

(G.O. Ms. No. 1677, L.A., dated 8th October 1960.)

(G.O. Ms. No. 3162, B.D. & L.A., dated 29th November 1961.)

25. MANNER OF SERVICE OF DOCUMENTS OTHER THAN NOTICES.

When any document other than a notice is required by the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958) or by any rule, by-law, regulation or order made thereunder, to be served on, or sent to, any person, the service of sending thereof may be effected :—

(i) by giving or tendering the said document to such person ;
or

(ii) if such person is not found, by leaving such document at his last known place of abode or business, or by giving or tendering the same to some adult member or servant of his family ; or

(iii) if such person does not reside in the village or town as the case may be and his address elsewhere is known to the Commissioner by sending the same to him by registered post ; or

(iv) if none of the means aforesaid be available, by affixing the same in some conspicuous part of such place of abode or business.

(G.O. Ms. No. 1677, L.A., dated 8th October 1960.)

26. PROCEDURE TO BE FOLLOWED WHERE THERE IS A DIFFERENCE OF OPINION BETWEEN THE COMMISSIONER AND THE MEMBERS OF THE APPOINTMENT COMMITTEE.

No decision of a committee constituted under clause (a) of sub-section (1) of section 53 of the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958) shall be valid unless at least two members of the committee of whom the Commissioner shall be one, are present and unless both or where all the members are present not less than two of the members present are agreed as to the decision :

Provided that where no such agreement is reached by the committee in a case relating to the appointment to a post, the Commissioner shall refer the matter—

(a) to the Director of Public Instruction, if the post is in an educational institution including the post of supervisor of schools.

(b) to the Additional Development Commissioner, if the post is one in respect of which the Additional Development Commissioner has the power to fix or alter the number, designations, grades, salaries, fees or allowances.

(c) to Government in all other cases, and

the appointment shall be made in accordance with the orders of the authority to whom the matter is referred.

(G.O. Ms. No. 261, R.D. & L.A., dated 1st February 1962.)

(54) *Co-option of outsiders to the Appointments Committee.*—Clause (a) of sub-section (1) of section 53 of the Madras Panchayats Act, 1958, provides that there shall be an Appointments Committee for every Panchayat Union and that it shall be composed of the chairman of the panchayat union council, the commissioner and one member elected annually by the Panchayat Union Council. Under sub-section (2) of the above section, Panchayat Union Councils have been given the power to co-opt as members of any committee appointed under sub-section (1) such number of persons as are not members of the panchayat union council subject to the condition that the number of members so co-opted shall not exceed one-third of the total number of members of the council on the committee.

Although sub-section (2) of section 53 is very general in terms and empowers the Panchayat Union Council to co-opt even outsiders as members of the Appointments Committee also, the intention however, is that the power of co-option conferred by sub-section (2) should apply only to the committees referred to in clause (b) of sub-section (1) of that section, that is, the Education Committee, the General Purpose Committee and other committees referred in clause (b) but not to the Appointments Committee constituted under clause (a). Necessary action will be taken to suitably amend sub-section (2) to bring out this intention clearly. Till the sub-section is so amended, the panchayat union councils are requested to have regard to the position explained above and not to co-opt any person as member of the Appointments Committee.

(G.O. No. 375, R.D. & L.A., dated 9th February 1961.)

(55) *Term of office of elected member of the Appointments Committee.*—Under Section 53 (1) of the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958), one of the three persons composing the Appointments Committee is a member of the Panchayat Union Council elected annually by that council and hence a member so elected can hold office as a member of the Appointments Committee until another member is elected to the Committee in the next year.

(G.O. Ms. No. 767, R.D. & L.A., dated 19th March 1961.)

(56) *Rights of Commissioner as member of Appointments Committee.*—The Commissioner of a Panchayat Union is appointed statutorily as a member of the Appointments Committee constituted under Section 53 (1) of the Madras Panchayats Act, 1958. Hence the prohibition under section 44 (4) of the Act will not apply to the Commissioner in his capacity as a member of the Appointments Committee. He can exercise as a member of the Appointments Committee the same rights and privileges enjoyed by the Chairman and the other member of the Appointments Committee.

(Memo. No. 21494/CI/82-2, dated 27th February 1962.)

(57) *Term of office of elected member of Appointments Committee—Clarification.*—If it is held that a member elected to the Appointments Committee of a Panchayat Union Council would hold office only for a period of one year from the date of his election it would result in the Chairman and the Commissioner functioning as the Appointments Committee without the elected member, when the election for a particular year is not held in time. It is considered desirable to allow the member elected for a particular year to continue to hold office until another is elected rather than to allow two of the three members of the Committee alone to function as the Committee.

(Memo. No. 189076/L. Spl./82-2, dated 22nd October 1962.)

CHAPTER II—BUDGET, ADMINISTRATION REPORT AND AUDIT

4. No panchayat union council shall authorize any item of expenditure not included in the budget or which is in excess of the budget allotment without indicating the source from which the money required for the proposed expenditure is to be found.

5. The sanctioning of the budget shall not by itself be deemed to authorize the panchayat union council to incur all the expenditure provided for therein; and where the sanction of the Government or of any other authority is required for incurring any expenditure the provision for which has been included in the budget, and such sanction has not been specifically accorded, it shall be the duty of the panchayat union council to obtain such sanction before the expenditure is incurred.

6. The commissioner shall pay prompt attention to the remarks, if any, made by the auditor in regard to expenditure as compared with the budget allotment.

7. All allotments made in the budget shall lapse at the end of the year. Parts of allotments remaining unexpended at the end of the year shall not be reserved for disbursement after the end of the year, nor shall they be appropriated by transfer to deposits or any other head or drawn in advance, in order to avoid lapse.

8. All expenditure during the course of the year shall be regulated in accordance with the allotments made in the budget for the year sanctioned by the panchayat union council with modifications suggested, if any, by the Collector or as modified by the Government under sub-section (3) of section 140 of the Madras Panchayats Act, 1958.

9. (1) Every commissioner shall submit to the Government or such officer as the Government may, under sub-section (1) of section 157 of the Madras Panchayats Act, 1958 authorise to exercise the power vested in the Government by sub-section (5) of section 140 of that Act, a budget for the ensuing financial year showing the income and expenditure relating to the panchayat union (education) fund, on or before the 30th November immediately preceding such financial year and the officer through whom such budget shall be submitted shall be the District Educational Officer concerned and such budget shall be in such form as the Government may, from time to time, specify.

(2) Before passing the budget, it shall be ensured—

(i) that the panchayat union council has made adequate provision for elementary education in the area under its jurisdiction;

(ii) that the expenditure provided in the budget is within the anticipated income for the panchayat union council for the financial year to which the budget relates and can be incurred without leaving any deficit in its accounts; and

(iii) that the panchayat union council shall not take into account grants from the Government for which it is not eligible.

(G.O. Ms. No. 251, R.D. & L.A., dated 1st February 1962.)

(88) *Maintenance of separate fund for non-panchayat areas.*—Under the proviso to sub-section (2) of section 11 of the Madras Panchayats Act, 1958, if there is no Panchayat in any part of a Panchayat Union, the Panchayat Union Council shall exercise all the powers including the power of taxation, discharge the duties, perform the functions and be credited with the receipts and debited with the charges of the Panchayat, and the Chairman and the Commissioner of the Panchayat Union Council shall exercise the powers, discharge the duties and perform the functions of the President and the executive authority respectively in such part of the panchayat development block. The Government direct that in such cases, the Panchayat Union Council should maintain a separate fund relating exclusively to the Panchayat into which the receipts specified in section 137 of the Act should be credited. The expenditure from the Panchayat fund should be regulated in accordance with the provisions of the Act (Sections 138, 139, 140, 142 and 143 of the Act) and the rules made thereunder.

(G.O. No. 334, R.D. & L.A., dated 13th February 1963.)

(89) *Investments of funds of Panchayat Union Councils.*—Instructions regarding lodging of panchayat union funds have already been issued in paragraphs 6 and 7 of the "Manual of Instructions for the Maintenance of Accounts of the Panchayat

Unions. The following instructions are issued in regard to the investment of funds of panchayat union council.—

1. A panchayat union council may invest the whole or any portion of the undermentioned earmarked funds in the manner indicated against each in the order of preference indicated therein.

<i>Earmarked fund.</i>	<i>Manner of investment.</i>
(1)	(2)
Provident Fund	(1) Madras Government securities and securities guaranteed by the Madras Government as to payment of interest and repayment of capital. (2) Securities issued by the Government of India including Savings Certificates. (3) Post Office Savings Bank deposits (only in the case of provident fund balances likely to be required for early disbursement).

2. No other fund shall be withdrawn from a panchayat union council's treasury account for investment without the special sanction of the Government which will not be given unless there are special and exceptional reasons for giving it.

3. Investments in Madras State Co-operative Bank and Central Co-operative Banks referred to above should be made only with the previous sanction of the Additional Development Commissioner if the amounts proposed for investment in any one of the banks together with the amount, if any, already invested in that bank exceeds Rs. 5,000. Every application for the investment or reinvestment should be submitted through the Registrar of Co-operative Societies.

4. Panchayat union council investments except in respect of unspent loan funds should be made in Madras Government securities guaranteed by the Madras Government except when there are special reasons for considering that it would be more advantageous to invest in one of the other permissible forms of investment.

5. The Commissioners of Panchayat Unions are informed that the instructions relating to 'Investments' contained in paragraph 122 of the Manual of Instructions for the Maintenance of Account should be strictly followed in regard to the investment of funds of panchayat union councils.

(G.O. No. 420, R.D. & L.A., dated 21st February 1962.)

(70) *Scrutiny of Budgets of Panchayat Union.*—(1) The Panchayat Union budgets have to be scrutinised by the Revenue Divisional Officers and the Collectors before they are passed by the Councils. Besides ensuring that adequate provision is made for obligatory functions, the Revenue Divisional Officers and Collectors are expected to guide and advise the Panchayat Unions in the various aspects of physical and financial planning involved in budgeting.

2. The scrutiny of the Panchayat Union budget should be an occasion for evaluation of past achievements, review of current progress and estimation of future needs. Physical and financial aspects of planning have to be correlated. A critical assessment of the present and future financial positions of the Union is also necessary. The Revenue Divisional Officers being the first level superintending officers should also be able to bring to bear their actual knowledge of the Unions on their scrutiny.

3. Keeping these considerations in view, the following instructions should be followed :—

(i) Along with his budget estimates the Panchayat Union Commissioner should invariably submit a financial statement in the form in Annexure I. This statement will show at a glance the position of the General Account and the various components of receipts or expenditure that have resulted in the final surplus or deficit. The basic financial strength of a Union can be immediately assessed from this statement.

(ii) While scrutinising the Panchayat Union budgets, the Revenue Divisional Officers should answer the checkmemorandum in Annexure II and submit a copy of the checkmemorandum also along with the budget to the Collectors.

(iii) The Collectors should scrutinize the budget with reference to the statements in Annexures I and II and also with reference to the checkmemorandum in Annexure III. A copy of the checkmemorandum in Annexures II and III should also be communicated to the Panchayat Union Commissioner when the budget is returned after scrutiny.

4. The Government hope that these forms would facilitate in a greater measure the advice and guidance given by Revenue Divisional Officers and Collectors to Panchayat Unions. They would meet the requirements of a post sanction review. Further questions can be added to the checkmemorandum wherever considered necessary.

5. This procedure shall be followed for the budgets of 1964-65 to be prepared in October-November 1963.

1. The quarterly objection statement and the report on the audit of accounts of a panchayat union council for each financial year shall be sent by the auditor appointed by the Government under sub-section (1) of section 141 of Madras Act XXXV of 1968 to the Commissioner after the audit is completed. A copy of such report shall be sent by the auditor to the Revenue Divisional Officer, Collector and the Additional Development Commissioner.

2. The Commissioner shall place the objection statement and the audit report, with his replies thereto, before the panchayat union council and submit it to the Revenue Divisional Officer concerned together with two copies of his replies and the resolution of the panchayat union council approving them, within two months from the date of receipt of the audit report.

3. The Revenue Divisional Officer shall submit the replies of the Commissioner with his remarks, if any, within fifteen days of the receipt of the audit report and the objection statement from the Commissioner. The objection statement and the audit report of the panchayat union council shall be reviewed by the Collector and a copy of the review shall be sent to the auditor and the Additional Development Commissioner with copies of the replies of the Commissioner and the resolution of the panchayat union council within fifteen days of the receipt of the report of the Revenue Divisional Officer.

4. On receipt of the review with the connected records from the Collector they shall be scrutinised by the Additional Development Commissioner and he shall issue such instructions as may be necessary and communicate the same to the Commissioner, Revenue Divisional Officer and Collector, with copies to the auditor.

5. The annual audit reports of the year 1965-66 onwards on the audit of the accounts of the Panchayat Union Councils shall be issued by the Examiner of Local Fund Accounts within a period of twelve months from the date of receipt of the annual accounts in the audit office from the Panchayat Union Councils.

(G.O. No. 261, R.D. & L.A., dated 1st February 1962.)

(G.O. No. 1385, R.D. and L.A., dated 28th June 1963.)

(G.O. Ms. No. 1619, R.D. & L.A., dated 30th June 1966.)

(G.O. Ms. No. 2453, R.D. & L.A., dated 20th October 1966.)

Appointment of Auditors.—The Examiner of Local Fund Accounts and his assistants have been appointed under Section 141 (1) of the Madras Panchayats Act, 1963, as auditors of the accounts of the receipts and expenditure of the funds of the town panchayats and the panchayat union councils.

(G.O. Ms. No. 1722, L.A., dated 15th October 1960.)

Responsibility for preparation of monthly accounts.—Under instruction 141 of the Instructions for the maintenance of accounts of the Panchayat Unions, the Commissioner shall prepare or cause to be prepared for each month an abstract of the monthly accounts in Form 82-A and forward it to the District Inspector of Local Fund Accounts not later than the end of the month following.

2. The Examiner of Local Fund Accounts, has brought to the notice of the Government that the monthly accounts were not received from some of the panchayat unions ever since the inception of unions and that in the case of some other Panchayat Union Councils, they were received belatedly.

3. The Government wish to impress upon the Panchayat Union Commissioners that the preparation of the monthly accounts and annual account prescribed in paragraphs 141 and 142 of the Manual of instructions referred to above is their personal responsibility and that they should see that the above statements are sent to the District Inspector of Local Fund Accounts, promptly on the due dates.

[Memo. No. 149817/R.D. (Accounts.E)/61-1, dated 28th August 1961.]

Avoidance of delay in the preparation of monthly and annual accounts.—The Commissioners of Panchayat Unions were informed that the preparation of the monthly and annual accounts prescribed in paragraphs 141 and 142 of the Manual of Instructions for the maintenance of accounts in Panchayat Union Councils is their personal responsibility and that they should see that the above statements are sent to the District Inspector of Local Fund Accounts concerned promptly on the due date. The Examiner of Local Fund Accounts, Madras has again brought to the notice of the Government that in spite of the instructions already issued the monthly and annual accounts of some of the panchayat union councils are not received even after the lapse of six months from the due date and that on this account, the audit of the accounts, is held up and his programme for audit is much upset.

2. The Government view the remiss on the part of the Panchayat Union Commissioners with displeasure and that they are informed that the delay in the despatch of the above accounts if brought to the notice of the Government in future will be taken serious notice of and suitable action taken against the Panchayat Union Commissioners concerned.

3. The Panchayat Union Commissioners are also informed that whenever the accounts are not rendered in time they should send to the audit along with the accounts, their explanation for the delay. This should be a covering letter and not just a foot-note in the accounts. The audit will retain the accounts and forward the explanation of the Panchayat Union Commissioner to the Collector. The Collector should scrutinise the explanation of the Panchayat Union Commissioner and take such further action as he considers necessary. Running defaults should be reported to Government. The Collector are requested to keep a special watch over this important item of work.

4. The Examiner of Local Fund Accounts, Madras, is requested to circularise the contents of paragraph 3 above to all the District Inspectors of Local Fund Accounts and Assistant Examiner of Local Fund Accounts, etc.

[Memo. No. 261561, R.D. Accts.E/82-2, dated 11th February 1962.]

Time-limit for review of Audit Reports.—According to the rules issued in G.O. Ms. No. 261, R.D. & L.A., dated the 1st February 1962, for the issue and disposal of audit reports of panchayat union councils, the Auditor appointed by the Government (the Examiner of Local Fund Accounts, Madras, and his Assistants) should send the report on the audit of the accounts of a panchayat union council to the Panchayat Union Commissioner. A copy of the Audit Report should also be sent to the Revenue Divisional Officer and to the Collector concerned. The Panchayat Union Commissioner should place the audit report, with his replies, before the panchayat union council and submit it to the Revenue Divisional Officer concerned with a resolution of the panchayat union council approving the replies within two months of the receipt of the audit report. The Revenue Divisional Officer

will forward them with his remarks to the Collector, who will review the audit report and forward a copy of his review together with copies of the audit report, the replies of the Commissioner and the resolution of the panchayat union council to the Auditor. The Examiner of Local Fund Accounts, Madras, has suggested that a time-limit may be prescribed for the review of the audit report by the Collectors and forwarding them to his Department.

2. The Government have examined the matter and have also considered the question of a central scrutiny of the audit reports of the panchayat union councils for the first few years. The Government have considered that a review at the State level is desirable for the first two years, so that the audit as well as the Unions, the Divisional Offices and the Collectors would be guided properly and appropriate procedures would get established by that time. They accordingly direct that the following procedure may be followed regarding the issue and disposal of audit reports of panchayat union councils :—

(i) The quarterly objection statement and the report of the audit of accounts of a Panchayat Union Council for each financial year will be sent in duplicate by the Auditor to the Commissioner, after the audit is completed. A copy of such report will be sent by the Auditor to the Revenue Divisional Officer, Collector and the Additional Development Commissioner.

(ii) The Commissioner will place the objection statement, or the audit report, with his replies thereto, before the panchayat union council and submit it to the Revenue Divisional Officer concerned, together with two copies of his replies and the resolution of the Panchayat Union Council approving them, within a month from the date of receipt of the objection statement or the audit report.

(iii) The Revenue Divisional Officer, will submit the replies of the Commissioner to the Collector with his remarks, if any, within fifteen days of the receipt of the report of the Commissioner. The objection statements and the audit reports of the Panchayat Union Councils will be reviewed by the Collector and the review will be sent to the Auditor and the Additional Development Commissioner with copies of the replies of the Commissioner and the resolution of the panchayat union council, within fifteen days of the receipt of the report of the Revenue Divisional Officer.

(iv) On receipt of the review with the connected records from the Collectors they will be scrutinised by the Additional Development Commissioner and instructions will be issued and communicated to the Panchayat Union Commissioner, Revenue Divisional Officer and Collector with copies to the auditor.

3. Necessary amendments to the rules for the issue and disposal of the audit reports of Panchayat Union issued in G.O. Ms. No. 281, L.A., dated the 1st February 1962 will be issued in due course.

(G.O. Ms. No. 1796, R.D., & L.A., dated 19th August 1962.)

According to the orders issued in paragraph 2 (ii) of the G.O. Ms. No. 1796, R.D. and L.A., dated 16th August 1962, the Panchayat Union Commissioner should place the objection statement or the audit report with his replies thereto, before the panchayat union council and submit it to the Revenue Divisional Officer concerned, together with two copies of his replies and the resolution of the panchayat union council, approving them, within a month from the date of receipt of the objection statement or the audit report.

2. It has been brought to the notice of the Government that the time-limit of one month prescribed is not found sufficient, since the meetings of the Panchayat Union Councils are generally held once in a month and also because the gathering of the particulars for furnishing the replies required more time, as in many cases the sanction of an outside authority has to be obtained. It has therefore been requested that the time-limit of one month prescribed may be enhanced.

3. The Government have examined the matter carefully in consultation with the Examiner of Local Fund Accounts, Madras, and direct that the time-limit allowed for the submission of the replies to the audit objection statement and audit reports by the Panchayat Union Commissioners be enhanced from one month to two months.

(G.O. Ms. No. 1229, R.D. & L.A., dated 6th June 1963.)

30. SURCHARGE AND DISALLOWANCE RULES.

1. The Commissioner of a Panchayat Union Council or the Executive Authority of a Panchayat shall submit all accounts to auditors appointed under section 141 of the Act, as required by the auditors.

2. The auditors may—

(a) by summons in writing, require the production of any book, deed, contract account, voucher, receipt or other documents, the perusal or examination of which they consider necessary;

(b) by summons in writing require any person having the custody or control of any such document or accountable for it to appear in person before them; and

(c) require any person so appearing to make and sign a declaration with respect to such document or to answer any question or to prepare and furnish any statement relating thereto. Whoever fails to comply with any requisition lawfully made upon him under this rule shall be punishable with fine which may extend to fifty rupees.

3. The auditors shall—

(a) report to the Panchayat or Panchayat Union Council any material impropriety or irregularity which they may observe in the expenditure or in the recovery of moneys due to the Panchayat or Panchayat Union Council in the accounts of the Panchayat or Panchayat Union Council, as the case may be; and

(b) report to the Panchayat or Panchayat Union Council any loss, waste or misapplication of money or other property owned by or vested in the Panchayat or Panchayat Union Council if such loss, waste or misapplication is a direct consequence of his neglect or misconduct, with names of persons directly or indirectly responsible for such loss, waste or misapplication.

4. The Commissioner or Executive Authority shall forthwith remedy any defects or irregularities that may be pointed out by the auditors and report the same to the Panchayat Union Council or Panchayat as the case may be.

5. (1) Any auditor empowered by the Government, may disallow every item contrary to law and surcharge the same on the person making or authorising the making of the illegal payments and may charge against any person responsible therefor the amount of any deficiency, loss or unprofitable outlay incurred by the negligence or misconduct of that person or of any sum, which ought to have been, but is not brought to account by that person and shall, in every such case, certify the amount due from such person.

Explanation.—It shall not be open to any person whose negligence or misconduct has caused or contributed to any such deficiency or loss, to contend that notwithstanding his negligence

or misconduct the deficiency or loss would not have occurred but for the negligence or misconduct of some other person.

(2) The auditor shall state in writing the reasons for his decision in respect of every disallowance surcharge or charge, and furnish by registered post, a copy thereof to the person against whom it is made.

(3) If the person to whom a copy of the auditor's decision is so furnished refuses to receive it, he shall nevertheless be deemed to have been duly furnished with a copy of such decision within the meaning of sub-rule (2). The period of fourteen days fixed in rules (6) and (7) shall be calculated from the date of such refusal.

6. (1) Any person aggrieved by disallowance, surcharge or charge made, may, within fourteen days after he has received or been served with the decision of the auditor, either—

(a) apply to the Principal Civil Court of Original Jurisdiction to set aside such disallowance, surcharge or charge and the court, after taking such evidence as is necessary, may confirm, modify or remit such disallowance, surcharge or charge with such orders as to costs as it may think proper in the circumstances; or

(b) in lieu of such application, appeal to the Government. Any order passed on such appeal by the Government shall be final.

(2) From any decision of the court under clause (a) of sub-rule (1), an appeal shall lie to the High Court.

Where an application is made to the court under clause (a), the auditor shall be the sole respondent thereto and the applicant shall not be entitled to make either the Government or any other person a party to the proceedings.

7. Every sum certified to be due from any person by the auditor under these rules shall be paid by such person into the treasury or the bank in which the funds of the Panchayat Union Council or Panchayat are lodged within fourteen days after the intimation to him of the decision of the auditor unless within that time such person has appealed to the court or to the Government against the decision; and such sum, if not paid, or such sum as the court or the Government, shall declare to be due, shall be recoverable on an application made by the Collector of the district in the case of Panchayat Union Councils and Divisional Panchayat Officer in the case of Panchayats to the Court in the same way as an amount decreed by the Court.

8. Notwithstanding anything contained in the rules, the Government may at any time direct that the recovery of the whole or any part of the amount certified to be due from any person by the auditor under these rules shall be waived if, in their opinion, such a course is necessary, considering all the circumstances of the case.

9. In these rules "Government" means the Government of Madras.

(G.O. Ms. No. 1127, R.D. and L.A., dated 18th May 1968.)

(G.O. Ms. No. 2178, Rural Development and Local Administration,
dated 10th October 1963.)

(71) In the Government Order cited, rules have been issued laying down the mode of preparation and submission of the report on the administration of the Panchayat Union Council and on the administration of all panchayats in the Panchayat Union by the Panchayat Union Commissioner. Under section 55 (3) of the Madras Panchayats Act, 1958, the Collector should prepare a general report on the administration of the Panchayat Union Councils and panchayats in the district, place it before the District Development Council and submit it to Government with a copy of the resolution of the District Development Council. The question of prescribing a suitable form for the general report on the administration of Panchayat Union Councils and Panchayats in the districts to be sent by the Collectors of all districts to Government has been engaging the attention of the Government. They now direct that the general report on the administration of the Panchayat Union Councils to be sent by Collectors of all districts should be in the form appended to this order. The form prescribed in Annexure II to G.O. Ms. No. 2160, Rural Development and Local Administration, dated 10th October 1963, should be apoted for the consolidated report on the administration of the Panchayats to be submitted by Collectors, Development District-wise. The consolidated report should include Village and Town Panchayats also in the respective Development Districts. A copy of the report and the resolution of the District Development Council should be sent by the Collector to the Director of Rural Development simultaneously.

2. The Director of Rural Development is requested to instruct all Panchayat Union Commissioners to include in the Administration report submitted by them a separate chapter on Community Development Programme activities under the different headings mentioned in the latter part of the Annexure to this order to enable the Collectors of the districts to consolidate these reports for each Development District.

3. The Panchayat Union Commissioner should also be instructed to send to the Director of Rural Development simultaneously, a copy of the consolidated report on the administration with the resolution of the Panchayat Union Council which every Panchayat Union Council has to send to the Collector under section 55 (1) of the Madras Panchayats Act, 1958.

(G.O. Ms. No. 261, R.D. & L.A., dated 1st February 1962.)

(G.O. Ms. No. 542, R.D. & L.A., dated 9th March 1964.)

32. APPOINTMENT OF COMMON OFFICER OR SERVANT FOR TWO OR MORE PANCHAYAT UNION COUNCILS.

1. The Additional Development Commissioner may, when necessary, require two or more panchayat union councils, to appoint the same officer or servant, not being a commissioner to exercise or discharge any powers or duties of a similar nature for both or all of them :

(G.O. Ms. No. 1677, L.A., dated 8th October 1960.)

(Memo. No. 12613 L/69-10, dated 12th November 1962.)

(G.O. Ms. No. 2162, R.D. & L.A., dated 28th November 1961.)

(72) *Fixation of strength of Panchayat Union Offices—1. Existing pattern of office staff of a Development Block.*—The staffing pattern laid down by the Government of India for every Block delineated under the Community Development Programme is as shown below, so far as office staff is concerned :—

- (1) One Block Development Officer.
- (2) One Progress Assistant.
- (3) One Accountant-cum-Store-keeper.
- (4) One Senior Clerk.
- (5) One Cashier.
- (6) One Typist.
- (7) Four Class IV servants.

The cost of the above staff is shared by the Government of India and the State Government.

2. *Effect of constitution of Panchayat Union for a Development Block.*—(i) If a Panchayat Union Council is constituted under section 11 read with section 13 of the Madras Panchayats Act, 1958, for every Development Block, it will have an office of its own. The normal income of a Panchayat Development Block under the Act may come to about three to four lakhs of rupees under both the General Fund and the Elementary Education Fund. To manage the volume of work involved in transacting business connected with such funds, a scale of staff sanctioned for a normal Second Grade Municipality will be necessary.

(ii) When the execution of the Community Development Scheme is entrusted to it under section 66 of the Act, the Block Development Office under the Block Development Officer and the Panchayat Union Office will have to be merged into a single office.

(iii) Then it will be necessary to specify —

(a) what staff will constitute the Extension staff whose services are placed at the disposal of the Panchayat Union free of cost for office purposes and what staff will be the Panchayat Union staff proper ;

(b) how both the categories of the staff, namely, the Panchayat Union staff and the Extension staff will be chosen ;

(c) what salaries and allowances will be paid to both the categories of staff ; and

(d) how the cost of both the staff will be met.

For this purpose, it will not suffice to make over the staff according to the existing pattern and share the cost as at present. The following orders are issued clarifying the position of both the categories of the staff in respect of the matters referred to above.

3. *Commissioner for Panchayat Union.*—Section 44 of the Act provides that a Commissioner shall be appointed by the Government in the case of each Panchayat Union Council and that such Commissioner shall ordinarily be the Development Officer appointed in pursuance of the National Extension Service Scheme of Community Development for the Panchayat Development Block and also that no recovery shall be made from the Panchayat Union Council towards the salary and allowances paid to any Commissioner or towards his leave allowances, pension and provident fund. As soon as a Panchayat Union is constituted and the Panchayat Union Council comes into being, orders will be issued by the Government appointing the Block Development Officer of the respective Block as the Panchayat Union Commissioner.

4. *Other office staff.*—Section 57 (1) of the Act provides that the sanction of the Panchayat Union Council shall be obtained for all proposals for fixing or altering the number, designation and grades of its offices and servants and the salaries, fees and allowances payable to them ; while section 57 (3) empowers the Government to fix or alter the number, designation and grades and the salaries, fees and allowances payable to the officers and servants of a Panchayat Union. The Government have considered the question as to what categories of posts should form the authorised staff of a Panchayat Union Office and after such consideration they

have proposed to fix under section 67 (3) of the Madras Panchayats Act, 1958 the following scale of authorised staff for a Panchayat Union:—

Designation.	Number.
(i) Manager	One.
(ii) Accountant	One.
(iii) Head Clerk	One.
(iv) Upper Division Clerks	Two.
(v) Lower Division Clerks	Five.
(vi) Cashier (Shroff)	One.
(vii) Typist	One.
(viii) Attendants	Two (plus one more in the event of the number of teachers exceeding 200).
(ix) Peons	Six.
(x) Jeep Driver	One.

5. *Distinction between "National Extension Service establishments" and other establishments to be maintained by the Panchayat Union.*—Though it is desirable for purposes of efficient performance of the work of the Panchayat Union Office, that there should be an integrated office establishment dealing with "Community Development" work as well as "Local Administration" work it is necessary to continue to maintain a distinction between the staff to be maintained by the Panchayat Union at its own cost and the Government staff whose services are to be placed free of charge at the disposal of the Panchayat Union, along with the entrustment of the execution of the National Extension Service Scheme under section 66 of the Act. The purpose for which this distinction will be made are detailed in paragraphs 6 to 9 below. The Government direct that out of the integrated office establishment specified in paragraph 4 above, the following should constitute the National Extension Service establishment:—

(i) The Manager	One.
(ii) The Accountant	One.
(iii) Upper Division Clerks	Two.
(iv) Jeep Driver	One.

The remaining should be treated as the staff to be maintained by the Panchayat Union at its own cost.

6. *Statutory provisions regarding absorption of District Board staff under Panchayat Union Councils.*—Rule 12 of Schedule IV to the Madras Panchayats Act, 1958 provides that every officer and servant of the district board (other than the teachers and other employees of elementary schools) shall be appointed to such posts as the Government or such officer as may be authorised by them in this behalf may consider suitable under the Panchayat Union Council or any District Development Council. Therefore preference should be given to the employees of the district boards in making appointments to all posts included in the establishment of the Panchayat Union, whether such establishment constitutes the National Extension Service establishment or the Panchayat Union staff. The Government consider that by 1st April 1961 the District Board offices should be completely partitioned into nucleus offices for Panchayat Unions and that they should start functioning as such in the respective Development Blocks (both active and shadow blocks) ahead of the formal inauguration of the Panchayat Union Councils. The District Board Office should then be shrunk down to a nucleus staff with adequate experience in accounts. The Government accordingly direct that the Collector and Special Officer of every District Board shall prepare a complete list of all persons employed under the District Board on 1st August 1960; carry out a complete scrutiny of their records; and determine in the case of each employee the post which he should hold under the Panchayat Union Council in order that he might be in position on 1st April 1961 in nucleus Panchayat Union Office referred to above. Such a placement statement should be prepared, bearing in mind the length of service put in by various categories of personnel and taking into account what the normal prospects would have been if the persons had been in the Revenue Department of Government. The preparation of the statement should be completed before 1st September 1960 and the persons concerned should be given intimation in appropriate terms about their future.

7. *National Extension Service Office establishment (initial constitution)*—(i) *Manager*—The post of Manager is new and in making appointments to it preference should be given to the employees of District Boards. The claims of Superintendents and Senior Upper Division Clerks should be considered first. If no suitable qualified person in the District Board service is available, persons may be recruited from municipal Offices and from the Revenue Department. The prior approval of the Additional Development Commissioner should be obtained for the list of candidates selected for appointment.

(ii) *Accountant*.—Candidates for appointment to the post of Accountant shall be recruited from the Local Fund Audit Department.

(iii) *Upper Division Clerks*.—Those Upper Division Clerks if any in District Board Offices who have not been promoted to the post either of Manager or Head Clerk should be absorbed as Upper Division Clerks. Subject to this requirement the Upper Division Clerks working in Block Offices should wherever they are suitable be continued. The 'Progress Assistant' provided for the National Extension Service Scheme has been redesignated as "Extension Officer—Statistics". The question of reorganisation of statistical establishments is under separate consideration and orders will issue separately. Meanwhile so long as there is a Progress Assistant (alias Extension Officer—Statistics) in any Block he should be counted against one of the posts of Upper Division Clerks.

(iv) *Jeep Driver*.—The Jeep Drivers in the Block Offices should be continued as such in the respective Blocks.

8. *National Extension Service (office) establishment (future maintenance)*.—The question whether the posts may be included in the Madras Ministerial Service or a separate service may be constituted will be considered in due course and orders issued separately.

9. *Office establishment to be maintained by the Panchayat Union (initial constitution)*.—(a) The following staff out of the integrated office establishment specified in paragraph 4 above shall constitute office establishment to be maintained by the Panchayat Union and they shall be remunerated at such scales of pay as may be fixed by the Panchayat Union but not higher than the following scales of pay :—

Scales of pay.

(i) Head Clerk—One—Rs. 125—5—175.

(ii) Lower Division Clerks—Five—Rs. 90—3—120—2—140.

(iii) Cashier (Shroff)—One—Rs. 90—3—120—2—140.

(iv) Typist—One—Rs. 90—3—120—2—140 plus special pay of Rs. 10.

(v) Attenders—Two Rs. 50—1—70 (plus one in the event of the number of teachers exceeding 250).

(vi) Peons—Six—Rs. 50—1—60.

(b) The pay and allowances of the Head Clerk and two of the Lower Division Clerks shall be debited to the Panchayat Union (Education) Fund. The pay and allowances of the remaining staff, viz., three Lower Division Clerks, one Typist, Cashier (Shroff), two or more Attenders and six Peons shall be debited to the Panchayat Union (General) Fund.

(c) Such number of additional posts (other than posts of Attenders and Peons) as may be required urgently to fill up the strength of each of the Panchayat Union Council should be created by the Special Officers of the District Boards as additions to the existing District Board staff one month in advance of the constitution of the Panchayat Union Council. For filling up the posts of Lower Division Clerks for which candidates from the District Boards or the Block Offices may not be available, the Employment Exchanges should be contacted. Preference should be given to local applicants over applicants from outside. Newly authorised posts of Attenders and Peons may be left to be filled later after Panchayat Unions begin to function. The following standardised procedure for recruitment of Lower Division Clerks should be followed: Candidates may be interviewed and selected by an *ad hoc* committee of officers consisting of the Personal Assistant to the Special Officer, one of the other Personal Assistants to the Collector and the Revenue Divisional Officer of the division for which the recruitment is made. The staff may be recruited one month ahead of the inauguration of the Panchayat Union so that they may be given training in the District Board Offices and formed into a separate section corresponding to the different union offices when the Manager and Accountant also join the District Board Offices on 1st September 1960.

10. *Organisation of Panchayat Union Office in three sections.*—The staff referred to in paragraphs 5 and 9 shall be distributed into the following three distinct sections in the combined Panchayat Union Office.

(73) *Payment of House Rent Allowance to employees borne on Panchayat Union Service.*—Orders have been issued in G.O. 711, Finance, dated 11th July 1960, fixing the new rates of house rent allowance payable to Government servants. This Government Order makes house rent allowance payable to Government employees in all municipalities, all taluk headquarters, all divisional headquarters and certain specified special areas. The Government consider that it is necessary to extend the same concession to the employees borne on Panchayat Union Service working in the same areas. Accordingly the following orders are issued.

2. Under section 37 (3) of the Madras Panchayats Act, 1968, Government direct that house rent allowance shall be payable to all employees of the Panchayat Unions, who are paid out of the Panchayat Union funds, working in the headquarters of those panchayat unions whose headquarters offices are located in municipalities, taluk headquarters, headquarters of Revenue Divisions and the special areas mentioned in the Government Order first cited. (G.O. No. 711, Finance, dated 11th July 1960.) The rates of the allowance payable are those applicable to the respective areas with reference to the classification in G.O. No. 711, Finance, dated 11th July 1960, as amended by G.O. No. 291, Finance, dated 24th February 1961.

3. The allowance is payable subject to the following conditions :—

(a) The allowance will be payable with effect from the date of constitution of the Panchayat Union, or, the date of employment in the Panchayat Union at its headquarters, whichever is later.

(b) In the case of panchayat unions already constituted, the allowance will be payable with retrospective effect with effect from the date of constitution of the panchayat unions, or, the date of employment in the panchayat union at its headquarters, whichever is later.

(c) The allowance will be payable to those working within the limits of the headquarters of the panchayat union, irrespective of the place of their actual residence.

(d) Those employees having free quarters will not be eligible for the allowance.

(e) The following categories of employees are not eligible for the allowance :—

- (i) Menials paid from contingencies (other than sanitary workers).
- (ii) Sanitary workers who are provided with quarters, free or on nominal rent.
- (iii) Sanitary workers who are employed off and on as casual workers.
- (iv) Staff paid on nominal muster rolls.
- (v) Work-charged establishment.

(f) The expenditure on the payment of the allowance should be met entirely from the funds of the respective Panchayat Unions. No grant will be given by the Government to meet deficit, if any, caused by the payment of the allowance.

(G.O. Ms. No. 942, R.D. & L.A., dated 28th March 1961.)

(74) *Writing up of personal files of Panchayat Union Commissioners.*—The Government have examined the question of writing, scrutinising and maintaining the personal files of the Block Development Officers-cum-Panchayat Union Commissioners. In supersession of all the previous orders on the subject, the Government direct that the following procedure be adopted regarding the writing, scrutiny and maintenance of the personal files of the Block Development Officers-cum-Panchayat Union Commissioners :—

(1) The confidential reports should be written annually for the period ending 31st December.

(2) The Revenue Divisional Officers concerned should draw the confidential reports on Block Development Officers-cum-Panchayat Union Commissioners and send them to the Additional Development Commissioner through the Chairman of the Panchayat Union Council and the Collector of the district concerned.

(3) The District Heads of Departments like the District Agricultural Officers, the District Veterinary Officers, the Deputy Registrars of Co-operative Societies, etc., may report separately to the Collector of the district on the work and conduct of the Block Development Officers-cum-Panchayat Union Commissioners, if necessary.

(4) The Collector should forward the confidential reports received from the Chairman to the Additional Development Commissioner. While forwarding the reports he can add his own remarks after taking into consideration the reports received from the district heads referred to in item (3) above, if he considers necessary.

(6) It is enough if a single copy of confidential report is sent to the Additional Development Commissioner. No duplicate file need be maintained either by the Revenue Divisional Officer or the Collectors or the Chairmen.

(8) The main personal files of the Block Development Officers-cum-Panchayat Union Commissioners will be maintained by the Additional Development Commissioner.

(7) The Additional Development Commissioner will be the scrutinising authority of the confidential reports and he will communicate adverse remarks, if any, to the Block Development Officers-cum-Panchayat Union Commissioners and obtain their acknowledgments and add them to the personal files.

(G.O. Ms. No. 3040, L.A., dated 13th November 1961.)

(15) The Government have examined the question of issuing instructions regarding the formation and recognition of Associations of employees (other than school teachers) of Panchayat Unions. The attention of all concerned is invited in this connection, to the instructions issued in G.O. Ms. No. 1671, L.A., dated 8th September 1948 governing the formation of Associations of employees of Local Boards and Municipal Councils. These instructions are applicable to the employees of District Boards. Attention is also invited to section 137 (vi) of the Madras Panchayats Act, 1958 and it is hereby clarified that the instructions issued in G.O. Ms. No. 1671, L.A., dated 8th September 1948 will apply also to all employees of Panchayat Unions paid out of Panchayat Union funds (other than Elementary School Teachers).

(Memo No. 53809/T4/61-1, dated 17th May 1961.)

(Copy of G.O. No. 1671, L.A., dated 8th September 1948 as amended.)

(16) In pursuance of the orders in G.O. No. 2386, L.A., dated 31st October 1948, as amended by G.O. No. 1760, L.A., dated 17th October 1947, a revised set of instructions for the formation and recognition of Associations of employees of local boards and municipal councils (other than school teachers) is appended to this order. Executive authorities of local boards and municipal councils are requested to bring these instructions to the notice of their employees.

APPENDIX.

INSTRUCTIONS FOR RECOGNITION OF ASSOCIATIONS OF EMPLOYEES UNDER LOCAL BOARDS AND MUNICIPAL COUNCILS (EXCEPT TEACHERS IN LOCAL BOARD AND MUNICIPAL SCHOOLS).

1. An association may be formed—

(a) separately of a particular class of employees under any municipal council, panchayat board or district board, or

(b) of all the similar employees serving under each municipal council, panchayat board or district board.

(c) in any district jointly of a particular class of employees of municipal councils, panchayat board and the district board.

No association will be recognised which draws its members from an area larger than a district. An association of industrial employees must be registered under the Indian Trade Unions Act.

2. The Association shall be for the purpose of enabling the class of employees of whom it consists to communicate the needs of the employees to the local bodies or to Government or to the officers of Government in respect of conditions of their service. It may also express its views on matters referred to it by Government or an officer of Government or by the local authority or authorities from which its members are drawn.

3. Membership of the Association shall be open to every employee in active service of the class represented by the association or to an employee of that class who has honourably retired from the service of a local body, and no other person shall be admitted as member of the Association. Persons who are not in the active service in the local body shall not be office-bearers of the Association.

4. The Association shall not discuss political subjects at any of its meetings or take part in political activities nor shall it maintain a political fund.

5. The Association may make its own regulations not inconsistent with those regulations in regard to all matters connected with the conduct of its proceedings and the powers, duties and functions of its office-bearers. A copy of such regulations shall be forwarded to Government, if called for, and shall be subject to such amendments as the latter may specify.

6. The meetings of the Association shall be open only to its members and office-bearers but any other person may be permitted to attend when such person has been invited either to deliver an address or to participate in annual or other special celebrations of the Association. The Association shall not without the previous sanction of the Government permit its proceedings to be open to the Press.

7. The Association shall hold its meetings ordinarily on holidays. On occasions when it is not possible to do so, the authority who is competent to grant leave to the employee concerned will so far as is possible grant casual leave to the employee who is a member or office-bearer of the Association to attend duly convened meetings of the Association. The grant of such leave shall be subject to the exigencies of the service of which the authority in question shall be the sole judge.

8. Within ten days of every meeting of the Association a copy of the proceedings at such meeting shall be forwarded to the executive authority of the local body or bodies concerned who shall place them before the local bodies concerned for their consideration and submission if necessary to Government or officers of Government with such recommendation as the local bodies think fit. A copy of the annual statement of its accounts together with a brief report of its activities and list of its members and office-bearers shall be forwarded to the executive authority of the local body or bodies concerned on dates which they may specify. Changes in the personnel shall also be reported to the local body or bodies concerned immediately the change takes place.

9. Representations from such associations may be made orally by deputation or presented in writing to the executive authority of the local body concerned notwithstanding anything contained in the rules relating to the submission of petitions and memorials by servants of local bodies.

Provided that (a) representations to Government shall be made only through the channel that may be specified by Government;

(b) they shall be in the form of a petition stating the grounds and circumstances of each case;

(c) representation shall be made only to the authority that may be appointed by Government; and

(d) no representation or deputation will be received except in connexion with a matter which is, or raises questions which are of common interest to the class represented by the Association.

No attention will be paid to representations from Associations which have not been accorded official recognition.

Nothing in these instructions affects the discretion of the Government, the head of a department or the executive authority of the local body or bodies concerned to receive or not to receive a deputation from any Association.

10. Recognition is accorded for the purpose of enabling the employees of local bodies to communicate their needs and grievances to the local bodies and to Government. It may be refused or withdrawn if the members adopt other methods of ventilating those needs and grievances.

NOTE.—For the purpose of the instruction "other methods" shall include seditious propaganda, expression of disloyal sentiment, publication in the press, engaging or inviting the assistance of political and other parties for the representation of grievances and threat of strike.

11. Application for recognition of Associations should be submitted to Government through the local authority or authorities and the head of the Departments of Government concerned together with a copy of the regulations of the Association referred to in instruction 5.

12. The Association shall not seek the assistance of any political party or organization to represent the grievances of its members.

13. The Association shall have the following regulation incorporated among its regulations:—

"A strike or the threat of a strike against the local body shall never be used as a means of achieving any of the purposes of the Association."

14. The Government may delegate any of their powers under these instructions to any authority subordinate to it.

(G.O. Ms. No. 1671, L.A., dated 8th September 1948.)

(G.O. Ms. No. 559, L.A., dated 27th March 1951.)

34. PAYMENT OF ARREAR CLAIMS OF PANCHAYAT UNION COUNCIL STAFF.

1. (1) Any claim of an officer or servant of a panchayat union council for arrears of pay, allowances or increments of pay which has been allowed to remain in abeyance shall, before payment, be investigated by the commissioner—

(i) with the sanction of panchayat union council in the case of claims relating to a period exceeding six months but not exceeding two years; and

(ii) with the sanction of the panchayat union council and of the Collector in the case of claims relating to a period exceeding two years.

(2) No claim for travelling allowance shall be entertained if it is made after three months from the date of completion of the journey to which it relates. Countersigning officers shall refuse to countersign bills presented after three months from the date of completion of the journey for which the travelling allowance is claimed.

2. The payment of an arrear claim ordered under rule 1 shall not exceed the amount found to be actually due under the claim in respect of a period of one year immediately preceding the date of detection of the under-payment. If, in any particular case, it is considered that for special reasons a larger concession should be granted, the commissioner shall consult the Examiner of Local Fund Accounts in the first instance and then obtain, if the Examiner of Local Fund Accounts so advises the sanction of the Collector for payment of arrears for a period exceeding one year :

Provided that consultation with the Examiner of Local Fund Accounts shall not be necessary in respect of arrear claims involving a sum not exceeding rupees twenty-five in each case.

Explanation.—For the purpose of this rule, the date of detection of an under-payment shall be the date on which the under-payment is detected by or brought to the notice of the commissioner or, if it is first detected in audit, the date of detection by the Audit Department. An arrear claim resulting from an order issued with retrospective effect does not arise until the order is issued and shall not, therefore, be treated as a claim allowed to remain in abeyance during the period prior to the date of the order. An order passed with retrospective effect shall, for the purposes of this explanation be deemed to be one, which in the circumstances of the case, could not have been passed earlier or which was deliberately held over pending consideration.

3. The power conferred on the panchayat union council by rule 1 shall not be delegated by the panchayat union council.

(G.O. Ma. No. 1677, L. A., dated 8th October 1960.)

(77) *Sanction of increments to Extension Officers.*—In G.O. Ma. No. 1210, Public (Rural Development Projects), dated 8th August 1954, the Block Development Officers have been empowered to sanction increments to all non-gazetted staff working in Blocks including Extension Officers.

2. In G.O. Ma. No. 3008, Public (Rural Development Projects), dated 28th July 1959, orders have been issued that in respect of non-gazetted ministerial staff working in the Blocks manned by the non-gazetted Block Development Officers, their increments will be sanctioned by the Revenue Divisional Officers, and in respect of non-gazetted ministerial staff working in the Blocks manned by Gazetted Block Development Officers, their increments will continue to be sanctioned by Gazetted Block Development Officers. In G.O. Ma. No. 2658, Food and Agriculture, dated 3rd September 1961, orders have been issued in the Food and Agriculture Department to the effect that the increments of the Extension Officers (Agriculture) will be sanctioned by the District Agricultural Officers.

3. It is now considered that as the Extension Officers are borne on the cadres of different technical departments, it is desirable that their increments are sanctioned by the concerned District Officers themselves. Accordingly the Government direct that the increments of Extension Officers working in Blocks be sanctioned by the respective District Officers.

(G.O. No. 144, R.D., dated 26th February 1960.)

(78) *Sanction of increments of Extension Officers for panchayats.*—The Government direct that the increments of the Extension Officers for Panchayats be hereafter sanctioned by the Revenue Divisional Officers in whose jurisdiction they are working.

(G.O. No. 2714, R.D. & L.A., dated 13th February 1962.)

35. POWER OF GOVERNMENT TO RELAX RULE OR REGULATION IN RESPECT OF ESTABLISHMENT OF PANCHAYAT UNION COUNCILS.

No rule or regulation made under the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958) shall be construed to limit or abridge the power of the Government to deal with the case of any officer or servant of panchayat union council or any candidate for appointment to the service of a panchayat union council in such manner as may appear to them to be just and equitable:

Provided that where any such rule or regulation is applicable to the case of any such officer or servant of a panchayat union council or to any candidate for appointment to the service of a panchayat union council the case shall not be dealt with in any manner less favourable to such officer or servant of the panchayat union council or to the candidate for appointment to the service of the panchayat union council as the case may be than that provided by that rule or regulation.

(G.O. Ms. No. 1677, L.A., dated 8th October 1960.)

36. TRANSFER OF OFFICERS AND SERVANTS OF PANCHAYAT UNION COUNCILS.

1. A panchayat union council may permit any of its officers and servants paid out of its own funds, to leave its service permanently and enter the service of any other panchayat union council within the same district :

Provided that the panchayat union council whose service the officer or servant intends to enter is willing to permit such officer or servant to enter its service subject to the terms and conditions as may be agreed to by the panchayat union councils concerned and such terms and conditions shall include conditions regarding the carrying over of the leave earned and other specified benefits accrued to the officer or servant in his previous service under the panchayat union council concerned, to the service under the panchayat union council which the officer or servant intends to enter :

Provided further that such transfer shall be effected by the panchayat union councils concerned only after obtaining in writing the willingness of the officer or servant concerned :

Provided also that it shall not be necessary to refer the matter of such transfer to the Collector for orders.

2. The panchayat union council whose service the officer or servant leaves shall determine and communicate to the panchayat union council whose service he enters, the period of leave and the amount of leave allowances of the officer or servant for which the panchayat union council has to accept liability under the agreement referred to in rule 1. The amount of leave to his credit, the rate of leave allowance admissible to him on the date of his transfer and the total amount of leave allowances for which the panchayat union council has accepted liability, shall be entered in his service book before it is forwarded to the panchayat union council whose service the officer or servant enters.

3. The panchayat union council whose service the officer or servant enters may grant any leave and leave allowance admissible to him according to its service regulations but it shall not make the panchayat union council whose service the officer or servant has left liable either for a longer period of leave or for a larger amount of leave allowances than that communicated under Rule 2. The difference, if any, that may be required to make up the leave allowances due to the officer or servant shall be borne by the panchayat union council granting the leave.

4. The panchayat union council granting the leave shall pay the leave allowances of the officer or servant from its own funds in the first instance and arrange to recover from the panchayat union council whose service the officer or servant has left the amount of leave allowances which the latter is liable to pay.

5. The amount of leave allowances actually recovered from the panchayat union council concerned from time to time as leave is granted, shall be entered in his service book.

(G.O. No. 1951, R.D. & L.A., dated 1st May 1952.)

(79) Section 60 (2) of the Madras Panchayats Act, 1958, provides that any officer or servant of a panchayat union council (including the commissioner) may be transferred to the service of any other panchayat union council or any municipality constituted under the Madras District Municipalities Act, 1920, after consulting the panchayat union council or Municipality concerned. The Government have authorized the Additional Development Commissioner, Madras, to exercise the power to transfer any officer or servant of a panchayat union council to the service of any other panchayat union council or any municipality in the State and the Collector to exercise the above power so far as it relates to transfer within a district, subject to control and supervision by the Development Commissioner, Madras.

(G.O. No. 76, L.A., dated 13th January 1960.)

(Memo. No. 28569/L2/61-1, L.A., dated 15th February 1961.)

(87) *Payment of Travelling Allowance and Advance to Panchayat Union Staff.*—The following points have been referred to Government for clarification:—

(a) Whether the Travelling Allowance of employees borne on Panchayat Union service (e.g. peons, cashiers, etc.) but who are deputed for work connected with the block may be paid travelling allowance, etc., out of Panchayat Union Funds though the purpose of the deputation may not be of direct concern to the Panchayat Union.

(b) How advances like Festival advance paid out of State Funds to the staff now borne on the Panchayat Union Service, but previously part of the National Extension Service establishment should be recovered.

2. The Government after careful consideration of the points raised, issue the following clarifications:—

Point (a).—The Travelling Allowance, etc., of the employees borne on the National Extension Service establishment or that of the employees borne on the Panchayat Union Service should be paid only from the respective funds from which their pay and allowances are otherwise paid, even though a particular item of official work done by them may not have a direct bearing on the functions of the block or the Panchayat Union Council, as the case may be. The services of the

staff borne on the National Extension Service establishment and the staff borne on the Panchayat Union Service should be freely available to each other in all their official work and in all such cases the necessary allowances, if any payable, must be debited to the original head of account from which their pay and allowances are drawn. The distinction between the two categories of staff stipulated in G.O. Ms. No. 1225, L.A., dated 20th July 1960, should not have any impact whatsoever on matters of day-to-day administration.

Point (b).—The advances given by the Government pending recovery from the staff, previously borne on Government service and now borne on the Panchayat Union service, should be recovered by the Panchayat Union Commissioner from the pay and allowances of the employees concerned according to the terms under which such advances had been paid to them and credited to the appropriate head of account in Government accounts.

(Memo. No. 203498/T4/60-3, Rural Development and Local Administration, dated 22nd February 1961.)

(81) Clarification of rules regarding transfer of officers and servants.—Rules relating to the transfer of officers and servants of panchayat union councils have been issued in G.O. Ms. No. 1061, R.D. & L.A., dated the 1st May 1962. The following further instructions are issued in the matter—

(i) Under rule 1 of the rules relating to the 'Transfer of officers and servants of panchayat union councils', a panchayat union council may permit any of its officers and servants paid out of its own funds, to leave its service permanently and enter the service of any other panchayat union council, subject to the conditions specified therein. In such cases, there should be two separate orders—one from the panchayat union council whose service the officer or servant leaves permitting the officer or servant concerned to leave its service permanently; and the other from the panchayat union council concerned whose service the officer or servant enters permitting such officer or servant to enter its service.

(ii) Proposals for the transfer of officers and servants of panchayat union councils between one district and another shall be submitted for approval to the Additional Development Commissioner, Madras, who has been authorised under G.O. No. 1335, L.A., dated the 10th May 1961 to exercise such powers under section 60 (2) of the Madras Panchayats Act, 1958.

(iii) In G.O. No. 74, L.A., dated the 12th January 1960 Government have authorised Collectors to exercise the powers of transfer of officers and servants of panchayat union councils under section 60 (2) of the Madras Panchayats Act, 1958 in so far as transfers within the district are concerned. When orders in such cases are issued by Collectors the order should confine itself only to a posting to the union concerned and should not specify the particular place or institution in the union to which the officer or servant should be posted; it should be left to the panchayat union concerned to decide the place or institution in the union to which the officer or servant so transferred should be posted.

(G.O. Ms. No. 1062, Rural Development and Local Administration, dated 1st May 1962.)

(G.O. Ms. No. 935, R.D. & L.A., dated 21st April 1965.)

(82) In G.O. Ms. No. 375, Rural Development and Local Administration, dated 9th February 1961, instructions were issued that although sub-section (2) of section 53 is very general in terms and empowers the panchayat union council to co-opt even outsiders as members of the Appointments Committee also, the intention, however, is that the power of co-option conferred by sub-section (2) should apply only to the committees referred to in clause (a) of sub-section (1) of that section that is the Education Committee, the General Purposes Committee and other committee referred in clause (b) but not to the Appointments Committee constituted under clause (c) and that necessary notice will be taken to suitably amend sub-section (2) to bring out this intention clearly. Till the sub-section is so amended, the panchayat union councils were requested to have regard to the position explained above and not to co-opt any person as member of the Appointments Committee.

2. The import of the provisions in sub-section (2) of section 53 of the Act has now been re-examined. The Government are advised that a strict interpretation of sub-section (2) of section 53 of the Act, is that the power to co-opt persons as are not members of the panchayat union council as members of the committee is to be restricted to those committees as are appointed by the Panchayat Union Council, either *suo motu* or on a direction from the Government and that the said power of co-opt will not apply in respect of the three committees, viz., Appointments Committee, Education Committee and General Purposes Committee constituted under the statute.

3. In modification of the orders in paragraph 2 of G.O. Ms. No. 375, Rural Development and Local Administration, dated 9th February 1961 the Panchayat union councils are accordingly informed that in view of the strict legal position set out in paragraph 2 above, persons as are not members of the panchayat union council should not be co-opted to the three statutory committees, viz., Appointments Committee, Education Committee and General Purposes Committee.

(G.O. Ms. 1240, R.D. & L.A., dated 29th May 1965.)

(83) *Act—Madras Panchayats Act, 1958—Delegation of powers by the Commissioner—Instructions—Issued*—Under section 44 (6) of the Madras Panchayats Act, 1958, Government direct that whenever a Commissioner of a Panchayat Union avails himself of casual leave and leaves the station, or is unable to attend to his duties he should under section 44 (6) of the Act, delegate all his functions, by a formal order to the senior most Extension Officer of the Panchayat Union. The delegation order should be so phrased by such office orders as may be found necessary for the disposal of routine work by the various Extension Officers or Office Manager. Such supplementary order should make it clear that while the Extension Officer to whom the delegation has been made has the full powers of the Commissioner in case of any emergency, the Extension Officer concerned should restrict the exercise of the said powers to such cases of emergency and that as far as possible the Extension Officer concerned should defer all important matters till the Commissioner's return. A Copy of the order of delegation and of the supplementary orders should be duly communicated to the chairman.

2. The Commissioner should not during his absence and casual leave, etc., for short periods delegate any of his functions and powers specified below to any officers or servants of the panchayat union council or the Government—

(i) making appointments of, initiating disciplinary action against imposing punishments on or transferring Officers and servants borne either on the National Extension Service or on the Panchayat Union Service :

Under clause (a), the gratuity shall be calculated on the pay (whether in superior or Last Grade service) which the servant drew at the time the gratuity becomes payable under rule 8 or immediately before admission to the Provident fund, as the case may be.

Under clause (b), the gratuity on each scale shall be calculated on the pay which the servant drew at the time of transfer from Last Grade Service to superior service or from superior to Last Grade Service and at the time the gratuity becomes payable under rule 8 or immediately before admission to the Provident fund respectively. If, on such apportionment, it is found that more than three-fourths of the amount of gratuity is payable by one local body, that local body shall bear the whole charge and no apportionment shall be made.

(2) No interest shall be allowed to the subscribers on the subscriptions made by them or on the contribution credited to the fund by the Panchayat Union Council. Any interest earned by way of deposit of the subscription and contribution in the Post Office Savings Bank or any other bank and by investment of any sum withdrawn from the deposit account shall be credited to the general fund of the Panchayat Union Council to meet the cost of staff engaged in the maintenance of the accounts relating to the fund.

(3) The sums required for the payment of temporary advances during a month shall be withdrawn from the amounts lodged in the Government Treasury in the case of Panchayat Union Councils and town panchayats and the Local Fund Deposit Account No. II in the case of village panchayats under this rule. The balance remaining in the Government Treasury in the case of Panchayat Union Councils and town panchayats and in the Local Fund Deposit Account No. II in the case of village panchayats at the beginning of a month out of the deposits made therein till the end of the previous month shall be remitted into the Post Office Savings Bank not later than the fourth day of that month.

10. *Temporary Advances*.—The Commissioner may grant temporary advances to a subscriber from the amount standing to his credit on account of subscriptions made by him, if in the opinion of the Commissioner the grant of such advance is absolutely necessary and subject to the following conditions :—

(a) Reasons for the grant of such advances shall be placed on record.

Explanation.—The following may be recognised as legitimate reasons for which advances may be granted :—

(1) To pay expenses incurred in connection with the serious illness (including confinement) of the subscriber or a member of his family.

(2) To pay expenses in connection with marriages, funerals or ceremonies which by the religion of the subscriber it is incumbent upon him to perform and in connection with which it is obligatory that expenditure should be incurred.

(b) An advance granted under this rule shall not exceed three months' pay of the subscriber or one-half of the amount of the subscription made by him to the Fund whichever is less.

(c) An advance shall not, except for special reasons to be recorded in writing and except with the special sanction of the Panchayat Union Council be granted until at least six months have elapsed after the final repayment of all previous advances and the interest thereon.

(d) The advance granted under this rule shall be recovered in not more than twelve successive equal monthly instalments from the pay bills of the subscriber. The recovery shall commence from the month in which the subscriber draws full pay after receiving the advance.

11. *Subscribed amount not liable to attachment.*—The amount standing to the credit of a subscriber in the Fund shall not in any way be capable of being assigned or charged and shall not be liable to attachment under any decree or order of any Civil Revenue or Criminal Court in respect of any debt or liability incurred by the subscriber and neither the Official Assignee nor any receiver appointed under the Provincial Insolvency Act, 1920 (Central Act V of 1920), shall be entitled to, or have any claim on such amount.

12. *Closure of Accounts.*—The account of claim subscriber shall be closed—

- (a) when his services are terminated by discharge, removal or dismissal, or
- (b) when he resigns, or
- (c) when he retires, or
- (d) when he dies.

13. *Repayment on closure of accounts.*—(i) When a subscriber's account is closed in the circumstances detailed in rule 12, the subscriber or his nominees, as the case may be, shall be paid the amount subscribed to the Fund by the subscriber and standing to his credit as on the date on which the account is closed.

(ii) On the death of subscriber before quitting the service, when he leaves a family and if no nomination in favour of a member or members of the family subsists, or if such nomination relates only to a part of the amount standing to his credit to the Fund, the whole amount or the part thereof to which the nomination does not relate, as the case may be, shall notwithstanding any nomination purporting to be in favour of any person or persons other than a member or members of his family, become payable to the members of his family in equal shares :

Provided that no share shall be payable to—

- (1) sons who have attained legal majority;
- (2) sons of a deceased son who have attained legal majority;

(3) married daughters whose husbands are alive;

(4) married daughters of a deceased son whose husbands are alive, if there is any member of the family other than those specified in clauses (1) to (4) :

Provided also that the widow or widows and the child or children of a deceased son shall receive between them in equal parts only the share which that son would have received if he had survived the subscriber.

(iii) Similarly, the subscriber or his nominee, as the case may be, may be paid the amount of contribution paid by the Panchayat Union Council less such sums as it may be found necessary to recover from him and credit to the Panchayat Union Council on any account. The Commissioner shall, before paying the contribution to the subscriber or his nominee, as the case may be, make a record in the service roll that the work and conduct of the subscriber have been such as to merit the payment of the contribution in full. It shall be open to the Panchayat Union Council to pay the contribution in full or in part as it deems fit, subject to the above conditions.

(iv) No contribution shall be payable to persons who have rendered less than five years total service but the subscriber's own subscription shall be paid whatever may be the length of service :

Provided that this restriction shall not apply to the case of a person who dies or who is compulsorily retired on account of physical unfitness, before he completes the prescribed period of five years.

(v) Striking work without adequate and reasonable cause and stopping away from work without permission may be deemed to be sufficient reasons for withholding the contribution.

14. *Intimation to subscribers.*—As soon as possible after the close of each year every subscriber shall be furnished with a statement in Form No. III showing the amount at his credit inclusive of the contribution. Subscribers shall satisfy themselves about the correctness of the amount shown in the statements, and errors, if any, in them shall be brought to the notice of the Commissioner within a month from the date of their receipt. The Commissioner shall thereupon take such action as may be considered necessary.

15. *Maintenance of Registers.*—The Commissioner shall cause to be kept a register of subscribers in Form No. IV, a cash book in Form No. V, a register of temporary advances and their recoveries in Form No. VI and an abstract in Form No. VII.

16. *Application of Local Authorities Provident Fund Rules, 1963.*—Save as otherwise provided in these rules, the provisions

of the rules in Local Authorities Provident Fund Rules specified below, shall apply in respect of the matters dealt with therein:

(1) Rules 5 (1), (4) to (6) and (8) to (10) of the Local Authorities Provident Fund Rules for making nomination and cancellation of nominations;

CHAPTER IV—ASSESSMENT AND COLLECTION OF TAXES AND OTHER REVENUES.**46. LICENSING OF PANDALS AND TEMPORARY STRUCTURES ON ROAD MARGINS VESTED IN THE HIGHWAYS AND RURAL WORKS DEPARTMENT IN PANCHAYAT AREAS.**

1. The Commissioner of a Panchayat Union shall have power to grant licence for the erection of pandals and other temporary structures on margins of roads vested in the Highways and Rural Works and Public Works Departments within the limits of the village in connection with fairs and festivals, subject to the general conditions, if any, which may be imposed by the Panchayat Union Council and in addition to the general directions which the Officers of the Highways and Rural Works and Public Works Departments may issue from time to time.

2. The occupation of such sites shall be allowed only temporarily during a fair or festival. The period for which such occupation is permitted shall, in no case, exceed three days before the commencement and three days after the termination, of the fair or festival exclusive of the actual period of its duration.

3. The licence fee shall be paid to the Panchayat Union Council in advance; otherwise, the licence applied for shall be refused. The acceptance of the pre-payment of the fee for licence shall not entitle the person making such pre-payment to the licence but only to the refund of the fee in case of refusal of the licence.

4. The income derived by the levy of fees for such occupation shall be used primarily for special sanitary arrangements and lighting connected with fairs or festivals, and the balance remaining, if any, shall be utilised for the improvement of the general sanitary condition of the village in which fairs or festivals are held.

The income derived from the levy of licence fees and the expenditure incurred therefrom shall be shown under separate accounts.

5. The Panchayat Union Council shall have no right to trees, if any, standing on the site or to the usufruct therefrom. It shall be solely responsible for any loss of, or damage to trees or produce caused by a licensee during the period of occupation of the site and shall be liable to pay such compensation as may be fixed by the Highways and Rural Works and Public Works Departments in respect of the loss or damage.

6. No masonry or other permanent structures shall be erected on the site.

7. The Panchayat Union Council shall be responsible for the removal of all temporary structures erected on the site in connection with fairs or festivals and the restoration of the site of the Government in its original condition at the end of the fair or festival.

8. Any person applying for a licence shall, in addition to the payment of the licence fee, deposit a sum equivalent to 25 per cent of that fee, which shall be refunded to him at the time of his vacating the site, provided he restores the site in its original condition, failing which the cost of restoration shall be met from the deposit and the balance left, if any, shall be refunded to him.

9. Neither the Panchayat Union Council nor any person permitted by the Panchayat Union Council to occupy any site or portion thereof shall be entitled to claim compensation from the Government under any circumstances.

10. The Commissioner of the Panchayat Union shall report to any officer of the Revenue Department, not below the rank of a Revenue Inspector, any cases of unauthorized occupation, to enable him to take such action as is deemed necessary under the Madras Land Encroachment Act, 1905 (Madras Act III of 1905).

(G.O. Ms. No. 261, Rural Development and Local Administration, dated 1st February 1963.)

47. POWERS WHICH MAY BE EXERCISED BY THE PANCHAYAT UNION COUNCIL OR THE COMMISSIONER IN RESPECT OF ANY PUBLIC OR PRIVATE MARKET OR THE USER THEREOF.

1. The Commissioner of a Panchayat Union Council may expel from any public market any person who or whose servant has been convicted of disobeying any by-laws at the time in force in such market and may prevent such person from further carrying on, by himself or his servants or agents, any trade or business in such market, or occupying any shop, stall or other place therein and may determine any lease or tenure which such person may possess in any such shop, stall or place.

2. The Panchayat Union Council may by notice require the owner occupier, or farmer of any private market to—

(a) construct approaches, entrances, passages, gates, drains and cess-pits for such market and provide it with latrines of such description and in such position and number as the panchayat union council may think it ;

(b) roof and pave the whole or any portion of it, or pave any portion of the floor with such material as will in the opinion of the panchayat union council secure imperviousness and ready cleaning ;

(c) ventilate it properly and provide it with supply of water ;

(d) provide passages of sufficient width between the stalls and make such alterations in the stalls, passages, shops, doors or other parts of the market as the panchayat union council may direct ;

(e) keep it in a clean and proper state, remove all filth and refuse therefrom and dispose of them at such place and in such manner as the panchayat union council may direct ; and

(f) make such other sanitary arrangements as the panchayat union council may consider necessary.

3. If any person, after notice given to him in that behalf by the panchayat union council, fails within the period and in the manner laid down in the said notice to carry out any work specified in rule 2, the panchayat union council may suspend the licence of the said person, or may refuse to grant him a licence until such works have been completed.

4. It shall not be lawful for any person to keep open any private market during such suspension or until the licence is renewed.

5. No owner, occupier, agent or manager in charge of any private market, or of any shop, stall, shed or other place therein, shall keep the same so that it is a nuisance or fail to cause anything that is a nuisance to be at once removed to a place, to be specified by the panchayat union council.

6. (1) Whoever fails to comply with the terms of a notice under rule 2 or contravenes the provisions of any of the other rules specified in the first column of Schedule I below shall be punishable with fine which may extend to the amount mentioned in that behalf in the second column of the said schedule.

(2) Whoever after having been convicted of any of the offences referred to in sub-rule (1) continues to commit such offences shall be punishable, for each day after the previous date of conviction during which he continues so to offend, with fine which may extend to the amount mentioned in that behalf in the second column of Schedule II below :—

(G.O. Ms. No. 1677, L.A., dated 8th October 1960.)

(G.O. Ms. No. 754, R.D. and L.A., dated 3rd April 1963.)

Opening of markets by panchayats.—Under section 65(j) of the Madras Panchayats Act, 1958, one of the obligatory duties of a panchayat union council is the opening and maintenance of public markets which are classified as panchayat union markets. The power to classify public and private markets situated in a Panchayat Development Block as panchayat union markets and panchayat markets and to provide for the control of any market including the apportionment of income therefrom is vested in the Government under the said Act (vide Section 104). This power has been delegated to the Additional Development Commissioner.

2. A presumption has been expressed that if a panchayat wants to open a market the proposal should be initiated by the panchayat union council and that after obtaining the sanction of the Inspector the council should apply for the classification of such markets as panchayat markets.

3. Section 104 of the Act would refer only to the classification of existing public markets as panchayat markets or panchayat union markets. In the case of opening of new public markets, the classification can be done only after a proposal therefor is initiated by the panchayat union council because the opening of public markets is one of the obligatory duties of a panchayat union council. The Government (Additional Development Commissioner) may then order its classification as a panchayat market or panchayat union market in consultation with the District Development Council, if necessary. In this view, the presumption expressed in paragraph 2 above is correct.

(Memo. No. 108178 L. Spl./62-3, dated 23rd October 1962.)

48. ACCOUNTS OF PRIVATE MARKETS—MAINTENANCE, AUDIT AND INSPECTION.

1. The owners, occupiers or farmers of private markets shall issue tickets for collections made daily for the use of such markets and receipts for collections made periodically.

2. The receipts and ticket books shall be printed in Forms I and II given in the appendix.

3. The ticket books shall be printed separately for each rate of fees charged.

4. The owners, occupiers or farmers of the said markets shall keep true and complete accounts of the receipts from the markets and expenditure incurred on their maintenance and shall produce them whenever required for inspection, check or audit by the Commissioner of the Panchayat Union or such other persons as may be authorised by the Commissioner of the Panchayat Union in this behalf.

5. A register of collections and disbursements shall be maintained in Forms III and IV respectively given in the appendix. The registers, ticket and receipt books shall be checked by the Commissioner of the Panchayat Union or such other person as may be authorised by the Commissioner of the Panchayat Union not less than once every month and such remarks as are called for, recorded therein. If the accounts have been found to be kept correctly, a certificate to that effect shall be recorded in the said registers.

6. A statement showing the receipts and charges relating to the markets for the previous year (or for the period of full twelve months preceding the date of application for licence) shall accompany every application for renewal of licence to keep open the market. The Commissioner of the Panchayat Union shall, before renewing the licence, check the statement referred to above with the books of the owner, occupier or farmer of the markets.

7. The panchayat union may refuse to renew the licence, if any of the requirements of rule 4, 5, or 6 are not complied with.

Provided further that nothing in this rule shall be deemed to apply to any work which in the opinion of the Inspector is done in connection with a *bona fide* agricultural operation.

(2) If, in the opinion of the panchayat union council, the working of any quarry or the removal of stone, earth or other material from any place is dangerous to persons residing in or having legal access to, the neighbourhood thereof, or creates or is likely to create a nuisance, the panchayat union council may require the owner or person having control of the said quarry or

place to discontinue working the same or to discontinue removing stone, earth or other material from such place or to take such order with such quarry or place as it shall deem necessary for the purpose of preventing danger or of abating the nuisance arising or likely to arise therefrom.

2. (1) No door, gate, bar or ground floor, window shall be hung or placed so as to open outwards upon any public road vested in the panchayat union council without a licence from the Commissioner.

(2) If the owner or occupier of the premises proves that any such projection, encroachment or obstruction has existed for a period sufficient under the law of limitation to give any person a prescriptive title thereto, or that it was erected or made with the permission or licence of any local authority duly empowered in that behalf, and that the period, if any, for which the permission or licence is valid has not expired, the panchayat union council shall make reasonable compensation to every person who suffers damage by the removal or alteration of the same.

4. (1) The Commissioner may, with the approval of the panchayat union council grant a licence, subject to such conditions and restrictions as he may think fit, to the owner or occupier of any premises to put up verandas, balconies, sun-shades, weather-frames and the like, to project over a public road vested in the panchayat union council or to construct any step or drain covering necessary for access to the premises.

(2) Every application for a licence under sub-rule (1) shall furnish information as to the materials of which it is proposed to construct the structure and the period for which a licence is required.

(3) The licence may be granted or renewed by the panchayat union council if the structure is of temporary materials, such as palmyra or coconut leaves, bamboo or other matting or gunny cloth or other similar material, or is of such a nature as to be movable daily, and if the period of the licence does not exceed twelve months.

(4) No licence for a structure not in accordance with the description given in sub-rule (3), or for a period exceeding twelve months, shall be granted by a panchayat union council, except with the previous approval of the Collector who, in granting approval

may lay down such conditions as he may consider necessary subject to which the licence may be granted by the panchayat union council. The panchayat union council shall embody such conditions in the licence before it is granted.

In the case of a licence granted under this sub-rule the approval of the Collector shall not be necessary for its renewal if such renewal does not extend the duration of the licence for a period exceeding three years.

(5) Licence for the construction of steps or drain-covering necessary for giving access to premises shall be granted subject to the following further conditions which should be specified in the licences :—

In the case of premises having a compound in front, into which vehicular traffic is likely to pass over the drain, the Commissioner shall fix the length of the covering.

(ii) Coverings over the drains shall be flush with the top of the retaining walls of the drains provided that the depth of the drain below the coverings is considered sufficient by the panchayat union council to carry the storm flow. A covering slab may be laid on the top of the retaining walls in rare cases where it may be necessary to do so in order that the water-way of the drain may not be restricted or in cases where the licensing authority has no objection, provided that the previous sanction of the Collector is obtained and that a suitable cement concrete ramp is constructed on the road side of the raised slab leading from the level of the top of the slab to the road level.

(iii) The drain covering in the case of premises abutting on the road shall be 2 to 4 inches in thickness for drains 6 to 36 inches wide. - (c) the load concentration expected ; and
- (d) the depth of fill, if any, over the slab.

This condition may be relaxed in exceptional cases with the previous approval of the Collector.

Provided that the order aforesaid shall specify the reason for the action proposed and shall not be issued without notice to the persons concerned.

(vi) The top of the drain covering shall not be used as part of a shop or be otherwise encroached upon.

(6) The Collector shall have power to cancel any licence granted under sub-rule (3), (4) or (5) if, in his opinion, the projection, erection or structure which has been licensed, has become objectionable or if he considers it necessary in the public interest that the projection, erection or structure should be removed and upon such order, the panchayat union council shall have the projection, erection or structure removed.

(7) It shall be a condition of every licence granted under sub-rule (3), (4) or (5)—

(i) that it shall be liable to be cancelled at any time in the circumstances referred to in sub-rule (6) ; and

(ii) that an annual fee shall, if levied, be paid to the panchayat union council in advance so long as the licence is in force and that in default of payment of such fees, the licence is liable to be cancelled.

5. The Commissioner may grant a licence, subject to such conditions and restrictions as he may think fit, for the temporary erection of pandals and other structures in a public road vested in the panchayat union council or in any other public place, the control of which is vested in the panchayat union council.

6. The Commissioner shall have powers, with the approval of the panchayat union council to lease road sides vested in the panchayat union council for occupation on such terms and conditions and for such period as the panchayat union council may fix.

7. But neither a licence under rule 4 nor a lease under rule 6 shall be granted if the projection, construction or occupation, as the case may be, is likely to be injurious to health or cause public inconvenience or otherwise materially interfere with the use of the road as such.

8. The Government may, by notification restrict and place under such control as they may think fit, the exercise by any panchayat union council of the powers under rules 4 and 6.

9. On the expiry of any period for which a licence or lease has been granted under rules 4 to 6, the Commissioner may without notice, cause any projection or construction put up under rule 4 or rule 5 to be removed, and the cost of so doing shall be recoverable from the person to whom the licence was granted.

10. (1) No building shall be erected without the written permission of the Commissioner or of some other person authorized by the Commissioner over any sewer or drain or any part of a sewer or drain or upon any ground vested in the panchayat union council which has been covered, raised or levelled wholly, or in part, by road sweepings or other rubbish.

(2) The Commissioner and the person so authorised may, by notice, require any person who shall have erected a building without such permission or in a manner contrary to, or inconsistent with, the terms of such permission, to demolish the same.

11. The Commissioner may, by notice, require the owner or occupier of any land adjoining a public road or adjoining other land or water vested in the panchayat union council to clear away prickly-pear, wattle lantana, or other noxious vegetation where it encroaches on such property and so far as it has spread from such land to such property.

12. (1) No person shall make a hole, or cause any obstruction in any public road vested in the panchayat union council unless he previously obtains the permission of the Commissioner and complies with such conditions as the Commissioner may impose.

(2) When such permission is granted such person shall, at his own expense, cause such hole or obstruction to be sufficiently fenced and enclosed until the hole or obstruction is filled up or removed and shall cause such hole or obstruction to be sufficiently lighted during the night.

(3) If any person contravenes the provisions of this rule, the Commissioner shall fill up the hole or remove the obstruction or cause the hole or obstruction to be lighted as the case may be, and may recover the cost of so doing from such person.

13. (1) The Commissioner shall have power to permit a person to plant any tree on any public road or other property vesting in or belonging to the panchayat union council on such conditions as the Commissioner may impose.

(3) The Commissioner shall have power to permit a person to fell, remove, destroy, lop or strip bark or leaves from or otherwise damage any tree referred to in section 82 (1) (f) of the Madras Panchayats Act, 1958, on such conditions as the Commissioner may impose.

14. (1) If any person without the previous sanction of the panchayat union council, occupies any land which is set apart for any public purpose, and is vested in, or belongs to it, he shall be bound to pay in respect of such occupation such sum as may be demanded by the panchayat union council by way of penalty.

(2) The Commissioner may, by notice, require any person on whom a penalty has been or may be imposed under sub-rule (1) to vacate such land and to remove any building or other construction or anything deposited on it.

(3) If any damage to the property of the panchayat union council has been caused by any person occupying any land for which he is liable to pay penalty under sub-rule (1), he shall be liable to pay compensation to the panchayat union council for such damage in addition to, and irrespective of, any penalty that may be imposed on or recovered from him.

(4) The compensation and penalty due from any person under this rule shall be demanded by bill and recovered as miscellaneous dues in accordance with the rules relating to receipts and expenditure of panchayat union councils.

(G.O. Ms. No. 1677, L.A., dated 8th October 1960.)

(G.O. Ms. No. 754, R.D. & L.A., dated 3rd April 1963.)

56. RECOVERY OF SUMS DUE TO THE PANCHAYAT UNION COUNCIL.

All costs, damages, compensation, penalties, charges, fees (other than school fees), expenses, rents (not being rents for lands and buildings demised by the Panchayat Union Council) contributions and other sums which under the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958) or any other law or rules or by-laws made thereunder are due by any person to the Panchayat Union Council may, if there is no special provision in the said Act or the rules made thereunder for their recovery, be demanded by bill which shall be served on the person concerned and recovered in the manner provided in the rules for the collection of taxes under the said Act.

(G.O. Ms. No. 1677, L.A., dated 8th October 1960.)

(84) *Collection of local cess from fasli 1371*—As it is difficult to introduce the levy and distribution of the local cess from the middle of a year the Government consider it desirable to bring into force the taxation provisions of the Madras Panchayats Act, 1958 from the beginning of an official year. The Government have decided that the local cess should be collected on the old basis under the existing Acts during fasli 1370, i.e., for the year 1960-61 and that the provisions of the new Act should be given effect to from fasli 1371, i.e., from 1961-62.

(G.O. No. 1499, L.A., dated 7th September 1960.)

(85) *Monthly adjustment of local cess.*—Under the existing orders, the land cess of two annas in the rupee of land revenue collectable under the Madras District Boards Act, 1920 is distributed between the District Boards and the Panchayats in the ratio of 3 : 1. The amounts due to district boards are payable in monthly instalments by the 15th of each month. The amounts due to panchayats are payable direct to each panchayat (village or town) in half-yearly instalments by the 15th January and the 15th July. Similarly the amount of Education Cess collectable under the Madras Elementary Education Act, 1920 is payable to the District Boards in monthly instalments. The two-thirds share of the District Boards out of the Additional Surcharge on land revenue is sanctioned by the Government for payment to the district boards in one lumpsum; while the one-third share of the panchayats is payable direct to each of the panchayats concerned in a lumpsum.

2. Under the Madras Panchayats Act, 1953, the three items of levies on land revenue namely (i) Land Cess, (ii) Education Cess and (iii) Additional Surcharge on land revenue referred to in paragraph 1 above have been consolidated into a single item, namely, "Local Cess" leviable at the rate of 45 naye Paise—Vide section 115 (1) of the Act. The share of the Panchayats out of the consolidated cess is to be calculated and paid by the Panchayat Union to the panchayats concerned—Vide section 115 (4) of the Act.

3. Orders have been issued in G.O. No. 1499, Local Administration, dated 7th September 1960 for continuance of the three separate levies referred to in paragraph 1 above during the current fiscal (1970) and the provision contained in section 115 of the Act for the consolidated levy and the revised basis for payment to panchayats will take effect from fiscal 1971.

4. A question has been raised as to how the amounts due to the panchayat unions and the panchayats under the new set up should be paid. The following orders are accordingly issued.

5. So far as fiscal 1970 is concerned, the existing basis for the calculation of the amounts due to District Boards and panchayats should be continued; but the portion of the amounts due to the panchayat unions as well as panchayats for the second half-year of the current financial year should be paid to the Panchayat Unions concerned for being credited to the respective funds, namely the Panchayat Union (General) Fund, the Panchayat Union (Education) Fund and the Village Panchayat Consolidated Fund. The amounts (land cess and education cess) due to district boards should be paid in monthly instalments as is done in the case of district boards. The amounts due to panchayats may be paid in half-yearly instalments. From fiscal 1971 onwards, the local cess collected under the Madras Panchayats Act, 1953, should be credited monthly to panchayat union (General) Fund, in the first instance and later adjusted to the respective funds in the manner laid down in the Act.

(G.O. No. 1615, L.A., dated 1st October 1960).

(86) *Adjustment of Local Cess.*—G.O. Ms. No. 1615, (L.A.), Rural Development and Local Administration, dated 1st October 1960, deals with the monthly adjustment of Local Cess to the Panchayat Union (General) Fund. The local cess is to be adjusted in advance in 12 instalments on the basis of the anticipated collection, each instalment being adjusted monthly. At the end of the jamaabandi, when the final accounts of the land revenue demand and the local cess demand and collections under the respective heads are settled, marginal adjustments will be carried out by further credit or short drawsals in the subsequent instalments. Till now the land cess used to be adjusted on these lines. G.O. Ms. No. 1615, (L.A.), Rural Development and Local Administration, dated 1st October 1960 only seeks to bring out the significant difference between the procedure that was hitherto adopted in respect of adjusting a portion of the land cess to the credit of the District Board monthly and a portion to the panchayat half-yearly and the procedure to be followed in respect of adjustment of monthly instalments of local cess amounts due. The entire provision of the instalment of local cess has now to be adjusted to the Panchayat Union (General) Fund and it is for the Panchayat Union to carry out the adjustments to its own education fund and to the credit of the town and village panchayats as laid down in Section 115 of the Madras Panchayats Act.

2. The local cess shall be collected along with the land revenue and shall be credited to the State accounts under the same head of account as the land revenue. This has also been the practice so far in respect of land cess. Having a separate detailed receipt head in respect of local cess separate from the land revenue has been carefully considered and it has been decided, in view of the practical difficulties involved, to continue the existing procedure of booking the local cess along with the land revenue. The monthly credit adjustment of the local cess to the Panchayat Union (General) Fund will be effected by debiting the monthly instalment in the State accounts to the head "VII. Land revenue—Ordinary revenue—Deduct payment to Local Boards—Cesses collected on their behalf".

(Memo. No. 153175/Accts. C/61-1, dated 8th September 1961.)

(87) *Remission of Local Cess and Local Cess Surcharge.*—There is no justification in collecting the cesses from the landholder, in full, when there is remission under Land Revenue. The basis of levy, for the local cess and the Local Cess Surcharge should be the net demand under Land Revenue, i.e., after taking into account Land revenue remitted.

(Memo. No. 151022, R.D. Accts. C/62-2, dated 31st August 1962.)

(88) (i) *Date from which local cess surcharge may be levied.*—It has already been ordered that local cess under section 115 of the Madras Panchayats Act, 1958 should be collected on the old basis under the existing Acts during fiscal 1970, i.e., for the year 1960-61 and that the provisions of the new Act should be given effect to from fiscal 1971, i.e., from 1961-62. As local cess surcharge cannot be levied until the levy of local cess (in the new consolidated form) is enforced in Panchayat Unions, the Government direct that the levy of local cess surcharge should commence from fiscal 1971.

(ii) *Maximum rate of levy of Local Cess Surcharge.*—The Government consider that no maximum need be prescribed for the present and that the question may be taken up some time later. Pending the fixation of the maximum rate by the Government, the Local Cess surcharge may be levied by Panchayat Union Councils up to 25 naye Paise in the rupee of Land Revenue from fiscal 1971.

(G.O. Ms. No. 444, R.D. & L.A., dated 18th February 1961.)

(89) The intention of the Government is not to prescribe the maximum rate of local cess surcharge to be levied by panchayat union councils for the present but to encourage panchayat union councils to exploit the powers of local taxation vested in them to the maximum extent possible and thus augment their revenues. The limit of 25 nP. specified in G.O. Ms. No. 444, R.D. & L.A., dated 18th February 1961 represents only the average for the State. The Madras Panchayats Act, 1958, vests the discretion to levy local cess surcharge in panchayat unions subject to the maximum rate prescribed by the Government. If no maximum rate is specified by the Government, panchayat unions will be free to levy the surcharge at any rate they consider necessary or desirable. There is, therefore, no objection to the panchayat union councils levying the local cess surcharge at a rate higher than 25 nP. in the rupee of land revenue, but if the Collector considers that levy at a higher rate will cause undue financial hardship to the people, he may advise the panchayat union council to reduce the rate.

(G.O. No. 868, R.D. & L.A., dated 23rd March 1961.)

(90) *Local Cess Surcharge—Levy in escapable.*—While scrutinising the Budget Estimates for 1961-62 of the Panchayat Union Councils of the First batch, it was observed that many Panchayat Union Councils have deficits for the year 1961-62 ranging from less than Rs. 2,000 to over Rs. 65,000. These heavy deficits cannot be covered by the Panchayat Union councils unless they resort to local additional taxation. Besides these Panchayat Unions have additional responsibilities. They have to fulfil certain targets under the third plan under food production, universal primary education, etc. Hence they have necessarily to resort to local additional taxation.

2. Section 118 of the Madras Panchayats Act lays down that every Panchayat Union Council may levy on every person liable to pay land revenue to the Government in respect of any land in the Panchayat Union, a local cess surcharge at such rates as may be considered suitable as an addition to the local cess levied in the Panchayat development block under section 115 provided that the rate of local cess surcharge shall be subject to such maximum as may be prescribed.

3. Though the levy of local cess surcharge is discretionary and is entirely left to the choice of the Panchayat Union Councils, the inescapability of the levy has been brought home to the Panchayat Union Councils in the instructions issued in paragraphs 26 and 27 of the Annexure to the G.O. Ms. No. 211, R.D. & L.A., (R.D.), dated 25th January 1961.

(Memo. No. 45788, R.D. Accts. C/61-1, dated 20th May 1961.)

[Extracts of paragraphs 26 and 27 of the annexure to G.O. Ms. No. 211, R.D. & L.A., dated 25th January 1961.]

20. In order to enable the panchayat unions to raise resources for the purpose of raising resources they have been empowered under section 116 of the Madras Panchayats Act to levy local cess surcharge under section 129 of the Act this local cess surcharge collection will be matched by a Government grant calculated as prescribed percentages 75, 100, 125 and 150 per cent depending upon the classification of the block being A, B, C and D respectively. The Panchayat Union Councils must realize that without raising resources through local cess surcharge they will not be able to reach the targets in respect of primary education during the Third Plan.

27. Local cess surcharge.—Section 116 of the Madras Panchayats Act, 1958, provides that every Panchayat Union Council may levy a local cess surcharge at such rate as may be considered suitable as an addition to the local cess levied under section 116 subject to such maximum as may be prescribed. The surcharge so levied is initially credited to the Panchayat Union General Fund. But part of the receipts from local cess surcharge (and the corresponding matching grant) will have to be transferred to the Panchayat Union Education Fund to provide the panchayat union's share of second slab expenditure on Elementary education. It has already been explained in paragraph 20 above that the levy of local cess surcharge is inescapable if the panchayat union is to fulfil the targets of universal compulsory primary education by 1965.

Release of assigned revenues and grants.—The Government consider that it is essential to ensure that the ways and means position of the Panchayat Unions will enable them to finance the expenditure on their developmental and other activities. For this purpose, it is necessary to release the assigned revenues and the statutory and non-statutory grants payable to them in convenient and periodical intervals.

2. The main sources of assigned revenues and Government grants (Statutory and non-statutory) due to Panchayat Unions are as shown below :—

I. Assigned Revenues—

- (1) Local cess.
- (2) Local Cess surcharge.

II. Government Grants (Statutory)—

- (3) Land Revenue Assignment.
- (4) Local Roads Grant.
- (5) Local Cess Surcharge Matching Grant.
- (6) Local Education Grant.

III. Government Grants (Non-statutory)—

- (7) Supplementary Education Grant.
- (8) School Meals Grant.
- (9) Village Works Grant.
- (10) Local Irrigation Grant.
- (11) Agriculture Grant.
- (12) Social Education Grant.
- (13) Women and Children Welfare Grant.

3. The following orders are issued regarding the procedure for financial assistance to be given to the Panchayat Unions.

4. Orders have been issued in G.O. Ms. No. 1499, Local Administration, dated 7th September 1960 for giving effect to the provisions of section 115 of the Madras Panchayats Act, 1958 for the collection of the consolidated local cess of 45 naya Paise in the rupee of land revenue with effect from full 1371, i.e., 1st July 1961. In G.O. Ms. No. 1615, Local Administration, dated 1st October 1960, it has been ordered that the amounts of local cess payable to the panchayat unions should be adjusted in monthly instalments.

5. As regards the Local Roads Grant and the Land Revenue Assignment, orders have been issued in G.O. Ms. No. 1995, Local Administration, dated 24th September 1960, G.O. Ms. No. 2075, Education, dated 27th September 1960, G.O. Ms. No. 648, Education, dated 27th March 1961 and G.O. Ms. No. 1688, Education, dated 23rd June 1961 authorising the payment of the amounts in half-yearly and monthly instalments respectively.

6. In regard to Local Education Grant and Supplementary Education Grant and School Meals Grant also orders have been issued regarding the method of payment of those grants.

7. Following the principles laid down for the collection and adjustment to Panchayat Union funds of Local Cess, the Government have decided and accordingly direct that the Panchayat Unions shall be paid in advance of collection of local cess surcharge levied by them. Such advance payments will be made with reference to the resolutions of the Panchayat Union Councils concerned, deciding to levy the Local Cess Surcharge and the notification in the District Gazette for such levy. The Local Cess Surcharge is collectable along with the kist and the local cess during the kistabandi. At the end of the fiscal year after the Jamabandi is over, orders will be issued by the officers of Revenue Department for the final adjustment of the Local Cess Surcharge.

8. As regards the Local Cess Surcharge Matching grant, the Government direct that advance payments may be made to panchayat union as in the case of Local Cess Surcharge, but that the amount due be adjusted in four quarterly instalments in April, July, October and December. The final adjustment of the amounts due shall be made every year in July after the fiscal year to which it relates and the Jamabandi are over.

9. All the other grants payable by Government for developmental purposes or for maintenance of Irrigation sources will be limited to the expenditure incurred for the specified work by the Panchayat Union. The Government, therefore, direct that all grants payable in respect of specific schemes shall be released as post-execution grants whether the grant is a percentage grant on the expenditure incurred or a full grant.

At the end of every month, the Panchayat Union Commissioners shall furnish to the Revenue Divisional Officers concerned, extracts of expenditure incurred on various schemes for which grants are due from the State Government. The Revenue Divisional Officer shall sanction the grants by debit to the relevant heads of State Accounts. Detailed orders regarding the Accounting Procedure will issue separately.

In March, such reimbursement shall be claimed on the basis of expenditure incurred up to 20th of March. The balance of reimbursement shall be claimed in April.

During the quarterly audit, the eligibility for the grants claimed and reimbursed shall be verified.

(G.O. Ms. No. 2228, R.D. & L.A., dated 9th August 1961.)

(91) *Debit of advance payment of Local Cess Surcharge and Local Cess Surcharge Matching Grant.*—In paragraphs 9 and 10 of the G.O. Ms. No. 2228, R.D. & L.A., dated 9th August 1961 the Government have directed that advance payments of Local Cess Surcharge may be made to the Panchayat Union as in the case of Local Cess and the Local Cess Surcharge Matching Grant due is to be adjusted in four quarterly instalments in April, July, October and December of each year. The final adjustments of the amounts due shall be made every year in July after the fiscal year to which it relates and Jamabandi are over.

The expenditure on advance payments of Local Cess Surcharge due to a Union will be debited to "VII. Land Revenue—Ordinary revenue—Deduct payments to Local Boards of land and other cesses collected on their behalf—payments on account of Local Cess Surcharge". The expenditure on advance payments of Local Cess Surcharge Matching Grants is debitable to "57. Miscellaneous—(f) Grants-in-aid—X. Local Cess Surcharge Matching Grants to Panchayat Unions".

(Memo. No. 149376/Accts.-C/81-2, dated 17th August 1961.)

(92) *Notification of levy of local cess surcharge.*—The Government direct that the following procedure be adopted by panchayat union councils in regard to the notification of the levy of local cess surcharge.

(i) As soon as the panchayat union council resolves to levy the local cess surcharge, the panchayat union commissioner should send a copy of the resolution with a covering letter to the Tahsildar concerned.

(ii) On receipt of the above communication, the Tahsildar should arrange to publish the rate of levy in the villages and their hamlets concerned by boat of ten ten and by affixing a notice in Tamil in a conspicuous place and obtain the signatures of some of the leading ryots in token of such publication. The levy of local cess surcharge in the panchayat union may also be published in the District Gazette for general information.

(G.O. Ma. No. 2280, R.D. & L.A., dated 18th August 1961.)

(93) *Statement of monthly adjustments of local cess.*—From 1st July 1961 (Padi 1371) onwards the local cess is creditable to the Panchayat Union funds monthly at the rate of 3½ nP. for every rupee of anticipated land revenue collection for the fiscal. Similarly, 1/12th of the local cess surcharge collectable on the basis of the anticipated land revenue should also be adjusted monthly to the credit of the Panchayat Union. A statement of the monthly adjustments made should be sent to the Rural Development and Local Administration Accounts Branch in the *pro forma* enclosed.

2. The statement shall be prepared in the treasury with reference to reports from the Sub-Treasuries, tallied with the Treasury Accounts of the month and forwarded to reach the Rural Development and Local Administration Accounts Branch on the 15th of the month following the one to which the adjustments relate.

Procedure to be adopted for collection and accounting of Local Cess and Local Cess Surcharge and specification of duties of Village Officers in respect of collection of Panchayat revenue.—In G.O. Ma. No. 644, R.D. & L.A., dated 9th August 1960, the Government specified the duties to be performed by the Village Officers in respect of Panchayats and Panchayat Unions. Further clarifications were issued in G.O. Ma. No. 411, Rural Development and Local Administration, dated 10th February 1961. In G.O. Ma. No. 2339, Rural Development and Local Administration, dated

28th August 1961, the Panchayats have been permitted to employ a Panchayat Clerk on a part-time or full time basis subject to certain ceilings in respect of emoluments to be paid to them. In paragraph 9 of G.O. No. 644, it has been declared that the collection of all taxes and fees which fall due from time to time to the Panchayat or the Panchayat Union is to be treated as part of the normal duties of the Village Headman and that the Village Karnam should maintain tax assessment registers and such other records as may be prescribed from time to time for facilitating collection of taxes and fees due to the Panchayat and Panchayat Union as part of his normal duties. In paragraph 22 of G.O. No. 644, Rural Development and Local Administration, it was stated that subject to such general guidance as may be given, the Collectors may be given discretion to specify the apportionment of duties among the Village Officers concerned. It is necessary to have a uniform procedure adopted for this purpose in all the Districts in the light of G.O. No. 2339, Rural Development and Local Administration, dated 28th August 1961.

2. A draft Memorandum on the specification of duties of Village Officers in respect of collection of Panchayat revenues and a draft Memorandum on the procedure to be adopted for collection and accounting of Local Cess and Local Cess Surcharge are appended.

It is proposed to watch the working of these instructions on the field for one collection season before these are finalised and issued as orders.

(Memo. No. 206144, R.D. Accts. C/01-1, dated 23rd October 1961.)

APPENDIX.

(94) MEMORANDUM ON THE SPECIFICATION OF DUTIES OF VILLAGE OFFICERS IN RESPECT OF COLLECTION OF PANCHAYAT REVENUES.

In G.O. Ms. No. 644, Rural Development and Local Administration, dated 9th August 1960, the Government specified the duties to be performed by the Village Officers in respect of Panchayats and Panchayat Unions. Further clarifications were issued in G.O. Ms. No. 411, Rural Development and Local Administration, dated 16th February 1961. In G.O. Ms. No. 2339, Rural Development and Local Administration, dated 28th August 1961, the Panchayats have been permitted to employ a Panchayat Clerk on a part-time or full time basis subject to certain ceilings in respect of emoluments to be paid to them.

2. In paragraph 9 of G.O. No. 644, it has been declared that the collection of all taxes and fees which fall due from time to time to the Panchayat or the Panchayat Union is to be treated as part of the normal duties of the Village Headman and that the Village Karnam should maintain tax assessment registers and such other records as may be prescribed from time to time for facilitating collection of taxes and fees due to the Panchayat and the Panchayat Union as part of his normal duties. In paragraph 22 of G.O. No. 644, it was stated that subject to such general guidance as may be given, the Collectors may be given discretion to specify the apportionment of duties among the Village Officers concerned. It is now considered necessary and desirable to issue comprehensive instructions in regard to the above mentioned apportionment of duties in the light of G.O. No. 2339, Rural Development and Local Administration, dated 28th August 1961.

3. In G.O. Ms. No. 756, Rural Development and Local Administration, dated 12th September 1960, orders were issued reducing the number of forms and registers to be maintained by the Village Panchayats from 100 to 60. A list of these 60 forms is given in Annexure I.

4. It is now necessary to categorise these forms and registers into three, namely, (1) Forms and registers relating to assessment and collection of taxes and fees to be maintained by (a) the Karnam and (b) the Village Munsiff on behalf of the President as the executive authority of the Panchayat; and (2) Forms and registers relating to the general administration of the Panchayat to be maintained by the President with the help of a part-time clerk.

5. Following the above principles the following registers and forms will be maintained by the Karnam :—

I. Forms and registers connected with House tax.

- (1) House tax assessment list (V.P. Form No. 15).
- (2) House tax demand register (V.P. Form No. 3).
- (3) Special notice of house tax, new assessment or amendment (V.P. Form No. 1).
- (4) House tax bill, receipt and counterfoil to be written by Karnam and handed over to the Village Headman (V.P. Form No. 5 and 6).
- (5) Arrear demand register (V.P. Form No. 4).

II. Forms and registers connected with profession tax.

- (6) Profession tax demand register (V. P. Form No. 17).
- (7) List of persons liable to profession tax (V.P. Form No. 19).
- (8) Notice regarding profession tax returns (V.P. Form No. 20).
- (9) Notice regarding profession tax return (V.P. Form No. 21).
- (10) Profession tax receipt and bill (V.P. Form No. 18).

III. Forms and registers connected with vehicles tax.

- (11) Register of vehicles subject to tax (V.P. Form No. 101).
- (12) Notice regarding vehicle tax (V.P. Form No. 102).
- (13) Vehicle tax demand, licence and counterfoil (V.P. Form No. 103).

*IV. Forms and registers connected with encroachments.
(Lease amounts and Licence fees.)*

- (14) Register of encroachments (V.P. Form No. 81).
- (15) Notice for encroachment, fees, etc. (V.P. Form No. 23).

6. The Village Munsif will maintain the following registers and forms :—

- (1) Notice to occupier (V.P. Form No. 8).
- (2) Bill Collector's collection register (V.P. Form No. 9).
- (3) Distraint warrant (V.P. Form No. 10).
- (4) Register of warrant (V.P. Form No. 11).
- (5) Notice of seizure of goods (V.P. Form No. 12).
- (6) Register of distrained property (V.P. Form No. 13).
- (7) Miscellaneous receipt (V.P. Form No. 35).

7. All other forms and registers will be maintained by the Panchayat President or under his supervision by the part-time clerk employed. It is to be emphasised at this stage, that the functions relating to the assessment and collection of taxes and fees are those of the executive authority under the Act and the Karnam and the Village Munsif are only acting on behalf of the executive authority of the panchayat. All the registers maintained by the Karnam and the Village Munsif are liable to be called for at any time by the Panchayat President. All registers which are not in current use are to be deposited in the Panchayat Office. The tax assessment registers are open to inspection by rate payers. The members of the Panchayat shall have full access to these records during office hours. These registers and records in the custody of the Karnam and the Village Munsif are also liable to be checked by the officials of the Revenue Department and by the Divisional Panchayat Officer, Panchayat Union Commissioner and Extension Officer (Panchayats). Attention in this connection is invited to G.O. Ms. No. 1944

Rural Development and Local Administration dated 13th July 1961, wherein the Tahsildars and Revenue Inspectors have been directed to check the progress of collection of panchayat revenues while holding kist demand centres.

8. In Annexure II to this Government Order the procedure in respect of tax assessment by the Karnam and tax collection and remittance by the Village Munimif have been prescribed. It shall be the responsibility of the District Revenue Officer, the Revenue Divisional Officer, the Tahsildar and the Revenue Inspector to ensure that these procedures are understood by the Village Officers and ensure that the assessment and collection work proceed smoothly. If necessary, the Tahsildars may conduct instruction classes to explain the procedures to the Village Officers.

9. It is necessary to ensure that the local revenue collection is not appropriated at the Village level towards expenditure. Therefore it has been provided that all payments to panchayats should be made to the Headman only who shall remit the sums into the Panchayat Union Cash Chest.

10. In order to enable the supervisory staff to check and ensure prompt and regular collection and remittance of the panchayat revenues into the Panchayat Union Cash Chest the Demand, Collection, Balance of the Panchayat should be reviewed by the revenue staff. The Panchayat Demand, Collection, Balance in V. P. Form No. 42 which is prepared by the President or the Panchayat Clerk under his direction should be made available to the Revenue Inspector and the Tahsildar. Since the collections are remitted into the Panchayat Union Cash Chest the actual remittances therein have to be compared with the demand. Therefore a copy of the Demand, Collection, Balance has to go to the Panchayat Union Office also. In the Taluk office these Demand Collection Balances may be posted panchayat-wise with separate pages for each Panchayat Union. This will enable the Tahsildar to review the progress of collection monthly and ensure systematic collection. Every panchayat should therefore send a copy of its Demand, Collection, Balance to the Revenue Inspector, the Tahsildar and the Panchayat Union Commissioner.

11. These Demand, Collection, Balances should be consolidated for each Panchayat Union in the first instance and for each taluk thereafter and should be reviewed at three monthly intervals by the Divisional Officer and six monthly intervals by the District Revenue Officer.

3. *Procedure for the assessment of house tax.*—V. P. Form No. 16 is the House Tax assessment list which the Manual has already provided, should be prepared and furnished by the Karnam. The Karnam has to fill up columns 1 to 12, shall ascertain from the President, the current assessments for house tax, water tax and fill up the columns 13 and 14. Library cess is a fixed charge. After the total is struck in column 16, the register shall be put up to the President for passing orders. In column 18, the President shall sign in token of accepting the assessment as correct or shall indicate how it should be revised. This procedure shall be followed for a general revision or for assessment of house tax for the first time. As soon as the assessment books are prepared, the President shall, by beat of drum in the village give public notice thereof and of the place or places where the books may be inspected.

The disposal of revision petition shall be done by the President. The result of the revision petition shall be made known to the Karnam by the President.

House tax demand register.—This register will be posted by the Karnam from house assessment list, assessments as subsequently corrected by the orders passed on revision petitions. This register is to be maintained for five years.

Arrear demand register is posted from House Tax demand register.

House tax bill, receipt and counterfoil.—The V. P. Forms 5 and 6 have been combined into a single form. The Karnam should fill up the bill, the receipt and the counterfoil forms and should initial them and forward them to the President. The relevant data for this form are posted from the house tax demand register. The President shall sign or affix his facsimile on the bill, the receipt and the counterfoil and deliver the machine numbered book of forms to the Village Headman for service and collection. The Village Headman shall serve the House tax bill and obtain the acknowledgment of the assessee on the reverse of the receipt. Before serving, he shall sign the bill after filling up the manner and date of service. When the tax amount is tendered by the assessee, the receipt shall be signed by the Headman and handed to the assessee. Only when the headman signs the receipt, it will become a valid receipt. The counterfoil will also be signed by the Headman. As and when the receipt book gets exhausted, the book of forms shall be delivered back to the President. The Village Headman has to enter the collection with full details about the assesse in V.P. Form No. 8. He shall remit the collection from time to time into the Panchayat Union cash chest to the credit of the Panchayat by using V.P.C. Form 1. The receipted chalan will be returned to the Village Headman. The Headman shall close the collection register on the date of remittance and enter

the fact of remittance in words. The receipted chalan along with the collection register will be sent to the President who shall sign the register as well as receipted chalan in verification and thereafter to the Karnam to post the collections in the demand register and arrears demand register. After posting within a week, the collection register along with receipted chalans should be returned to the headman who shall thereafter paste the receipted chalan to the counterfoil in V.P.C. Form I.

Assessment of Profession Tax.—A list of persons liable to assessment of profession tax is to be prepared by the Karnam in V.P.C. Form No. 19. In order to collect necessary information to prepare this list V.P. Forms 20 and 21 are to be used. These forms should be filled by the Karnam wherever necessary and the signature of the President should be obtained before issue. When the replies are received they will be forwarded to the Karnam who shall prepare the profession tax assessment list in form No. 19 and obtain the orders of the President on the assessments. On the basis of these assessment orders, the profession tax demand register in V.P. Form No. 17 will be posted and the President's initials obtained in column 8. V.P. Form No. 18 will be filled up by the Karnam from the entries in the demand register V.P. Form No. 17 and forwarded to the President for signature. The President, after signing the bills as well as receipts shall send the bill back to the Village Headman for collection. The Headman shall serve the demand bill on assessors and obtain their acknowledgments on the reverse of the receipts. When the amount is tendered, the Headman shall complete the receipt and issue it and retain the counterfoil only. From the counterfoils, he shall post the V.P. Form No. 8 the collection book and follow the same procedure for remittance of the collection into the Panchayat Union cash chest as in the case of House tax collection. For each tax collection a different remittance chalan should be used. After the remittance, he shall send the collection register along with receipted chalan to the President and through him to the Karnam. The President shall sign the collection book and on the reverse of the receipted chalan and pass it on to the Karnam to enable him to post the collection in the demand register V.P. Form No. 17 and then return the collection book and the receipted chalan to the Headman. The receipted chalan shall be posted along with the counterfoil in V.P.C. Form No. 1.

Assessment of vehicle tax.—The list of persons liable for vehicle tax is to be prepared by the Karnam in V.P. Form No. 101. In order to collect the data, the Karnam may get the form No. 102 signed by the President and issued on a person reputed to possess a vehicle. On return of the form duly filled in it will be passed on to the Karnam to enable him to prepare the assessment list which also serves as the demand register in this case (V.P. Form No. 101). From this register the Karnam shall prepare the notice of demand for vehicle tax and fill up the forms for licenses and the counterfoil, obtain the signature of the President on these forms and have them delivered to the Headman for collection.

The Headman shall serve the demand notice on the assessors and obtain their acknowledgments on the reverse of the receipts. When the tax amount is tendered, the Headman shall complete the receipt and issue it and retain the counterfoil only. From the counterfoils he shall post the V.P. Form, No. 9 (the collection book) and follow the same procedure for remittance of the collection into the Panchayat Union cash chest as in the case of House tax collection. For remitting the amount collected as vehicle tax, a separate remittance chalan should be used. After the remittance, he shall send the collection register along with the receipted chalan to the President and through him to the Karnam. The President shall sign the collection book and on the reverse of the receipted chalan and pass it on to the Karnam to enable him to post the collection in the demand register V.P. Form No. 101 and then return the collection book and the receipted chalan to the Headman. The receipted chalan shall be posted along with the counterfoil in V.P.C. Form No. 1.

Lease amounts and Licence fees.—The Karnam is the most appropriate person to maintain V.P. Form No. 81 (the register of encroachments). Whenever an encroachment is noticed by him, he shall fill up form No. 23 and have it issued over the signature of the Panchayat President. When the notice is served, the acknowledgment of the person on whom it is served shall be obtained on the reverse of the original.

The collection of the licence fees or the lease amount will be done by the Headman and the issue of licence will be done by the President.

Forms and Registers to be maintained by the Headman.—The Headman receives from the Karnam through the Panchayat President, the bill-cess-receipt books in V.P. Form Nos. 5 and 6, V.P. Form No. 18 and V.P. Form No. 103. In all these cases after collection, the Headman shall return the receipt book with counterfoil stubs when it gets exhausted.

Notice to the occupier is to be issued by the Headman over the signature of the President of the Panchayat when he is unable to collect the tax from the owner of the house. When the notice is issued, the Headman shall obtain the acknowledgment of the occupier on the reverse of the counterfoil.

V.P. Form No. 9 is a very important document to be maintained by the Headman. The collection register will have to be sent on 25th of every month to the President and then to the Karnam along with the receipted chalan of remittance of different tax amounts. The collection register should be returned back to the Headman within a week. The collections made during the week when the collection book is either with the President or the Karnam could be entered from the counterfoils of the receipts issued in the collection book after it returns. It should be ensured that the collection register is not detained either by the President or the Karnam.

Distrain Warrant—Distrain Warrant is to be filled up by the Village Headman in V.P. Form No. 10 and shall be got signed by the executive authority. The Warrant shall be addressed to the Village Headman. The procedure for the distrain is laid down in paragraphs 25 to 33 in Chapter IV of the Panchayat Manual.

The register of warrants in V.P. Form No. 11 is also to be maintained by the Village Headman. As and when a warrant is issued by the executive authority, columns 1 to 8 are to be filled up and the initials of the executive authority should be obtained in column 9 of the register. The collection of the warrant fees and its remittance into the cash chest will also follow the procedure laid down in the collection of other tax. A separate column is provided for this purpose in the collection register (V.P. Form No. 9). V.P. Form Nos. 12 and 13 are self-explanatory and are to be maintained by the Headman.

Form No. 35 Miscellaneous receipt will also be issued by the Village Headman. All collections be made on behalf of the Panchayat for all miscellaneous purposes shall be made by the Village Headman and the receipt issued in Form No. 35. These collections will also be accounted for daily in the collection Book from No. 9 in a separate column. Column 16 may be temporarily used for this purpose. At appropriate intervals these miscellaneous receipts shall be remitted into the Panchayat Union cash chest under a separate remittance chalan in V.P. Form No. 1. Here again as in the case of other tax collection, the collection book along with the receipted chalan should be sent to the President. In this particular case the posting of the collections against demand will be done in the Panchayat Office itself since the miscellaneous demand register is not maintained by the Karnam.

In order to ensure that the local receipts do not get appropriated towards expenditure even due to inadvertence, it is essential that all payments to be made to the Panchayat should be made to the Headman.

MEMORANDUM ON THE PROCEDURE TO BE ADOPTED FOR COLLECTION AND ACCOUNTING OF LOCAL CESS AND LOCAL CESS SURCHARGE.

PRELIMINARY.

(1) Local cess is leviable under Section 115 of the Madras Panchayat Act. This local cess consolidates the former land cess, education cess and the additional surcharge and replaces them. The local cess to be collected at the rate of 45 paise per rupee of land revenue and is to be adjusted to the credit of the Panchayat Union to its general fund. Out of the proceeds of the local cess so collected in every Panchayat Development Block, a sum representing four-ninths of the proceeds shall be credited to the Panchayat Union (Education) Fund. Out of the proceeds of the local cess collected in every Panchayat Town in a Panchayat Development Block, a sum representing two-ninths of the said proceeds shall be credited to the Town Panchayat Fund. Out of the balance of the proceeds of the local cess collected in the Panchayat Development Block, such percentage as the Panchayat Union Council may fix shall be credited to the Village Panchayat Fund, and the percentage

shall be fixed so as to secure as nearly as may be that the total income derived by all the Village Panchayats in the Panchayat Union does not fall short of an amount calculated at 20 naye Paise for each individual of the village population in the Panchayat Union. The balance of the proceeds of the local cess collected in the Panchayat Development Block shall be credited to the funds of the Panchayat Union Council.

(2) Local Cess surcharge is leviable under section 116 of the Panchayat Act, 1958. Most of the Panchayat Unions have resolved to levy the surcharge. Separately, orders have been issued in G.O. Ms. No. 2280, R.D. & L.A., dated 18th August 1961 prescribing the procedure for the notification of local cess surcharge. The local cess surcharge collected in a Panchayat Union has to be matched by local cess surcharge matching grant from the Government. The matching percentage varies from 75 per cent to 100 per cent of the surcharge collected depending upon the classification of the Block as A, B, C and D.

(3) In G.O. No. 644, dated 9th August 1960, in paragraph 9, collection of local revenues has been made part of the normal duties of the Village Officers. Both local cess and local cess surcharge have to be collected by the Village Officers along with the land revenue during Kistbandi. The demand, collection and balance have to be reviewed in the same way as for land revenue by the same machinery.

2. Existing procedure for collection and adjustment of land cess, education cess and additional surcharge.—(1) Till now the land cess and education cess are consolidated and is collected along with the land revenue. The consolidated duo is shown in a separate column in village registers 9, 10, 12, 13, 14, 14-A, 14-C, 15, 16, 17 and 18. The remittance into the treasury is done in a lump-sum along with the land revenue under VII-a Land Revenue—Ordinary revenue—in a single chalan. Subsequently on the basis of settled accounts, the cesses duo were adjusted to the credit of the District Board and Panchayats (where they existed). Actually the adjustment was by way of monthly advance payments on the basis of anticipated collections and the final adjustment was to be made after the settlement of Jamabandi account. In the State Accounts the gross collections appeared as receipt, the adjustment to the local boards as a deduct entry under VII-a—Land Revenue—Ordinary Revenue.

(2) This system has not worked satisfactorily. The final adjustments were not made every year and since the adjustment was only by way of a deduct entry in the State accounts, on the receipt side there was no way of checking at the State level that the yearly adjustments were being carried out.

(3) In respect of additional surcharge, this was levied under the Madras Land Revenue (Additional Surcharge) Act, 1955 and this collection was kept separate from the land cess and education cess in the Village Accounts. The remittance into the treasury was also by a separate chalan and this item appeared as a separate entry in the State Accounts—VII-a Land Revenue—Ordinary Revenue—receipts under Surcharge Act, 1954 receipts under Surcharge Act, 1955. The collection was pooled at the State level and two-thirds was distributed to the District Boards on the population-cess-road mileage basis and one-third was distributed to Panchayat on area basis. Here again advance adjustments were made to District Boards at the State level on anticipated collections and subsequently final adjustment were carried out. There was no difficulty in carrying out final adjustments here as the separate receipt entry in the State Accounts showed how much was to be distributed.

3. Changes to be made in the Village Accounts in the light of G.O. No. 644, R.D. & L.A., dated 9th August 1960.—(1) From the foregoing it would appear that if the adjustment of local cess and local cess surcharge are to be carried without those difficulties which have so far beset the final adjustment of land cess, then the local cess or cess surcharge should not be clubbed together in accounts with land revenue but should be exhibited as a distinct entry as has been done in the case of surcharge levied under Surcharge Act, 1954 and 1955. If it is to be ensured that the receipts are booked under separate detailed heads, it will be necessary that the remittances are done in separate chalans into the sub-treasury and are entered in separate sub-chitras. This will necessitate having separate totals of collections of local cess surcharge not only in the provisional demand but also in Nos. 12, 14, 14-A, 14-B, 14-C, 15, 16, 17 and 18 of the village registers. This could be provided for by opening separate columns for this purpose in all these registers.

(2) The above proposal has the following difficulty in addition in practice. Normally the Village Officer does not present every ryot with a demand detailing out the break-up of the demand under different heads even though such a detailed

break-up is worked out in the provisional demand register, the ryot is generally told by the Village Officers what he has to pay and he pays it in instalments during the kimbhandi. These instalments are credited against the total demand due from the ryot as a whole and is not apportioned among the different heads in the provisional demand. If provision is to be made for separate remittances into treasury for local cess and local cess surcharge, it will be necessary for the Village Officer to split up instalments of kist paid into the local cess instalment, local cess surcharge instalment and land revenue instalment or in the alternative to post the entire kist instalment tendered against each of the three columns successively, then total up the three columns and send the remittances into the sub-treasury separately.

(3) As against this procedure, the demands under the land revenue, local cess and local cess surcharge could be clubbed together in 10 II and remittances could be made in a single chalan against the total demand due from the village. In either case since the advances are being made to Panchayat Unions against anticipated collections, the final adjustment will arise only at the time of Jamabandi. The Jamabandi will afford an opportunity for apportioning the collections into the land revenue, the local cess and the local cess surcharge in the same proportion in which the totals under the three heads stand in the settled demand and thereafter carry out marginal adjustments between the advances already credited to the unions and the actual amounts due to them on the basis of actual collections.

4. *Separate information to be furnished to unions.*—It is no doubt necessary the village-wise separate break ups of local cess and local cess surcharge should be known to union councils. Arriving at this local cess and local cess surcharge in respect of individual villages will not present any difficult if only 10 II has separate columns for local cess and local cess surcharge. At present there is a column for land cess which could be replaced by a column for local cess. For local cess surcharge a separate column will have to be provided in addition. It will be necessary for the Panchayat Union to be furnished with the break up of the demands for local cess and local cess surcharge village-wise so that the Council could watch the adjustments of credits in advance against these demands and also adjust correctly the local cess amounts due to town and Village Panchayats. Where a whole village has not been included in a town panchayat it may be necessary to have the break up of the demand for the portion included in the town panchayat separately from the demand for portions not included in the Panchayat limits.

5. *Adjustments to be watched in administrative supervision.*—If the above were to be accepted there will be minor changes in 10 II, 12, 13, and 14 and none in respect of other registers. But this system leaves the watching of final adjustment of local cess and local cess surcharge to administrative supervision and does not enable an automatic check to be exercised through accounts figures. If it could be ensured that the break-up of the demand village-wise would reach the Union Office, it could be left to the Union to be vigilant about the final adjustments. A periodical may also be prescribed to watch the final adjustments of local cess and local surcharge amounts against the demands on these accounts as well as collections. A question may be added to the final jamabandi check memo to ensure that the village-wise collections of local cess and local cess surcharge have been apportioned and marginal adjustments are being carried out.

6. *New separate detailed heads for adjusting local cess and local cess surcharge.*—It is desirable however to have separate figures of local cess and local cess surcharge adjusted to the credit of the Unions year after year. It is possible to get these figures booked in accounts by prescribing two separate detailed heads of accounts in adjusting the credits in advance. This will mean that all receipts under land revenue, local cess and local cess surcharge will get booked under respective detailed heads of receipts under VII a—Land Revenue as at present. But the advance adjustments of credits of local cess and local cess surcharge will be booked separately under two separate detailed heads—

Deduct—Payments to Panchayat Unions of local cess,

Deduct—Payments to Panchayat Unions of local cess surcharge.

(B4) *Prescription of form of sanction order to be issued by the District Collectors.*—The District Collectors should issue the sanction order for advance payment of Local Cess Surcharge Matotting grants in the form annexed. The fair copies should be signed by the Collector or in his behalf by the Personal Assistant to the Collector.

ANNEXURE.

No. _____ Office of the Collector of _____
 Dated : _____
 From _____ To _____
 The Collector of _____ The Sub-Treasury Officer, _____

Under instruction 2 of the Treasury Rules 17, of the Madras Treasury Code, Volume I. I hereby authorise you to pay to the Commissioner, Panchayat Union _____ on the authority of (i) this order and (ii) the duly receipted bill attached, the sum of Rs. _____ (Rupees _____).

2. The amount should be paid by book adjustment to the accounts of the Panchayat Union in L.F. deposit account No. I maintained at your treasury or sub-treasury and no cash payment should be made. (95) *Advance payment of local cess surcharge exempted from pre-audit.*—The Government order that the advance payment of local cess surcharge Matching Grants be exempted from pre-audit at the Huzur Treasury.

(G.O. Mn. No. 673, R.D. & L.A., dated 21st March 1962.)

(96) *Resolutions regarding levy of local cess surcharge.*—A clarification was sought for on whether a resolution passed by the Panchayat Union Council levying Local Cess Surcharge under section 116 of the Madras Panchayats Act, 1958 may be considered to be valid until the resolution is modified or cancelled or whether it is necessary to pass a resolution every year.

The local cess under section 115 of the Madras Panchayats Act, 1958 is payable every faddi. Under Section 116, a local cess surcharge may be levied by every Panchayat Union Council and when it is so levied by a resolution of a Panchayat Union Council it will be recoverable as an addition to the local cess until such resolution is cancelled or otherwise modified. Hence, unless the resolution specifies that the levy of local cess surcharge will be only for a given period say a faddi year—it should be deemed to be valid till it is modified or cancelled by another resolution. A resolution to levy the local Cess Surcharge without limiting the levy to a particular year or years will be levied and recovered along with the local cess from year to year. That being so, it is convenient to pass a general resolution to levy local cess surcharge at a specified rate and to pass a special resolution if the rate of such levy is to be varied in any particular year. The Panchayat Union Commissioners may be advised accordingly.

10. (97) Consultation with Panchayats before issuing notifications under section 111 (2) of the Madras Panchayats Act, 1958.—1. A Notification under section 111 (1) of the Madras Panchayats Act, 1958, specifying the purposes which are likely to be offensive or dangerous to human life or health or property has been issued with G.O. Ms. No. 118, R.D. & L.A., dated 12th January 1961.

2. Under clause (i) of sub-section (2) of section 111 of the said Act, the panchayat union council, in the case of village panchayats, may, with the previous approval of the prescribed authority, notify that no place within the limits of any panchayat village in the panchayat development block or within the limits of such panchayat village or villages as may be specified in the notification shall be used for any of the purposes specified in the notification, issued under sub-section (1) of Section 111 of the Act without a licence and except in accordance with the conditions specified in such licence. Thus, panchayat union councils have been given the discretion to notify any panchayat village or any place within such village as a place which shall not be used for any of the purposes mentioned in the notification issued with the G.O. referred to in paragraph 1 above. The panchayat union council may specify certain purposes in respect of a panchayat village and certain other purposes in respect of other panchayat villages in its jurisdiction.

3. It has been suggested that panchayat union councils may consult the panchayats concerned before exercising the power vested in them under section 111 (2) (i) of the Act, even though there is no specific provision in the said Act, requiring the panchayat union council to have such consultation.

4. The Government accept the suggestion. The panchayat union councils are requested to consult the panchayats concerned before issuing any notification under section 111(2) (i) of the Act; and the prescribed authority should consider the views of the panchayats concerned before approving the proposals of the panchayat union council.

(G.O. Ms. No. 1540, R.D. & L.A., dated 29th May 1961.)

(98) DANGEROUS AND OFFENSIVE TRADES—POSITION UNDER MADRAS VILLAGE PANCHAYATS ACT, 1950, AS COMPARED WITH THAT UNDER THE MADRAS PANCHAYATS ACT, 1958,

1. Section 91 of the Madras Village Panchayats Act, 1950 (Madras Act X of 1950) empowers the Government to make rules specifying the purposes which, in their opinion, are likely to be offensive or dangerous to human life or health or property. No such rule is necessary under section 111 of the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958). A notification issued by the Government will specify the purpose which are likely to be dangerous and offensive.

2. The said section 91 empowers a Panchayat to notify with the previous approval of the prescribed authority (Regional Inspector of Municipal Councils and Local Boards) that no place within the limits of the village shall be used without a licence for dangerous and offensive purposes. No distinction is made between a Class I (Town) Panchayat and a Class II (Village) Panchayat in the matter of exercising control over, and levying fees on, dangerous and offensive trades. The position under Madras Act XXXV of 1958 is as follows:—

In the case of panchayat village, the panchayat union council is the authority competent to notify that no place within the limits of any panchayat village in its jurisdiction or within the limits of such panchayat village or villages as may be specified in the notification, shall be used for any of the purposes specified by the Government as dangerous or offensive without a licence. The Panchayat Union Commissioner is the authority competent to grant or refuse the licence.

In the case of town panchayats, the panchayat concerned is the authority competent to issue the notification referred to above and its executive officer is the authority competent to grant or refuse the licence.

3. The income from licence fees though levied by panchayat union councils will be credited to the village panchayats concerned in respect of panchayat villages concerned as at present.

4. In pursuance of the order issued in G.O. Ms. No. 940 (L.A.), dated the 6th May 1959 under section 126 of the Madras Village Panchayats Act, 1950 (Madras Act X of 1950), the functions vested in certain panchayats by sections 91 and 92 of that Act are exercisable by the district boards of the districts concerned subject to certain conditions. From the date specified in the notification constituting a panchayat union council under section 11 (1) of the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958) the Madras District Boards Act, 1920 (Madras Act XIV of 1920) and the Madras Village Panchayats Act, 1950 (Madras Act X of 1950) will stand repealed in the panchayat development block concerned and such panchayat development block will cease thereafter to be included within the jurisdiction of any district board. Hence, in respect of the Panchayat Development Blocks for which panchayat union councils have been constituted with effect from 2nd October 1959 the district boards concerned will be divested of the functions exercisable by them under sections 91 and 92 of the Madras Village Panchayats Act, 1950 in pursuance of the G.O. referred to above.

5. Under section 249 (1) of the Madras District Municipalities Act, 1950 (Madras Act V of 1950) municipal councils may control such trades in rural areas at a distance within three miles of such municipal limits. Consequent on the amendment made to that section by section 192 (b) of the Madras Panchayats Act, 1958, the municipal councils will cease to have the power to exercise control over and levy fees on dangerous and offensive trades in such rural areas from the date on which panchayat union councils are constituted for those areas.

6. From the date of constitution of a Panchayat Union Council, the district board and the municipal councils will cease to have jurisdiction to exercise the powers exercisable by them in any panchayat or rural area within the limits of the Panchayat Development Block concerned and those powers will be exercisable by the Panchayat Union Council and the Commissioner in the case of panchayat villages and by the town panchayat and the executive officer in the case of town panchayat in accordance with the provisions of section 111 of the Madras Panchayats Act, 1958.

7. A notification under section 111 (1) of Madras Act XXXV of 1958, specifying the purposes which in the opinion of the Government are likely to be offensive or dangerous to human life or health or property will be issued separately in due course. Pending the issue of such notification and rule, the rules already issued by the Government under section 91 of the Madras Village Panchayats Act, 1950 (Madras Act X of 1950) specifying the purposes which have been considered as dangerous and offensive (vide notification No. XXVI appended to G.O. No. 520, L.A., dated 24th March 1951 and reproduced in paragraph 87 of the panchayat manual) and the notification, if any, already issued by a panchayat or district board for controlling and licensing dangerous and offensive trades will continue to be in force until the panchayat union councils and the town panchayats issue revised notifications under Madras Act XXXV of 1958, so far as they are consistent with the latter Act.

(v) the amount of earnest money which should accompany the tender and the amount and nature of security required in case the tender is accepted; and

(2) Contractors who are required to tender on percentage basis, may be permitted to examine the estimates for a work, but the data statement showing the actual cost of materials and the distance of the leads on which the estimate is really based shall not be shown to them nor shall it form part of the contract documents.

Note.—In the case of lump-sum contracts no schedule of the quantities will be prepared by the Panchayat Union Engineer or Assistant Engineer (Highways and Rural Works) or Divisional Engineer as the case may be. Tenderers shall prepare their own schedule to arrive at a lump-sum.

10. No tender shall ordinarily be treated as valid unless it is accompanied either by the earnest money specified in the tender notice or by a receipt in token of the party having remitted into the panchayat union office the amount of the earnest money.

A separate list of all sums deposited as earnest money shall be maintained under the signature of the officer opening the tender for facility of reference.

11. Only tenders from registered contractors shall be considered. This condition shall not be enforced in the case of capital works, the value or amount of which exceeds Rs. 20,000 or in the case of steel work, or in cases in which the Panchayat Union Engineer certifies that the work requires the use of special plant or materials and specially trained labour and that tenders from unregistered contractors may be considered. In the case of capital works the value or amount of which exceeds Rs. 20,000 tenders from engineering firms of standing and from contractors registered in or outside the Panchayat Union area for such capital works may be considered. Tenders from unregistered contractors may also be considered if they are accompanied by copies of testimonials or record of previous execution by them of any such capital work and by proof of their financial stability and capability for executing such capital works.

12. The amount of earnest money to be deposited shall be sufficiently large as to be a security against loss in the case of the contractor failing to furnish the required security within the appointed time after the acceptance of his tender, or until the sums due to him from a sufficient guarantee, as the case may be.

13. The Commissioner or any responsible person authorised by him in this behalf shall, at the time and place specified for the purpose, open the sealed covers containing the tenders in the presence of such of the tenderers or their authorised agents as may be present. On opening the tenders, the Commissioner or the person authorised by him to open the tenders shall initial all corrections in each tender which may have been made by the tenderer and attested by him. If there are corrections in the tender unattested by the tenderer a note of such corrections shall be made on the tender itself when it is opened. The Commissioner or the person authorised by him to open the tenders shall enter the total number of tenders received in the tender register against each work.

14. (1) After the tenders are opened, they shall be tabulated and posted in a tender register maintained in the panchayat union office in Form II. (2) A contractor who withdraws his tender without valid reasons (to be decided by the Commissioner) shall be liable to have his name removed from the register of contractors for a period

ranging from one to five years. The orders of the Commissioner removing the name of the contractor from such register shall be communicated to the contractor concerned by the Commissioner. An appeal shall lie to the Chief Engineer (Highways and Rural Works) against the orders of the Commissioner. Such appeal shall be preferred through the Panchayat Union Engineer and the Commissioner, and the Divisional Engineer (Highways and Rural Works) within seven days from the date of receipt by the contractor of the orders of the Commissioner. (3) Where the lowest tender is rejected, the next lowest tender shall be considered. If it is considered undesirable to accept that tender also, the next higher tender shall be considered. In every case of rejection of a tender under this sub-rule, the reasons therefor shall be recorded in writing by the authority competent to accept tenders.

(4) In no case shall a tender be accepted at rates other than those specified in that tender: if however the authority competent to accept the tender considers that the rates for certain items in an otherwise lowest tender which is under consideration under sub-rule (1) or sub-rule (3) are pitched too high, he may negotiate with the lowest tenderer with the approval of the next superior authority and secure reasonable rates for those items without higher sanction.

(5) There shall be no avoidable delay in the disposal of tenders after they are opened. In cases where the Commissioner is competent to dispose of tenders without obtaining concurrence of others, the Commissioner shall do so ordinarily within a week of the date on which they are opened, and in any case within a period not exceeding one month. In other cases, no tenders shall remain undisposed of for a period exceeding two months from the date on which they are opened.

is not accepted and the person making such a tender is a person competent according to the register of contractors to execute the works, the matter shall be referred to the Divisional Engineer (Highways and Rural Works) concerned and the decision of the Divisional Engineer (Highways and Rural Works) shall be final. The reference and the order thereon shall contain clear and convincing reasons for not accepting the lowest tender.

17. In the case of works, the value or the amount of which exceeds Rs. 2,500 but does not exceed Rs. 10,000 the concurrence of the Assistant Engineer (Highways and Rural Works) concerned shall be obtained and orders passed by the Commissioner. In the case of works the value or the amount of which exceeds Rs. 10,000 but does not exceed Rs. 50,000 the concurrence of the Divisional Engineer (Highways and Rural Works) shall be obtained and orders passed by the Commissioner. Cases in which the Divisional Engineer (Highways and Rural Works) differs from the Commissioner or in which it is proposed to accept the tender other than the lowest tender shall be referred by the Divisional Engineer (Highways and Rural Works) to the Superintending Engineer (Highways and Rural Works) and the decision of the Superintending Engineer (Highways and Rural Works) shall be final.

(99) Government consider that the "works programme in the Panchayat Unions can be speeded up if more effective co-ordination is secured between the engineering establishments in the Panchayat Unions and the higher technical staff of the Rural Works engineering establishment outside the Panchayat Unions, viz., the establishment of the Assistant Engineer. The Assistant Engineer (Highways and Rural Works), has a major role to play in the execution of the works programme in the Panchayat development blocks. The preponderant part of the work of the Assistant Engineer (Highways and Rural Works) is on the rural works side, as the rural works plan which he has to implement is considerably larger in scope than the Highways plan entrusted to him.

2. In order to bring about better co-ordination between the Assistant Engineer (Highways and Rural Works) and the Panchayat Unions Engineer, the Chief Engineer (Highways and Rural Works) is requested to prescribe a system of monthly meetings under which the Assistant Engineer would visit the office of every Panchayat Union in his jurisdiction regularly, once a month, when he would meet the Chairman, the Commissioner and the Junior Engineer of the Panchayat Union. They should sit together, discuss the progress of the works programme in the block and settle outstanding issues arising out of such progress. The Chief Engineer is requested to issue suitable instructions in this regard under intimation to Government.

(Memo. No. 24527/L.Spl./61-1, dated 20th December 1961.)

(100) Rules 7 (1) (b) in Notification No. 44 in G.O. Ms. No. 1677, L.A., dated 8th December 1960 and 6 (1) (c) in Notification in G.O. Ms. No. 1441 R.D. & L.A., dated the 22nd May 1961 provide for the publication by Panchayat Unions of notices in certain cases, inviting tenders for works and for supply of goods and materials. Government have had occasion to observe that panchayat unions have been making liberal use of these provisions, with the result that in a large number of cases excessive expenditure has been incurred from the funds of the panchayat unions towards the publication of such notices. Government consider it necessary to amend the rules in order to remove the provisions enabling the executive authorities of panchayat unions to publish notices in newspapers in the above cases. Pending issue of the revised rules in the matter, the following instructions are issued. These instructions shall apply to tender notices relating to invitation and acceptance of tenders by panchayat union councils for works and for the supply to them of materials, goods, etc.

2. In the case of panchayat unions the tender notice shall be published (i) on the panchayat union notice board, (ii) the taluk office notice board, (iii) in the District Gazette if possible, and (iv) in such other places as the Panchayat Union Engineer (in respect of works) and the Panchayat Union Commissioner (in other cases) may consider necessary. In addition to this, copies of the tender notice shall be sent to the Commissioners of all the other Panchayat Unions in the district for publication on the notice board of the Panchayat union concerned.

3. In no case shall a tender notice issued by a Panchayat union be published in any newspaper.

(Memo. No. 87927/L.Spl./62-1, dated 29th May 1962.)

(101) In G.O. Ms. No. 1141, R.D. & L.A., dated the 22nd May 1961 rules relating to the invitation of tenders in respect of Panchayat Union Works have been issued. According to which tenders shall be called for in respect of every work which is to be executed by or on behalf of Panchayat Union Councils on contract and the value and amount of which exceeds Rs. 1,600 except in the cases coming under the proviso to rule (1) of the above rules. In paragraph 8 (vii) of G.O. Ms. No. 2163, R.D. & L.A., dated the 28th July 1961, the procedure for the execution of works under the Village Works Programme entrusted to the Panchayat Unions has been laid down. According to which these works should as far as possible be entrusted at scheduled rates to Panchayats for execution without calling

for tenders, on the concerned Panchayat passing a resolution to take up the work at schedule rates. If the Panchayat is not in a position to do so, they may be entrusted to a beneficiary nominated by the Panchayats concerned, without calling for tenders. In case where the Panchayats express their inability to take up the works or nominate a beneficiary the works may be got executed by a contractor after calling for tenders in accordance with the rules. The Panchayat Union Commissioners are requested to follow the above rules and the orders of the Government strictly in future.

In G.O. Ms. No. 285, L.A., dated the 1st February 1962 rules relating to invitation and acceptance of tenders for Panchayat Works have been issued. Panchayats entrusted with the execution of works should comply with the above rules.

(Memo. No. 226080/R.D.Accts.E/61-2, dated 20th June 1963.)

65. SUPPLY TO PANCHAYAT UNION COUNCILS OF MATERIALS, GOODS, ETC.

1. In respect of supplies of materials, goods or services other than those for the execution of works, the panchayat union council may determine up to what limit of cost not exceeding Rs. 400 tenders may be dispensed with. When tenders are invited they shall be tabulated and scrutinized by the Commissioner and then placed before the panchayat union council with the recommendations of the Commissioner for orders.

2. The lowest tender shall ordinarily be accepted. When it is considered undesirable to accept the lowest tender, the reasons therefor shall be clearly recorded and made available for purposes of audit.

NOTE.—Where a tender is in respect of more than one article, for example, stationery article, the comparative prices can be considered either individually for each article or conjointly for all the articles or for specified groups of articles, as long as the lowest tender is accepted; provided that the intention of the panchayat union council to select the lowest tender, in any of these ways is made clear in the tender notice. If the tender is considered conjointly for all the articles or for groups of articles, the cost of the probable requirements in respect of all the articles or of all the articles in each group, as the case may be, shall be worked out with reference to the rates given in each tender and the lower tender will be that according to which the total cost of the probable requirements of all the articles proposed to be taken together works out to be the least.

3. Where the capacity for supply and the integrity of a tenderer are not known, his tender need not necessarily be rejected; such additional security as the panchayat union council considers necessary shall, however, be taken from the tenderer, if the circumstances warrant such a course.

4. Where the lowest tender is rejected, the next higher tender shall be accepted unless adequate grounds can be recorded for rejecting that tender also.

5. In no case shall a tender be accepted at rates other than those specified in that tender.

6. There shall be no avoidable delay in the disposal of tenders after they are opened.

7. (1) Tenders in sealed covers shall be invited by the Commissioner in the most open and public manner possible—

(a) by displaying the tender notice in Tamil,—

70. CLASSIFICATION OF PUBLIC ROADS, FAIRS AND
 FESTIVALS.

1. The classification of public roads, fairs and festivals, in any panchayat area as appertaining to the panchayat union council or the panchayat shall be ordered by the Additional Development Commissioner in consultation with—

(i) the Collector and the Chief Engineer (Highways) in the case of public roads; and

(ii) the Director of Public Health in the case of fairs and festivals.

2. Before any classification is ordered under rule 1, the Panchayat Union Council and the panchayat concerned shall be given a reasonable opportunity of expressing their opinion.

3. The Government shall have power to revise, in consultation with the District Development Council concerned, any classification ordered by the Additional Development Commissioner under rule 1.

(G.O. Ms. No. 1977, L. A., dated 8th October 1960.)

(G.O. Ms. No. 3162, R.D. & L.A., dated 26th November 1961.)

(106) CLASSIFICATION AS PANCHAYAT UNION ROADS AND PANCHAYAT ROADS.

For purposes of control and maintenance, roads in the State are classified by Government as follows:—

- (i) National Highways;
- (ii) State Highways;
- (iii) Major District Roads;
- (iv) Other District Roads; and
- (v) Village Roads.

The Union Government are responsible for the maintenance and improvement of the National Highways; while the State Government are responsible for the maintenance and improvement of the State Highways and the Major District Roads.

2. Under section 60 (1) of the Madras District Boards Act, 1920, all the public roads in the district which are classified as "district roads" and all public roads in non-panchayat areas in the district vest in the district board. Therefore, of the other District Roads and Village Roads referred to in paragraph 1 above, those in panchayat areas which are classified as District Roads and all those in non-panchayat areas in the district are the responsibility of the District Board. All other public roads (that is to say roads other than District Roads, National Highways, State Highways and Major District Roads) are the responsibility of the panchayats concerned in panchayat areas.

3. One of the functions to be performed by the District Development Council under section 5 (2) (c) of the Madras District Development Councils Act, 1958, is to advise the Government on the question of classification of public roads (other than roads classified by the Government as National Highways, State Highways and Major District Roads) as "Panchayat Union Roads" and "Village Roads". Under section 77 (1) of the Madras Panchayats Act, 1958, all public roads which are classified as "Panchayat Union Roads" vest in the Panchayat Union Council concerned and under section 65, it is the duty of the Panchayat Union Council to make a reasonable provision for the construction, repair and maintenance of all Panchayat Union Roads. Under section 78 (1) of the Madras Panchayats Act, 1958, all public roads in a panchayat area other than those classified as National Highways, State Highways, Major District Roads and Panchayat Union Roads vest in the panchayat concerned and under section 83, it is the duty of the panchayat to make reasonable provision for the construction, repair and maintenance of all such roads vested in it.

4. The intention behind the scheme of classification of roads into different categories and the fixation of responsibility for maintenance and control in different authorities is that the Government (Union and State) should maintain, at a sufficiently high standard, all roads of All India and State-wide importance. The State Government should, in addition, maintain so many of the roads of purely inter-district importance as can be efficiently maintained at the appropriate standard, with the help of funds anticipated to be available therefor. This may be expected to be a progressively increasing factor and additions may be made at quinquennial intervals to the roads classified as Major District Roads maintained by Government. It follows that all roads in rural areas which, for the time being, cannot be so maintained should be the responsibility either of Panchayat Unions or of Panchayats.

6. Thus there will be at any given time, an aggregate mileage of roads which must be maintained either by the Panchayat Union or by the Panchayat. The financial resources of both bodies have been clearly demarcated in the new Act. The classification of some roads as Panchayat Union Roads and all other roads as Panchayat, village/town roads must obviously be effected with reference to available resources. Though the Act does not lay down any particular criteria for classification purposes, note should be taken of section 131 of the new Act, which provides a "Local Roads Grant" ear-marked for maintenance of Panchayat Union Roads. The amount of this grant will exceed (in every block) the old "toll compensation" payable to the district board which it replaces. The amount of this grant is also to be settled and reviewed at quinquennial intervals. The intention of the Legislature Committee on Local Administration which recommended this arrangement was that those roads should be classified as Panchayat Union Roads which are recognizably of inter-block importance and which can be maintained, at an appropriate standard with the funds anticipated as available therefor; that is to say the amount calculated at 40 Paise per capita plus whatever (on the basis of past experience of District Board management) can be expected to be made available in addition, out of the Panchayat Union (General) Fund. Whatever is not classified as Panchayat Union Road on this basis, will automatically become classified as Panchayat Village/Town Roads; in respect of the part thereof which lies within the Panchayat village (or Panchayat town) notified under the new Act.

6.	*	*	*
7.	*	*	*
8.	*	*	*

(G.O. No. 408, L.A., dated 28th March 1960.)

Before the present classification of roads was attempted all classified roads in the State fall under the following Categories—

- National Highways,
- State Highways,
- Major District Roads,
- Other District Roads, and
- Village Roads.

In respect of the National Highways the responsibility is with the Union Government. The State Highways and Major District Roads are the responsibility of the State Government, while all other public roads are the responsibility of the District Boards and the Panchayats. The State Government have been taking over every year certain mileage of roads which form bus routes for future maintenance by the State Highways Department. The extent to which such take over can be effected is completely subject to the funds available with the State Government for the maintenance of such roads. While, therefore, the State Government will continue every year to take over such mileage of bus routes as have acquired sufficient importance as to make it necessary for the State Government to take over and maintain them, no guarantee whatsoever can be given by the State Government that any particular mileage of roads or any particular roads among these will be taken over by the State Government on any particular date. Nor is it possible for the State Government to accept responsibility for the maintenance of these roads, merely because some of the Panchayat Unions have been apparently misled into believing that if they declined to maintain the road from out of the funds available with them, the Government would take them over.

Government wish to make it explicitly clear that all ex-District Board Roads should be maintained either by the Panchayat Union or by the Panchayat and no commitment is to be made in advance in respect of any such road being taken over by the State Government.

The Panchayat Union should take upon itself responsibility for the maintenance of strictly that mileage of roads which can be efficiently maintained with the funds so available. What ever mileage of roads exists over and above this is necessarily to be classified as Panchayat road and the Panchayat concerned will have to be charged with the responsibility of maintaining these roads to such standard as the

Panchayats may be in a position to do. The question, therefore, whether a greater or lesser mileage of roads should be classified as Union roads is clearly a matter only for the Panchayat Union to decide. Once the Panchayat Union has decided as to what mileage it should take over as its own responsibility, the remaining mileage of roads, which do not fall within the ambit of the State Highways and Rural Works Department will have to go to the Panchayats.

(G.O. No. 428, R.D. & L.A., dated 17th February 1961.)

71. ILLICIT CUTTING OF TREES.

The village headman shall report every case of illicit cutting of trees on road margins or on land vesting in the panchayat union council, to the Tahsildar through the Revenue Inspector concerned and shall also send a copy of the report to the commissioner. The commissioner shall, thereupon, within a fortnight from the date of the said report, inform the Tahsildar of the action taken or proposed to be taken against the person or persons responsible for the illicit cutting. If no communication is received by the Tahsildar from the commissioner within the time allowed, he shall, after ascertaining that the panchayat union council has not taken action in the matter, himself lay the complaint of the said offences before the appropriate Judicial Magistrate.

(G.O. No. 261, R.D. & L.A., dated 1st February 1962.)

72. TRANSFER OF IRRIGATION FUNCTIONS TO PANCHAYAT UNION COUNCILS.

The conditions subject to which the functions in respect of village irrigation works specified in sub-section (1) of section 85 of the Madras Panchayats Act, 1963, may be transferred to Panchayat Union Councils shall be as follows :—

(1) The transfer to any panchayat union council shall be restricted to minor irrigation sources in charge of the Revenue Department, which are situated within such panchayat union, provided that such sources do not form part of a river irrigation system. Tanks under the control of the Public Works Department shall not be transferred even if they are unconnected with a river irrigation system.

(2) The Panchayat Union Council shall, with effect from the date from which functions in respect of any village irrigation work are transferred to it, make its own arrangements for the discharge thereof and shall if necessary, employ its own staff. In the exercise of such functions, the Panchayat Union Council shall also have general control over the nirgantis, if any, employed by the Government. The Revenue Department shall, however, retain the power of appointment, punishment, dismissal and payment of salary or other allowances to the nirgantis.

(3) The Panchayat Union Council shall have power to regulate the manner and order in which the lands in the village under the irrigation work shall be irrigated, the time at which the supply of water shall commence, the period during which the supply of water shall continue and the total quantity of water to be supplied. But the Panchayat Union Council shall so exercise its power of regulation as not to interfere with any established or customary right to preferential or proportional supply. The Panchayat Union Council shall be responsible as a body to decide on all details regarding the regulation of turns of irrigation. The actual operation of the shutters shall be the responsibility of the village headman only, subject to the general control of the Panchayat Union Council.

(4) The Panchayat Union Council shall not empower any committee appointed by it under section 53 (3) of the Madras Panchayats Act, 1958, for the efficient performance of its duties and functions under section 85 (1) of the said Act, to regulate the turns of irrigation.

(5) The Panchayat Union Council shall not effect any alteration in the sluices of the irrigation work or interfere with the standard and specification laid down in the Tank Restoration Scheme Memoirs in respect of such work or raise, lower or extend the weirs or calingulas, or make any material alterations in or interfere with the headwork, if any, of the channels.

(6) The Panchayat Union Council shall be responsible for keeping watch over the bund of the irrigation work during the rainy season.

(7) The Panchayat Union Council shall make good, any damage to the sluices, weirs, calingulas, channels, headworks, bund or other works forming part of or connected with the irrigation work resulting from its misfeasance or non-feasance, the decision of the District Collector as to whether any particular item of damage was the result of any misfeasance or non-feasance on the part of the Panchayat Union Council, being final.

(8) The Panchayat Union Council shall not excavate earth at any time for any purpose within thirty feet of either toe of the bund of the irrigation work.

(9) Any function in respect of a village or town irrigation work transferred to a Panchayat Union Council may, at any time, be resumed, without assigning any reason, by the Government or the authority to whom powers may be delegated under section 157 of the Madras Panchayats Act, 1958.

(10) The maintenance of all irrigation works transferred to the panchayat union council shall be under the control and supervision of the panchayat union engineer (Block Engineer or supervisor,

as the case may be) and shall be subject to inspection by the Revenue Divisional Officer.

(G.O. Ms. 2185, R.D. & L.A., dated 4th August 1961.)

(G.O. Ms. No. 3374, R.D. & L.A., dated 26th December 1961.)

(G.O. Ms. No. 764, R.D. & L.A., dated 3th April 1963.)

SUPPLEMENTARY RULES.

1. *Transfer of Minor Irrigation Works.*—All minor irrigation works irrigating not exceeding 200 acres which are under the control of the Revenue Department excepting those which do not form part of a river irrigation system and those which are for special reasons kept under the control of the Public Works Department, shall vest with the Panchayat Union Council concerned, subject to the concurrence of the Panchayat Union Council. The whole of the income derived from the fishery rights of the Government in such works shall be credited to the Panchayat Union (General) Fund.

2. *List of Minor Irrigation Sources.*—The Union Engineers of Panchayat Unions and Assistant Engineers of Highways and Rural Works Department shall maintain a complete list of minor irrigation sources within their respective jurisdiction. It shall be in Form I appended to these rules. It shall be brought up-to-date annually by including in it new sources brought under the control of the Panchayat Unions. When a source passes out of the control of a Panchayat Union Council it shall be recorded in the remarks column of the list. This list will serve as an index to the standing ledger of minor irrigation sources in Form II appended to these rules.

3. *Standing ledger of Minor Irrigation Sources.*—A standing ledger of sources showing each source on which money is spent, the amount of expenditure sanctioned and other details pertaining to the maintenance of works connected with such source shall be maintained by the Panchayat Union Council in Form II appended to these rules. The Overseer or Union Engineer who prepares the estimates for repairs of such source shall specifically indicate in the specification report the nature of the repairs carried out previously and the expenditure incurred therefor with reference to the particulars recorded in the said standing ledger. As soon as estimates are sanctioned, columns 1 to 3 of the ledger shall be filled up. The other columns shall be filled up each year after the particulars regarding the amount actually spent in the year become available.

4. *Maintenance and repairs to works.*—Subject to the provisions of the Madras Compulsory Labour Act, 1958 (Madras Act I of 1958) and the proviso to section 85 (2) of the Madras Panchayats Act, 1958 (Madras Act XXXV of 1958), it shall be the duty of the Panchayat Union Council to keep all minor irrigation sources under its control in a reasonably efficient condition. All works necessary for the purpose which are not executed as kudimaramat works shall be executed by the Panchayat Union Council under the technical control of the officers of the Highways and Rural Works Department. The maintenance

of the minor irrigation works by the Panchayat Union Councils will chiefly consist of the repairs of masonry work, earth work and the reconstruction of damaged works. The Panchayat Union Council shall not effect any alteration in the sluices of the irrigation work or interfere with the standard specifications laid down in the Tank Restoration Scheme memoirs in respect of such works, or raise, lower or extend the weirs or calingulas or make any material alterations in or interfere with the head works, of the channels except with the previous sanction of the Divisional Engineer (Highways and Rural Works), provided that the tank in question does not lie in a chain of tanks of the same basin. In all other cases, the prior sanction of the Superintending Engineer (Highways and Rural Works) shall be obtained. In all cases where such repairs are considered necessary, full explanation of the new works showing their need and their productive value shall be given in the reports accompanying the estimates. Estimates for repairs to works particularly to works which have seriously deteriorated or for the restoration of works damaged by floods shall be sanctioned taking into consideration the capital and productive value.

5. *Contribution.*—When scrutinizing the estimate for improvements to or repair of any minor irrigation work, the Panchayat Union Council shall take into consideration the possibility of demanding contributions from the ryots concerned towards the cost of these improvements or repairs and shall decide whether any portion of the cost of any or all of the contemplated improvements or repairs have not to be recovered from the ayacutdars. It is left to the discretion of the Panchayat Union Council to demand such contribution. The Panchayat Union Council shall not demand such contribution if the cost of an estimate in any particular case is really so excessive as to render it undesirable or unnecessary in the circumstances of the case. With a view to enable the Panchayat Union Council to determine the contribution, such particulars as are relevant for a decision shall be given in the report accompanying the estimates by the Union Engineer. If the Panchayat Union Council decides that a contribution may reasonably be demanded it shall fix the amount on the basis of the detailed report and call on the ayacutdars to deposit the amount in advance or to execute an agreement that they shall pay it within a certain time or in such instalments as may be fixed by the Panchayat Union Council, or in the form of labour or materials or both. Every Panchayat Union Council shall divide the local area within its jurisdiction into such number of circles (not exceeding five) as may be necessary for carrying out the repairs and maintenance of minor irrigation works of a circle in a year so as to cover all circles in a definite cycle of years.

6. *Estimates and allotments.*—The Panchayat Union Council shall decide in time, the number and names of works to be taken up for execution in a financial year subject to the availability of resources from the Panchayat Union (Production) Fund. The Panchayat Union Overseer or Union Engineer shall prepare necessary estimates for such works and send them to the competent authorities for technical sanction based on the amounts of estimates. The competent technical authority after such sanction shall send the estimates to the Panchayat Union Council for its administrative sanction. A certificate to the effect that the provisions made in the estimates are absolutely necessary for the proper maintenance of the source shall be appended to the estimates. To enable the Panchayat Union Council to control the execution of the works effectively it shall obtain monthly reports in Form III appended

to these rules from the Union Engineers concerned who shall send the same to the Panchayat Union concerned with copy to the Assistant Engineer (Highways and Rural Works) and review the progress. The authorities competent to accord administrative and technical sanction shall be as shown below :—

In other cases, the works shall be entrusted to contractors in accordance with the procedure prescribed for other Panchayat Union works, and the payment for the work done shall be made in accordance with the procedure laid down for other Union works.

(5) When a breach has actually occurred, the villagers shall at once be employed by the officers aforesaid in forming a ring bund, to save the cultivation which may be affected by such breach.

(6) When earth is taken from valuable land for repair of breaches in channel or tank embankments compensation shall be given to the owners concerned, the amount being determined by the Panchayat Union Council in the same manner as amount payable under section 6 of the Madras Compulsory Labour Act, 1858 (Madras Act I of 1858).

9. *Temporary dams on calingulas of tanks and other minor irrigation works.*—(1) It shall be the duty of the Panchayat Union Council to see that the placing of bunds on or in front of surplus weirs the crests of which are at full tank level is strictly prohibited, but the temporary dams may be raised on the calingulas of tanks or other minor irrigation works when the crest of the calingulas is below the full tank level :

Provided that the materials used for stuffing the space between the dam stones of calingulas shall be such as may be readily removed or washed away by the rush of water in case of danger to the dam and shall not be higher than six inches above the full tank level.

(2) The temporary dam shall be partially or wholly removed as circumstances require when the water rises to such a level as to indicate danger of overflow to the tank.

(3) All calingulas shall be cleared at least once a year to prevent the stuffing between the dam stones becoming hardened to such an extent as not to admit of being readily removed or washed away by the rush of water.

(4) In the case of works such as chains of tanks and tanks adjoining public roads and lines of Railways, all calingulas shall be cleared at least a fortnight before the usual date of setting in of the periodical rains.

(5) No encroachment on tank bunds by the holders of lands lying under them shall be allowed.

(C) TRANSFER OF MINOR IRRIGATION SOURCES FOR PROTECTION AND MAINTENANCE AND EXECUTION OF KUDIMARAMAT.

1. *Preliminary.*—The First National Subject-matter Seminar on Agriculture, Animal Husbandry, etc., held at Srinagar in October 1957 recommended *inter alia* that panchayats might be held responsible to arrange for distribution of water from field to field in an economical manner. One of the resolutions of the Regional Minor Irrigation Conference held at Hyderabad in July 1958 was that the maintenance of Minor Irrigation Works should be entrusted to Panchayats or co-operative societies in cases where a competent authority was satisfied that the local body was capable of ensuring maintenance.

2. *Provisions of the Act.*—Sub-section (1) of section 59 of the Madras Village Panchayats Act, 1953, provides that the Government may, subject to such conditions and control as may be prescribed, transfer to any panchayat (i) the protection and maintenance of any village irrigation work (ii) the management of tanks of irrigation or (iii) the regulation of distribution of water from any irrigation work to the fields depending on it. Under sub-section (2) of the same section, the panchayat has power subject to such restriction and control as may be prescribed (i) to exempt the "kudimaramat" in respect of any irrigation source in the village, and (ii) to levy such fee and on such basis for the purposes thereof as may be prescribed. The Madras Panchayats Act, 1958, contains a similar provision in section 55 with further changes (i) that, according to the nature of the case such assumption of responsibility may be made either by the panchayat or by the panchayat union council, and (ii) that, where maintenance of any irrigation work is transferred, the fishery rights of Government in such work shall be transferred to and be vested in the panchayat or the panchayat union council, as the case may be, subject however to such terms and conditions including those regarding the utilisation of the income as may be specified by the Government.

3. *Existing position.*—There are thus sufficient existing statutory provisions on the lines of the recommendations of the First National Subject-matter Seminar and the Regional Minor Irrigation Conference referred to in paragraph 1 above. The provisions of the old Act, however, were not availed of, even though in many places the ryots were unable to discharge their kudimaramat obligation and there was real need for the panchayats to take up the work.

4. *Views of Government in connection with the implementation of the new Panchayats Act.*—(i) The Government consider it necessary, as part of the policy underlying the entrustment of agricultural development work to panchayat unions, that the provisions contained in section 55 (1) of the *new Act* regarding the transfer of irrigation works should be utilised adequately.

(ii) In the context of implementation of the new Act, Government also consider it very important that panchayat should be advised to take over kudimaramat in their villages in every case. The need for panchayat unions taking up kudimaramat will arise only in exceptional cases where the kudimaramat obligation falls on the ryots of more than one panchayat village collectively and the panchayats concerned are unable to divide up the responsibility among themselves.

5. The Government accordingly pass the following orders:—

(1) Section 55 (1) of the Madras Panchayats Act, 1958, empowers the Government to transfer to the panchayat or the panchayat union the functions relating to (a) the protection and maintenance of irrigation works, (b) the management of tanks of irrigation, and (c) the regulation of distribution of water from the irrigation work to the fields depending on it. The Government have decided that these functions should be transferred to the Panchayat Unions and not to the panchayats. The Government have however, no objection to the panchayat union entrusting to the local panchayat under section 71 (2) of the Act, the execution of maintenance works, the management of tanks of irrigation and the regulation of distribution of water from the irrigation work, if the proprietors of the irrigation source request in writing that such entrustment should be effected and if the panchayat concerned agrees (by a resolution passed by it at a meeting specially convened for the purpose) to take over the said functions and to abide by the conditions upon which the irrigation source has been transferred to the panchayat union.

(2) The power vested in the Government under section 85 (1) of the Act and referred to in sub-paragraph (1) above, has been delegated to the District Collectors under the notification issued with G.O. No. 74, L.A., dated the 12th January 1960. The Collectors are requested to exercise this power subject to the following conditions and control:—

(i) The transfer to any panchayat union constituted for a panchayat development block shall be restricted to Minor Irrigation sources in charge of the Revenue Department, which are situated in such block, provided that such sources do not form part of a river irrigation system. For the present, tanks under the control of Public Works Department need not be transferred even if they are unconnected with a river irrigation system.

(ii) In order to enable the panchayat union to discharge the responsibility thus entrusted, a special annual grant which may be referred to as the "Local Irrigation Grant" should be made available to the panchayat union. The amount of this grant should be fixed by the Collector for each block on the following basis:—

(a) the average annual amount spent by way of repairs on all the Minor Irrigation sources of the block should be determined with reference to the accounts of five years ending 1959-60. If the amount does not exceed Rs. 250 per acre irrigated from the sources and does not fall short of Rs. 1-50 per acre irrigated from the sources, that amount should be fixed as the Local Irrigation Grant.

(b) if the average annual amount referred to in (a) above exceeds Rs. 250 per acre irrigated from the sources, then a sum representing Rs. 250 per acre should be fixed as the Local Irrigation Grant, and

(c) if the average annual amount referred to in (a) above falls short of Rs. 1-50 per acre irrigated from all the sources, then a sum representing Rs. 1-50 per acre should be fixed as the Local Irrigation Grant.

The grant so paid shall be credited to a separate fund which shall be known as the "Panchayat Union (Production) Fund" and shall be accounted for separately, from the General and the Education Funds of the panchayat union. Care should be taken to ensure that the grant is utilised exclusively to meet the expenditure on Minor Irrigation Works.

(iii) The panchayat union shall not effect any alteration in the shape of the irrigation work or interfere with the standard and specifications laid down in the Tank Restoration/Schemes Manuals in respect of such work or raise, lower or extend the weirs or culmules or make any material alterations in or interfere with the head works, if any, of the channels.

(iv) The panchayat union shall be responsible for keeping watch over the head of irrigation work during the rainy season.

(v) The panchayat union shall make good any damage to the sluices, weirs, culmules, channels head works, bunds or other works forming part of or connected with the irrigation work resulting from its negligence or non-observance; the decision of the District Collector as to whether any particular item of damage was the result of any negligence or non-observance on the part of the panchayat union being final.

(vi) The panchayat union shall not excavate earth at any time for any purpose within thirty feet of either toe of the bund of the irrigation work.

(vii) All works shall be carried out under the control and supervision of the Panchayat Union Engineer (Block Engineer or Supervisor) and shall be subject to supervision of the Revenue Divisional Officer also.

(viii) The panchayat union shall have power to regulate the manner and order in which the lands under the irrigation work shall be irrigated the time at which the supply of water shall commence and the total quantity of water to be supplied, but this power shall not be exercised so as adversely to affect any established or customary right to preferential or proportional supply.

(ix) Any function in respect of a village irrigation work transferred to a panchayat union may, at any time, be resumed without assigning any reason by the Government or their delegate, the Collector.

(x) A resolution of the panchayat union council agreeing to abide by the conditions referred to above shall be obtained before the minor irrigation sources are transferred to the panchayat.

6. Kudimaramat.—(i) The Madras Compulsory Labour Act, 1958, refer to the existence of a customary obligation to provide free labour for certain types of work on irrigation sources. The law provides that, where the customary obligation was not discharged, the necessary works could be carried out by the Tahsildar and the cost apportioned among the landholders responsible and recovered from them as arrears of land revenue. Section 85 (2) of the Madras Panchayats Act, 1958, which corresponds to section 59 (2) of the Madras Village Panchayats Act, 1960, makes it possible for the panchayats or panchayat union councils to take over this customary obligations, discharge it and meet the cost by levying a statutory fee for the purpose. Both the 1958 and the 1958 Panchayat Acts specially provide that this assumption of responsibility by the panchayats or the panchayat union council as the case may be does not exempt the landholders from liability to enforcement of the rules by the Tahsildar in the event of the panchayat or the panchayat union councils failing to discharge the obligation assumed by them.

(ii) Collectors of districts are requested to take action to bring to the notice of every panchayat the provisions of section 85 (2) of the Act and induce the panchayats to assume responsibility for executing kudimaramat and for discharging their obligation periodically in order to keep irrigation work in good condition. The panchayats may be informed, of the provisions of the Act enabling them to levy suitable fees for executing kudimaramat. The question of panchayat union councils taking up this obligation need not be considered until the result of the approach to panchayats has become clear.

(iii) In order to prevent the customary obligation lapsing by disuse, a record should be maintained by the Panchayat Union Commissioner specifying the existence of customary obligation and its precise nature in respect of each source in which it existed. The nature of the customary obligation will be available in the Settlement Registers of the villages and records in the Taluk office. The particulars in respect of each source should be obtained from the Tahsildar and entered in the said registers.

(iv) Sub-paragraph (3) under Board's Standing Order 86 and Appendix I and Appendix II to that Standing Order prescribe the maintenance of two registers in Taluk office, namely,

- (a) the Kudimaramat Register for the taluk with a page for each village; and
- (b) Register showing penalties recovered under the Act and its disposal.

The Board of Revenue has reported that these two registers will be useful for the panchayats when they take over the responsibility for executing kudimaramat and the maintenance of such registers will be necessary to show what works should be regarded as coming under the purview of the kudimaramat liability. The Government direct that these two registers now maintained in the Taluk office should also be maintained with such modifications as the Board of Revenue may consider to be necessary for every panchayat development block, by the Panchayat Union Commissioner concerned. If any panchayat in the block after assuming power and responsibility under section 85 (2) of the Panchayats Act fails to execute kudimaramat in respect of any irrigation source the Panchayat Union Commissioner should bring the matter to the notice of the panchayat union council and suggest that the latter may assume the power and responsibility and to execute kudimaramat in that case. It is only in the very unlikely event of even this attempt failing that it would be necessary for the Panchayat Union Commissioner to bring the fact to the notice of the Tahsildar for enforcing the provisions of the Madras Compulsory Labour Act, 1958.

7. Steps should be taken to transfer to the panchayat union concerned the Minor Irrigation sources in the panchayat development blocks as soon as practicable after the panchayat union council is constituted. The steps taken in this regard should be reviewed at the next two jamabandis by the Tahsildar Officer and the results of such review reported through the Collector to the Board of Revenue. The Board of Revenue is requested to submit a special report to Government on the action taken in pursuance of this order, after each of the next two jamabandis.

(G.O. No. 711, L.A., dated 16th April 1960.)

(107) CONDITIONS RELATING TO TRANSFER OF MINOR IRRIGATION SOURCES.

One of the conditions laid down in the rules for the transfer of irrigation functions to Panchayat Union Councils, specified in Notification No. 24, issued with G.O. Ms. No. 1877, Rural Development and Local Administration (L.A.), dated 8th October 1960 read as follows :—

"The transfer shall not be made unless a majority of the ayacutdars desire it".

2. At the departmental meeting with Collectors held at Madras during 1961, it was agreed that the above condition requiring the consent of the ayacutdars before entrustment of minor irrigation sources to the Panchayat Unions be cancelled.

3. Orders have accordingly been issued in G.O. Ms. No. 2186, Rural Development and Local Administration, dated 4th August 1961 deleting the condition referred to in paragraph (2) above and making suitable amendments to the existing rules.

4. The Collectors are requested to note the amendments issued in the G.O. No. 2186, R.D. and L.A., dated 4th August 1961 and take steps for the transfer of minor irrigation sources of the Panchayat Unions wherever the transfer has not been effected so far, as laid down in the Government Order No. 711, L.A., dated 16th April 1960.

(Memo. No. 25061/P-2(61-1, dated 6th September 1961.)

In G.O. No. 711, Local Administration, dated 16th April 1960 orders have been issued to the effect that all minor irrigation sources under the control of the Revenue Department and which do not form part of the regular irrigation system shall be transferred to the Panchayat Unions concerned for maintenance and protection. In order to enable the Panchayat Unions to discharge the responsibility thus entrusted, a special annual grant called the Local Irrigation Grant has been ordered to be made available to every Panchayat Union concerned. The amount of this grant should be fixed by the Collector for each block on the following basis :—

(a) The average annual amount spent by way of repairs on all the minor irrigation sources of the block should be determined with reference to the actuals of five years ending 1959-60. If this amount does not exceed Rs. 2.50 per acre irrigated from the sources and does not also fall short of Rs. 1.50 per acre irrigated from the sources, that amount should be fixed as the Local Irrigation Grant.

(b) If the average annual amount referred to in (a) above exceeds Rs. 2.50 per acre irrigated from the sources, then a sum representing Rs. 2.50 per acre should be fixed as the Local Irrigation Grant, and

(c) If the average annual amount referred to in (a) above fall short of Rs. 1.50 per acre irrigated from the sources, then a sum representing Rs. 1.50 per acre should be fixed as the Local Grant.

The grant so paid shall be credited to the ' Panchayat Union (Production) Fund ' and shall be accounted for separately from the General and the Education Funds of the Panchayat Union. Care should be taken to ensure that the grant is utilized exclusively to meet the expenditure on minor irrigation works.

2. Clarifications and instructions were sought for on the following points in this regard :—

(i) whether grants will be disbursed through the District Development Councils to the Panchayat Union Councils and through the latter to the Panchayats or direct to Panchayats and/or Councils.

(ii) whether the Collectors will be instructed to certify in the orders sanctioning grants that necessary resolutions by the Panchayat Union Councils (or the Panchayats) have been passed :

(iii) whether the Collectors will be instructed to furnish the certificate of utilisation of the grants paid from time to time (based on the audited statements of expenditure to be furnished by the Union Councils);

(iv) whether the grant will be paid in advance or whether it will be sanctioned only at the close of each year :

(v) whether the amounts of grant will be limited to the actual expenditure incurred by the Panchayat Union or to the amounts calculated with reference to the Clauses (a), (b) and (c) of instructions issued in paragraph 5 (2) (ii) of G.O. No. 711, Local Administration, dated 18th April 1960 whichever is less ;

(vi) whether in cases covered by clause (a) above, any unspent balance will have to be refunded to State Funds or may be utilised for expenditure in the subsequent year or years; and

(vii) the head of account to which the "Local Irrigation Grant" shall be debited.

The Government have examined the above points and they pass the following orders :—

Item (i).—According to the orders in G.O. No. 711, Local Administration, dated 18th April 1960, the function of protection, maintenance, etc., of irrigation works has been transferred only to the Panchayat Unions and not to the Panchayats. It is left to the Panchayat Unions concerned to entrust that function to any Panchayat within its jurisdiction subject to certain restrictions laid down in the orders. Grants will be paid to the Panchayat Union Councils direct and it is left to the Panchayat Union Councils to apportion the grants, if necessary, among the Panchayats which have undertaken the function.

Item (ii).—With reference to the instruction in paragraph 5 (x) of G.O. No. 711, Local Administration, dated 18th April 1960, a resolution of the Panchayat Union Council shall be obtained by the Collector before transferring the function to the Panchayat Union Council. The Collector shall mention about the receipt of this resolution in the proceedings sanctioning grant for the first time to the Panchayat Union Councils.

Item (iii).—A certificate shall be furnished by the Panchayat Union Council to the Collector at the end of every financial year. The Collector shall furnish the Accountant-General every year a certificate in regard to the utilisation of the grants paid from time to time based on the certificate received by him from the Panchayat Union Councils.

Item (iv) to (vi).—Local Irrigation Grant shall be a half-yearly recurring grant payable in advance in July and January every year on the basis of instructions issued in paragraph 5 (2) (ii) of G.O. No. 711, Local Administration, dated 18th April 1960. The Collectors will release the grant to the Panchayat Union Councils of their districts. This grant shall be taken credit by the Panchayat Union Councils in its annual budget under "Panchayat Union (Production) Fund". This grant is to be accounted for separately and is to be utilised exclusively to meet the expenditure on Minor Irrigation Works. It is not, however, necessary to refund the unspent balance, if any, at the end of each financial year. The grant sanctioned is arrived at on the basis of average expenditure and therefore the utilisation could be ensured only over a period of time. The certificate of utilisation therefore should be with reference to the general progress in maintenance expenditure.

Item (vii).—The Local Irrigation Grant should be debited to the existing minor head "grants-in-aid" under "Irrigation, etc.—Other Revenue Expenditure financed from ordinary revenue—Irrigation Works—Works (Non-Commercial)—Minor Irrigation—Revenue Department—1. Grants-in-aid—2. Local Irrigation Grant to Panchayat Union".

3. The presumption (of the Accountant-General) that the grant shall be paid to the Panchayat Union Councils in lieu of the expenditure now incurred on the maintenance of the irrigation sources is correct.

4. In Board's Proceedings Rt. No. 3140, dated 29th April 1961, a sum of Rs. 40 lakhs has been placed at the disposal of the Collectors for expenditure towards the maintenance and protection of minor irrigation sources during the 1961-62. The Government direct that the Minor Irrigation Grant due to the Panchayat Unions be disbursed from the above amount by the concerned Collectors to the Panchayat Unions in their districts to whom the minor irrigation sources have been transferred for maintenance and protection, on the basis of the principles laid down in G.O. No. 711, Local Administration, dated 18th April 1960 and referred to in paragraph 1 above. The Collectors should obtain reports from each of the Panchayat Unions in

their districts as to the exact amount of Local Irrigation Grant to which they are entitled, scrutinize them and issue specific sanction orders in respect of each Panchayat Unions. Reference should be made in the sanction order to the resolution of the Panchayat Union accepting the responsibility for maintenance and protection of minor irrigation sources transferred to it and the order of the Collector transferring the minor irrigation sources.

5. A copy of each of the orders issued by the Collectors should be sent to (i) the Director of Panchayat Finance, (ii) the Government in the Rural Development and Local Administration Department, (iii) the Board of Revenue (Land Revenue). The Collectors should ensure that the amounts made available to the Panchayat Unions are utilized only for maintenance and protection of minor irrigation sources entrusted to them.

(G.O. Ms. No. 4459, Revenue, dated 12th October 1961.)

The Collectors have been empowered to transfer to the Panchayat Unions Minor Irrigation tanks under the control of the Revenue Department for protection and maintenance. It was also ordered therein that for the purposes of maintenance of these tanks the Panchayat Unions will be paid a 'Local Irrigation Grant' the amount of which should be fixed by the Collector for each block on the basis of the actual expenditure on the sources during the five years ending 1959-60 and subject to a maximum of Rs. 2-50 and a minimum of Rs. 1-40 per acre irrigated from the sources.

It will be not advisable to hand over to the Panchayat Unions for maintenance the tanks in Ex-zamin areas in their present condition. The above instructions will not apply to tanks in taken over areas in all districts.

Orders were issued in G.O. No. 851, dated 9th May 1960 re-organising the Highways Department into a new department of Highways and Rural Works in which the entire minor irrigation staff under the control of the Collectors were merged. It has also since been ordered that the transfer of this staff from the control of the Revenue Department to the Department of Highways and Rural Works would take effect from 1st April 1961. The technical responsibilities of the Revenue Department for inspection, repairs, etc., of the minor irrigation sources pending their transfer to Panchayat Unions have also been transferred to the Department of Highways and Rural Works in G.O. Ms. No. 1660, Revenue, dated 11th April 1961. The powers of administrative sanction in respect of these works would however continue with the Collectors and Revenue Divisional Offices till the tanks are actually transferred to the Panchayat Unions concerned.

The Special Minor Irrigations staff employed under the Special Minor Irrigation Programme administered by the Board of Revenue (Food Production), however, stand on a different footing. The special minor irrigation staff will continue as heretofore without any change whatsoever. The responsibility for the restoration of the Ex-zamin tanks to normal standards will vest with the Special Minor Irrigation staff.

Under the Special Minor Irrigation Programme tanks are taken up for restoration on the basis of a phased programme. Till such time as a tank is so taken up by the Special Minor Irrigation staff the administration custody of the tanks will be with the Collectors and the technical responsibility for such tanks will vest with the Department of Highways and Rural Works.

As and when the tanks are restored to normal standards, the tanks will come under the purview of G.O. No. 711, L.A., dated 16th April 1960.

(108) *Applicability of rules in regard to execution of maintenance work.*—A question has been raised whether the rules issued in G.O. No. 1441, Rural Development and Local Administration, dated 22nd May 1961 or G.O. Ms. No. 2103, Rural Development and Local Administration, dated 26th July 1961 should be followed in the execution of maintenance of minor irrigation works thus transferred to the Panchayat Unions. G.O. Ms. No. 2103, Rural Development and Local Administration dated 26th July 1961 is a special order applicable only to be taken up under the Village Works Grant, and is therefore not applicable for execution of maintenance of minor irrigation works. The general rules as to the conditions on which and the mode is

which contracts may be made by or on behalf of Panchayat Union Councils are prescribed in G.O. No. 1441, Rural Development and Local Administration, dated 22nd May 1961. Government direct that these rules shall be followed for execution of maintenance of minor irrigation works entrusted to Panchayat Unions.

(Memo. No. 222883, R.D. & L.A. (P-2/61-2, dated 24th January 1961.)

(109) *Transfer of protection and maintenance of minor Irrigation Sources which form part of River Irrigation Systems.*—It was reported that due to the merger of the Minor Irrigation staff with the Highways and Rural Works Department, with effect from 1st April 1961, there is technical staff attached to the Revenue Department to attend to the protection and maintenance of the irrigation sources which form part of a river irrigation system. It was presumed that these sources should be transferred to the control of the Highways and Rural Works Department for future protection and maintenance.

2. Attention is invited to the orders in G.O. Ms. No. 1590, Revenue, dated 11th April 1961, wherein it has been specified that the major administrative items of the work relating to maintenance and repairs to minor irrigation sources could be transferred to the Highways and Rural Works Department with effect from 1st April 1961. In the circumstances, the presumption, namely, that the protection and maintenance of the minor irrigation sources which form part of a river irrigation system should be transferred from the Revenue Department to the control of the Highways and Rural Works Department is correct.

(Memo. No. 240689, R.D. & L.A., (P-2-61-3, dated 18th January 1962.)

(110) In its letter No. 24678/62 (FP. II A), dated the 4th September 1962 the Board of Revenue (Food Production) has pointed out that "ordinary maintenance and repairs of minor irrigation sources transferred to Panchayat Unions are generally taken up on a normal rotation of each tank receiving attention once in five or six years, and that if the original work is properly done and the normal maintenance also are properly attended to, the tank should last till its turn for repairs comes up next". Representations about the inadequacy of the "Local Irrigation Grant" from the Panchayat Unions appear to proceed from a misconception that repairs have to be done every year for each source.

3. The Collectors are therefore requested to impress upon the Panchayat Union the need to make a survey of the tanks entrusted to each Panchayat Union for maintenance and repair, draw up a cycle of repairs spread over three, four or five years as the case may be and take up works only in conformity with the programme so drawn up for maintenance and repairs. They are also requested to watch whether such a cycle system is being duly followed by the Panchayat Unions. A copy of the instructions issued to the Panchayat Unions should be sent to the Government and to the Board of Revenue (Land Revenue) and Chief Engineer (Highways and Rural Works.)

74. REGULATION OF THE USE OF QUARRY RIGHTS IN LANDS VESTED IN THE PANCHAYATS.

1. *Short title.*—These rules may be called the Madras Panchayat Union Councils Regulation of the use of quarry rights (in lands vested in Panchayats) Rules, 1963.

2. The power for removal of minerals in any public land vested in a panchayat under sub-section (1) of section 72, sub-section (1) of section 76, sub-section (1) of section 84 and sub-section (2) and (4) of section 86 of the Madras Panchayats Act, 1958 shall vest in the Panchayat unions.

3. The panchayat union Commissioner shall exercise the powers conferred under rule 1 above with the approval of the Panchayat Union Council concerned, subject to the rules and regulations specified in the Madras Minor Minerals Concession Rules, 1959.

(G.O. Ms. No. 1400, Rural Development and Local Administration, dated 2nd July 1963.)

(G.O. Ms. No. 597, Rural Development and Local Administration, dated, 2nd March 1965.)

In G.O. Ms. No. 375, Rural Development and Local Administration, dated 9th February 1961, instructions were issued that although sub-section (2) of section 53 is very general in terms and empowers the panchayat union council to co-opt even outsiders as members of the Appointments Committee also, the intention however, is that the power of co-option conferred by sub-section (2) should apply only to the committees referred to in clause (b) of sub-section (1) of that section, that is, the Education Committee, the General Purpose Committee and other committees referred in

clause (b) but not to the Appointments Committee constituted under clause (a) and that necessary action will be taken to suitably amend sub-section (2) to bring out this intention clearly. Till the sub-section is so amended, the panchayat union councils were requested to have regard to the position explained above and not to co-opt any person as member of the Appointments Committee.

2. The import of the provisions in sub-section (2) of section 53 of the Act has now been re-examined. The Government are advised that a strict interpretation of sub-section (2) of section 53 of the Act, is that the power to co-opt persons as are not members of the panchayat union council as members of the committee is to be restricted to those committees as are appointed by the Panchayat Union Council, either *sue motu* or on a direction from the Government and that the said power of co-option will not apply in respect of the three committees, viz., Appointments Committee, Education Committee and General Purposes Committee constituted under the statute.

3. In modification of the orders in paragraph 2 of G.O. Ms. No. 375, Rural Development and Local Administration, dated 9th February 1961, the panchayat union councils are accordingly informed that in view of the strict legal position set out in paragraph 2 above, persons as are not members of the panchayat union council should not be co-opted to the three statutory committees, viz., Appointments Committee, Education Committee and General Purposes Committee.

(G.O. Ms. No. 1240, Rural Development and Local Administration, dated 29th May 1966.)

Several representations have been received by Government that frequent and indiscriminate transfers of Panchayat Union School Teachers cause great inconvenience to the teachers and dislocation of work in the schools. Government have therefore carefully considered the need for rationalising the system and instruct that the following procedure be followed in respect of transfers of teachers in Panchayat Union Schools. Applications for transfers received from the teachers and proposals for transfer sponsored by the Panchayat Union Commissioner on administrative grounds before the commencement of the school year will be put up to an *ad-hoc* body of which the Revenue Divisional Officer of the division will be the Chairman, and the Chairman, Panchayat Union Council, and the District Educational Officer having jurisdiction of the area, members and Panchayat Union Commissioner member—Secretary. This *ad hoc* body will scrutinise the proposals and take decisions which shall be put down in writing. These decisions should be implemented by the Panchayat Union Commissioner without the slightest deviation.

2. This *ad-hoc* body will ordinarily meet in the month of April and May and finalise the transfer proposals before the commencement of the year.

3. Applications and proposals for transfer should not ordinarily be entertained after the commencement of the school year. In exceptional cases where such proposals have to be considered during the course of the year, the Panchayat Union Commissioner should send proposals through the Panchayat Union Chairman to the Collector of the district and effect the transfer only after receiving his concurrence.

This procedure will come into effect immediately. For this year the *ad-hoc* body may meet as soon as possible and finalise the transfer proposals.

(G.O. Ms. No. 535, R.D. & L.A., dated 7th March 1966.)

(112) *Resignation by the Chairman of Panchayat Union Council—A 'vacate general' opinion* :—The position under the Madras Panchayat Act, 1958 (Madras Act XXX of 1958) and under the Madras District Municipalities Act, 1920 (Madras Act V of 1920) regarding the question of resignation of a Chairman, would appear to be the same. Under those provisions, rule 2 with regard to the Chairman of the Panchayat Union Council and section 31 of the District Municipalities Act with regard to the Chairman of the Municipal Council, the resignation takes effect from the date on which it is placed before the Panchayat Union Council/District Municipal Council.

Once this resignation has been placed before the Council then, there is no scope for the Council passing a resolution requesting the Chairman to withdraw a resignation. The only course open to the Council, if it wishes to retain as Chairman the person who has resigned, is to re-elect him as Chairman. On this being done, he will once more reoccupy his position as Chairman of the Council.

3. A resolution requesting the Chairman to reconsider the resignation has absolutely no legal validity and is of no consequence whatsoever.

4. The position therefore may be summed up thus :

(a) A Chairman of a Panchayat Union Council resigns by giving notice of such resignation to the Council.

(b) Such resignation takes effect automatically on and from the date on which it is placed before the Panchayat Union Council and after this, it is not open to the Chairman to effect a withdrawal of the resignation so as to enable him to continue as Chairman of the Council.

5. The fact that the matter was not included in the agenda of the meeting of the council is irrelevant because there is no need for the Council to consider the resignation of the Chairman. A matter has to be included in the agenda only if it has to be considered by the Council. The resignation of the Chairman is not such a matter because all that has to be done is for the resignation to be brought to the notice of the Council which is the real meaning of the use of the words "placed before the Council".

6. The further objection that only 22 out of 27 members were present is also not an objection of substance. Since the number of persons present is more than the quorum, the meeting of the Council is clearly a valid meeting. Hence the placing of the resignation of the Chairman before such a meeting would amount to compliance with rule 2.
